**Egypt and Israel** ,1979 *The Evolution of the Egypt-Israel Boundary* Nurit Kliot,1995 Egypt, Israel, and the Gulf of Aqaba in International Law Louis M. Bloomfield,1957 *The U.S.-Israel-Egypt Trilateral Relationship* United States. Congress. House. Committee on Foreign Affairs. Subcommittee on the Middle East and South Asia,2008 **Breakthrough** Moshe Dayan,1981 Egypt-Israel Relations Abba Solomon Eban,1955 **Egypt on the Pentateuch's Ideological Map** Franz V. Greifenhagen,2003-04-01 This book explores the references to Egypt in the Pentateuch twice as dense as in the rest of the Hebrew Bible in the context of the production of the text's final form during the Persian period Here as Greifenhagen shows Egypt functions ideologically as the primary other over against which Israel's identity is constructed while its role in Israel's formation appears as subsidiary and as a superseded stage in a master narrative which locates Israel's ethnic roots in Mesopotamia But the presentation of this powerful neighbour is equivocal a dominant anti Egyptian stance coexists with alternative though subordinate pro Egyptian views suggesting that the Pentateuchal narrative was produced within a context of ideological conflict over attitudes towards a land that provided a home for Jewish fugitives and emigrants **Israel in Egypt** James K. Hoffmeier,1999-03-18 Scholars of the Hebrew Bible have in the last decade begun to question the historical accuracy of the Israelite sojourn in Egypt as described in the book of Exodus The reason for the rejection of the exodus tradition is said to be the lack of historical and archaeological evidence in Egypt Those advancing these claims however are not specialists in the study of Egyptian history culture and archaeology In this pioneering book James Hoffmeier examines the most current Egyptological evidence and argues that it supports the biblical record concerning Israel in Egypt **The U.S.-Egypt Military Relationship** Col. David M. Witty,2023-08-07 Since the Egypt Israel peace treaty was signed in 1979 Washington has given Cairo more than 50 billion in military grant aid But a strong military relationship has raised as many questions as it has answered about the ethics of working with an increasingly harsh authoritarian government about the partnership's success in achieving American interests in the region about the Egyptian military's willingness to reform and about whether conditioned aid can spur political change Correspondingly the post Arab Spring years have seen rough patches caused by U S limitations on military aid following the 2013 overthrow of Mohamed Morsi America's chafing at Egyptian human rights abuses and Cairo's eventual turn toward less restrictive partners such as Moscow and Paris for military supplies Israeli-Egyptian Relations, 1980-2000 Ephraim Dowek,2016-09-17 A memoir by former diplomat Ephraim Dowek which provides a comprehensive study of the relations between Egypt and Israel from peace until the present day This is an informative account of the author's time in Egypt as a high level Israeli diplomat he was eventually appointed Ambassador and as a senior participant in a vital and important aspect of Arab Israeli relations in the modern era providing a personal insight into the period when Egypt and Israel entered into an era of peace **Israeli-Egyptian Relations 1980-2000** Ephraim Dowek,2001 17 Presidents and Prime Ministers 18 Egypt Israel and the World 19 Peace

**Israel's Mediterranean Gas** Sujata Ashwarya,2019-05-03 This book examines the internal and external implications of Israel's natural gas discoveries in the Eastern Mediterranean The nation's changed status from being an importer of coal and oil to that of an exporter of natural gas has consequences not only for the energy sector but also for the fragile geopolitics of the region The book Explores the challenges and issues of energy economics and governance Analyses Israel's gas diplomacy with its neighbours in the Middle East and North Africa and its potential positive impact on the amelioration of the Arab Israeli conflict Studies how Israel can avoid the deleterious impact of the Dutch disease once the government's share of the export revenues start flowing The author traces a consummate picture of history politics and conflicts that shape the economics of energy in Israel and its future trajectories A major intervention in Middle East studies this volume will be of great interest to scholars and researchers of energy studies development studies strategic studies politics diplomacy and international relations It will also be of interest to government agencies think tanks and risk management firms      **Egypt and the United Nations, 1945-2000** ,2001      **Egypt, a Country Study** Richard F. Nyrop,1983 General study of Egypt covers history demographic aspects and geographical aspects social structure minority groups religious practices education health the economy agricultural sector agrarian reform industrial sector banking trade government politics international relations military service defence administration of justice includes texts of peace treaties with Israel Bibliography glossary maps organigram photographs statistical tables      Transformation processes in Egypt after 2011 Radoslaw Fiedler,Przemyslaw Osiewicz,2015-08-17 The main advantage of this monograph is that it attempts to conduct the most up to date analysis possible of the present political situation in Egypt and the Middle East Therefore we receive a monograph which allows us not only to look at the Arab Spring from a historical perspective but primarily to reflect on the consequences of these past events that it was hoped would spark political reforms in Arab states and facilitate greater public participation in the system of governance Thus this publication allows the verification of many of the judgments and opinions expressed during the Arab Spring on the possible direction of development of the political processes initiated by the massive social revolts in Arab countries      *International Law and the Arab-Israeli Conflict* Robbie Sabel,2022-04-28 Drawing upon Robbie Sabel's first hand involvement with many legal negotiations in the Arab Israeli conflict International Law and the Arab Israeli Conflict examines international law in relation to the conflict by analysing its major events and agreements both historical and contemporary Outlining the role of international law from the collapse of the Ottoman Empire until the present day it considers the legal elements of the various peace treaties that Israel has signed with its neighbouring Arab States Using his expertise as a professor practitioner and ambassador Sabel endeavours to represent both sides of the conflict offering a wealth of counter arguments and adding his own legal interpretations With this valuable resource students and researchers working within a range of disciplines can fully appreciate the role of international law in the Arab Israeli conflict

*Menachem Begin and the Israel-Egypt Peace Process* Gerald M. Steinberg, Ziv Rubinovitz, 2019-02-27 This political biography sheds new light on the vital role played by the Israeli Prime Minister in establishing peaceful relations with Egypt. Focusing on the character and personality of Menachem Begin, Gerald Steinberg and Ziv Rubinovitz offer a new look into the peace negotiations between Israel and Egypt in the 1970s. Begin's role as a peace negotiator has often been marginalized but this sympathetic and critical portrait restores him to the center of the diplomatic process. Beginning with the events of 1967, Steinberg and Rubinovitz look at Begin's statements on foreign policy including relations with Egypt and his role as Prime Minister and chief signer of the Israel-Egypt peace treaty. While Begin did not leave personal memoirs or diaries of the peace process, Steinberg and Rubinovitz have tapped into newly released Israeli archives and information housed at the Jimmy Carter Presidential Library and the Begin Heritage Center. The analysis illuminates the complexities that Menachem Begin faced in navigating between ideology and political realism in the negotiations towards a peace treaty that remains a unique diplomatic achievement.

Egypt's Identities in Conflict Girgis Naiem, 2018-01-25 Egypt's lack of a common national identity is the basis for much of its internal conflict. Coptic Christians have been particularly affected. Once major contributors to Christian civilization, their influence ended with the fifth-century Council of Chalcedon and they endured persecution. With the seventh-century Arabization of Egypt, Copts were given dhimmi or protected persons status. The 1919 Revolution granted them greater political participation but the 1952 Revolution ended liberal democracy and established a military regime that championed Arab identity. Secular Egyptians rebelled against the Mubarak regime in 2011 yet his successor was the Muslim Brotherhood's Mohamed Morsi, Egypt's first Islamist president. In yet another revolution over national identity, secular factions ousted Morsi in 2013 while in the chaos that followed the Copts suffered the brunt of violence.
