Berkow, 2005-09-30 Drawing inspiration from the mundane Edward Hopper used his unique style to create hauntingly evocative scenes of everyday life portraying the starkness of Main Street and exploring the visual vocabulary of light Whether he set his scenes in offices restaurants hotels gas stations train compartments or theaters his favorite theme the isolation of the individual is always prominent Many of Hopper s most brilliant works from urban scenes to rural landscapes and from etchings to oil paintings are represented here in a stunning portfolio of 70 full color illustrations

Edward Hopper in Vermont Bonnie Tocher Clause, 2012 Edward and Jo Hopper first discovered Vermont in 1927 making day trips from the Whitney Studio Club s summer retreat for New York artists in Charlestown New Hampshire In 1935 and 1936 the Hoppers again traveled to Vermont this time from their summer home in Cape Cod in Edward s continuing search for new places to paint During these quests they identified the White River and what Edward considered to be Vermont s finest river valley and they returned there for longer visits in 1937 and 1938 boarding at Robert and Irene Slater s Wagon Wheels farm in South Royalton These vacations were a change from the usual tempo of their lives a break from the studio bound easels canvas and oils and an opportunity to paint something different to be in a new place and paint en plein air Over the course of his Vermont sojourns Edward Hopper produced some two dozen paintings watercolors that are among the most distinctive of his regional works strongly characterized by place In this accessible volume Bonnie Tocher Clause tells the story of the Hoppers visits to Vermont their stays on the Slater farm and their introduction to farm life She locates the sites shown in Hopper s Vermont paintings identifies two watercolors not previously recognized as Vermont scenes and traces the development of Hopper s singular interpretations of the Vermont landscape In Edward Hopper in Vermont Clause details the provenance of the Vermont paintings through the years tracking the history of sales leading to the works ultimate homes with private collectors and museums Showcasing all the Vermont paintings in color this volume will delight both fans of Hopper s work and those who are fascinated by the story of the creation collection and business of producing great art

Edward Hopper Carol Troyen, Museum of Fine Arts, Boston, National Gallery of Art (U.S.), Art Institute of Chicago, 2007 The creator of pictures that John Updike called calm silent stoic luminous classic Edward Hopper produced many works now considered icons of modern art Canvases such as *Drug Store* *New York* *Movie* and the universally recognized and often parodied *Nighthawks* reshaped what painting looked like in America and devised a visual language for middle class life and its discontents This extensive new assessment of Hopper which accompanies a major traveling exhibition examines the dynamics of his creative process and discusses his work within the cultural currents of his day showing parallels not only with other painters but also with such media as literature and film While most writers have tended to limit Hopper to being the great painter of alienation this book takes a much broader more nuanced and ultimately more representative view of a highly complex extremely varied artist Spanning the entirety of Hopper s career but with particular emphasis on his heyday in the

twenties thirties and forties Edward Hopper highlights his greatest achievements while discussing such topics as his absorption of European influences critical reactions to his work the relation of realism to modernism his fascination with architecture his depiction of women and the struggle in his last years to produce original works Illustrated with more than 150 of his oils watercolors prints and drawings and including essays by several noted scholars in the field and an extensive chronology and bibliography this is the most comprehensive volume on Hopper to be published in many years Jacket flap

Edward Hopper Gail Levin, 2023-02-07 New York Times Notable Book Los Angeles Times Book Prize Finalist Wall Street Journal one of five best artist biographies Edward Hopper's canvasses are filled with stripped down spaces and unrelenting light evocative landscapes and the lonely aspects of men and women seemingly isolated in their surroundings What kind of man had this haunting vision and what kind of life engendered this art No one is better qualified to answer these questions than art historian Gail Levin author and curator of the major studies and exhibitions of Hopper's work In this intimate biography she reveals the true nature and personality of the man himself and of the woman who shared his life the artist Josephine Nivison

Edward Hopper Gerry Souter, 2015-09-15 In his works Hopper poetically expressed the solitude of man confronted to the American way of life as it developed in the 1920s Inspired by the movies and particularly by the various camera angles and attitudes of characters his paintings expose the alienation of mass culture Created using cold colours and inhabited by anonymous characters Hopper's paintings also symbolically reflect the Great Depression Through a series of different reproductions etchings watercolours and oil on canvas paintings as well as thematic and artistic analysis the author sheds new light on the enigmatic and tortured world of this outstanding figure

Edward Hopper Edward Hopper, Carol Troyen, 2007 This extensive new assessment of Edward Hopper which accompanies a major traveling exhibition examines the dynamics of the artist's creative process and discusses his work within the cultural currents of his day 200 full color plates

Hopper Rolf Günter Renner, 2000 Hopper is simply a bad painter but if he were a better one he would probably not be such a great artist Clement Greenberg
