## **Eensy Weensy Spider Early Reader A Traditional Nursery Rhyme:**

*Teaching Early Reading and Phonics* Kathy Gooch, Andrew Lambirth, 2016-10-18 Learning to read is an exciting and vital part of every child's development. The new edition of this book continues to provide trainees and teachers with a broad understanding of teaching reading and phonics and equip them with the skills necessary to face the reality of the early years classroom in order to meet the needs of individual children. With vital information on constructing relationships with young readers and how to plan phonics within a rich interactive and playful literacy pedagogy, the second edition now includes a brand new chapter on babies and early reading. More information on language acquisition and how children learn. A discussion of children with SEN. An appreciation for the rise of digital technologies in relation to reading. Whether you're training to become a teacher or already working in the classroom, this book is ideal for those who wish to embed the teaching of phonics into carefully selected high quality materials, particularly in children's literature. **Early Reading First and Beyond**

Susan E. Israel, 2007-12-13 This reader friendly resource examines the key elements of Early Reading First to help teachers foster the language cognitive and early reading skills critical to young children's success in kindergarten. *Read, Rhyme, and Romp* Heather McNeil, 2012-06-26 Designed to promote literacy in young children and to empower parents, educators and librarians, this guide is filled with simple strategies, creative activities and detailed instructions that help make reading fun. Encouraging a love of reading in young children can be a source of both great frustration and immense joy. This handy resource provides essential tips, techniques and strategies for making early literacy development fun and inspiring a lifelong love of reading. *Read Rhyme and Romp: Early Literacy Skills and Activities for Librarians, Teachers and Parents* explores the six basic pre-literacy skills that experts agree are necessary for a young child to be ready to learn to read. Special sections within each chapter are dedicated to the specific needs of preschool teachers, parents and librarians, making the content relevant to different settings. Recommended book lists, personal anecdotes and literacy rich activities combine to create an effective and accessible plan for implementing an early literacy program. **Guided Reading the Four-Blocks®**
