

Theatre Final Study Guide

The Nature of Theatre - LIVE

Elements of art- scenery, stagecraft, lighting, sound, costumes, and makeup...

Theatre in the Western world can be traced back to ancient Greece, and especially to Athens usually considered the cradle of Western civilization

Greek Theatre - the word "theatre" came from the Greek word "theatron" which means "seeing place"

Greek actors used masks on stage

The Stanislavski method or system is a set of techniques used by actors to portray emotions on stage by putting themselves in the place of the character

MLA Format - Indent set-off quotations one inch from the left margin.

Critiquing a Play

Don't

- Make your personal opinion the main feature
- Discuss an actor's personal appearance or insult to the point of cruelty
- Judge the premise of the play based on your personal tastes. Your readers can decide for themselves whether it appeals to them

DO

- Consider the goals behind production decisions and be prepared to evaluate whether the play achieves them
- State your opinion honestly, grounded in specific points
- Take risks with bold statements or an unusual opening
- Describe misguided or failed performances honestly

The critic is primarily focused on evaluating and judgments

The reviewer is primarily focused upon the process of going over, a recap or retelling of their personal experience
