The book consists of scaled patterns directly based on original French, German, and English fashion plates drafted according to period accurate shapes. The patterns encompass the full look presented in each fashion plate from garments to accessories. These are accompanied by a color image of the corresponding fashion plate, straightforward illustrated directions for recreating the outfits, information on the material used, and modelled reproductions of each plate to demonstrate what they would look like in real life. Eleven detailed projects are included based on the dress collections at Royal Pavilion Museums Brighton, Hove, and Worthing Museum and Art Gallery.
