Edwin Gould The Man And His Legacy:

Edwin Gould, 1986 *The Jekyll Island Cottage Colony* June Hall McCash, 1998 During the Gilded Age Jekyll Island Georgia was one of the most exclusive resort destinations in the United States Owned by the most elite and inaccessible social club in America a group whose members included Rockefellers Pulitzers Vanderbilts Goulds and Morgans this quiet refuge in the Golden Isles was the perfect winter getaway for the wealthy new industrial class of the snowbound North In this delightful book a companion volume to *The Jekyll Island Club Southern Haven for America's Millionaires* June Hall McCash focuses on the social club's members and the cottages they built near the clubhouse between 1888 and 1928 Illustrated with hundreds of never before published photographs from private family collections *The Jekyll Island Cottage Colony* tells the stories of each home the owners connections with the island and their interactions with one another While quite grand by today's standards these homes were relatively simple in design built to enhance rather than subdue the island's wild beauty The cottages of Jekyll's Millionaire's Row were not nearly as lavish as their Newport counterparts but typified Victorian resort architecture from New England to Florida ranging from Queen Anne to shingle to Spanish and Mediterranean styles After the Jekyll Island Club disbanded following World War II the state of Georgia acquired the island to ensure its conservation Once threatened by years of neglect and disrepair the elegant clubhouse has been converted to a hotel and many of the gracious cottages have been restored to their original condition *The Jekyll Island Cottage Colony* is a fascinating guide to a unique treasure of architectural history as well as a personal look at golden days gone by **The Jekyll Island Club** William Barton McCash, 1989 From its inception in 1886 the Jekyll Island Club included in its elite membership the nation's wealthiest families among them the Rockefellers Pulitzers Vanderbilts and Morgans Far from the hectic northern cities where the members tended their fortunes this private island refuge off Georgia's coast offered the wealthy a tranquil change of pace Bringing together more than 240 fascinating photographs Barton and June McCash trace the sixty two year history of this exclusive retreat whose members at one time were reputed to represent one seventh of the nation's wealth From the time of the club's opening members came to Jekyll Island each winter to seek elegant leisure arriving on yachts or in private train cars from New York Boston Chicago and Philadelphia Capturing the lives and amusements of the very wealthy this evocative photographic history presents descriptions of elaborate costume balls and playful outdoor parties the Rockefeller clan gathering at water's edge and J P Morgan lounging by the pool Victor Astor's patented beach boat and the Goulds private indoor tennis court the Vanderbilts yacht anchored offshore and the imposing cottages built by individual members During their stays members amused themselves in a variety of pursuits In the 1890s they organized bicycling clubs and held races on the beach Hunting was also for a time a favorite activity and the island was regularly stocked with imported wildlife pheasant quail turkey and bucks By 1919 however the game committee had dwindled to one member and prime hunting grounds had been cleared for golf courses and tennis courts The hub of the island's social life however was the

clubhouse where members gathered in formal attire to converse while drinking fine wine and dining on freshly caught game and local delicacies The seclusion that Jekyll Island offered was not impenetrable On the day after Christmas in 1900 the country's fascination with technology could no longer be resisted and the sound of a gasoline automobile disturbed the island's quiet glades for the first time Despite the immense wealth of the club it was not immune to the stock market crash of 1893 and the Panic of 1907 The club managed to survive World War I intact and enjoyed a golden age from 1919 to 1927 during which time it held its own against the increasingly popular Florida resorts The stock market crash of 1929 however initiated a death spiral Membership declined steadily throughout the 1930s and when the United States entered World War II the club closed its doors forever Based on surviving club records newspaper accounts and letters and diaries of members and guests The Jekyll Island Club chronicles an era when leisure was the preserve of the wealthy For more than six decades the island now a state park served as a haven for millionaires As one visitor described the Jekyll Island Club it was the only place of its kind in the world and will never be again

Our Humanist Heritage George Frater,2010-07 This fast paced and well documented analysis of the government s steady march away from God will either thrill or anger you depending on your worldview For those of us who acknowledge the Creator of the Universe as our God Savior and Lord this document tends to stir up both the sadness at the exponential slippage from our foundations as a Country and a challenge to stand strongly and openly against the growing intensity of those who would remove religion from America The nations rage sometimes and imagine a vain thing but he who sits in the heavens shall laugh Mr Frater has done a wonderful job of tracing the Humanist movement from its early inception and its subtle and damaging impact on our nation over the decades All serious students of history and those of Kingdom concern should avail themselves of his work Henry M Morris III Chief Executive Officer Institute for Creation Research George Frater B S M S M A Ed S retired Quality Assurance Quality Control Coordinator Air Monitoring Department Environmental Protection Commission Hillsborough County Florida Education Wisconsin State B S Agriculture Biology and Chemistry minors Iowa State M S Poultry Nutrition and Vanderbilt M A and Ed S Biology Taught science in Brandon High School in Hillsborough County and in Pillsbury Baptist Bible College Minnesota Ran the Cancer Research Center Tissue Culture Lab at Vanderbilt Hospital Nashville Served Bible Science Association on the National Board of Directors B SA Middle Tennessee Chapter as President Floridians for the Accurate Complete Teaching of Science as President Current membership Creation Research Society an organization of scientists Creation Studies Institute contributing writer Frater became alarmed at the number of Christian students lured into believing the Humanistic teaching in public schools and decided to arm them with facts from the past that would help them remain steadfast in their faith Reading 1922 Michael North,2001-12-20 This engaging study returns to a truly remarkable year the year in which both Ulysses and The Waste Land were published in which The Great Gatsby was set and during which the Fascisti took over in Italy the Irish Free State was born the Harlem Renaissance reached its peak Charlie Chaplin s popularity crested and King Tutankhamen s tomb was discovered In short the year which not only in hindsight became the primal scene of literary modernism but which served as the cradle for a host of major political and aesthetic transformations resonating around the globe In his previous study the acclaimed Dialect of

Modernism OUP 1994 Michael North looked at the racial and linguistic struggles over the English language which gave birth to the many strains of modernism Here he expands his vision to encompass the global stage and tells the story of how books changed the future of the world as we know it in one unforgettable year

Edwin Gould The Man And His Legacy Introduction

In today's digital age, the availability of Edwin Gould The Man And His Legacy books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Edwin Gould The Man And His Legacy books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Edwin Gould The Man And His Legacy books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Edwin Gould The Man And His Legacy versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Edwin Gould The Man And His Legacy books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Edwin Gould The Man And His Legacy books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Edwin Gould The Man And His Legacy books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Edwin Gould The Man And His Legacy books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
