Selling just got easier Good salespeople are in great demand Sales skills are essential in starting any business and successful
selling brings with it career progression satisfaction and personal growth that are second to none With this book you ll learn
all the components necessary to become not just a good but a great salesperson Whether you re new to sales and want to
start out with a bang or a veteran salesperson who wants to maximize results Successful Selling In A Week will be a huge
asset to you now and in years to come You ll learn ways to increase the effectiveness of your efforts save time and energy and
get the best results possible regardless of your field of sales You ll be able to put together your own system of success just
like the people before you from whom these principles are drawn Successful selling means using a structured set of systems
that all professional high achievers can learn We will look at each of these steps one day at a time You may be wondering if
your personality is right for sales You may think that it s important to be a good talker but it s far more important to be a
sincere listener to be able to ask pertinent questions that uncover buying motives and then be able to present the features
and benefits of your product or service as they match your customer s needs A person who does all the talking without the
right questioning and listening will be wasting time and effort There is in fact no one right personality for sales Most of us

can use the skills we've developed over our lifetime and hone them with the principles of this book to become a top notch if not world class salesperson You'll be able to use the techniques in this book to design sales skills that work best for you your personality and your industry Sunday Jump start your success formula Monday Develop product and service expertise Tuesday Grasp the buying motives Wednesday Conquer objections turn them to your advantage Thursday Master successful presentations and closings Friday Create action provoking systems Saturday Implement motivation and support systems
