Krak,2007-09 Definitely an exceptional read for that special person who wishes to laugh also enjoy life to it s fullest You can also have a few tears fall while reading Answers Alan Kohls,2015-07-31 Who is Andrew Elric and whats he doing here Says hes here with answers As Andrew would explain it We live our lives shrouded with mysteries Were compelled to show faith in explanations that we really dont believe inthe origins of our being the nature and existence of God are we alone in the universe Less weighty issues as well as stuff wed just like to knowwho really shot Kennedy What happened to Jimmy Hoffa You think about it and know there really are answers to all of it but you dont have access to them Ive got those answers and more importantly proof for all of it Some of it you can hold in your hand You follow the news you know this place is going to blow Im here to try and stop it Religion race nationalism We all come from the same place But the world has suffered through too many charlatans and false prophets Im going to use these proofs to get you savages to settle down Andrew has recruited renowned attorney author and sports agent Aron Samuelson to help him get the word out Aron in the throes of a midlife crisis is looking for the next big thing in his life As they say be careful what you wish for **Land** Lawrence Klepinger,2013-05-06 Under All is the Land Owning land is the American Dream defending it against those who conspire to steal it from you a nightmare In a compelling saga about a man who is determined to protect what is rightfully hisat all coststhe uniquely American Spirit of fighting insurmountable odds comes full circle climaxing in an ending that is totally unpredictable and emerging as what many have called a modern day classic in the truest sense of the word From the action packed first chapter you will find yourself engrossed in a tale that will keep you guessing as to the final outcome until the very end Once a Marine Ralph T. Eubanks,2008-08 The events of World War II thrust young Marine Corps recruit Ralph T Eubanks into a world he could not have imagined as a boy growing up on a farm in western Arkansas This firsthand account of his experiences based on recollections research and numerous letters to his family and sweetheart back home chronicles the tense and uncertain years of his service in the Marines Eubanks describes his admiration for the traditions and glorious history of the Marine Corps that convinced him to join We follow the adventures of this young recruit through his weeks of boot camp intense training as an aviation ordnanceman service in the Pacific combat zone marriage to Betty Carty trials of officer candidate school preparations and execution of the occupation of Japan and his eventual return to civilian life Along the way the farm boy from Arkansas is transformed into a model soldier who lives the maxim once a Marine always a Marine the rest of his life This is a rare glimpse into the everyday trials of a World War II Marine during one of our country s most trying periods A New Gomorrah Elizabeth Kinzer O;Farrell,2009-08-26 The story in the New Gomorrah is about a Midwestern city so steeped in crime and corruption that a new minister Reverend Dr David Chandler at a prestigious church on Park Avenue feels he must do something about it In a challenging sermon he compares it to Gomorrah the ancient city of biblical times destroyed by fire

because of its evil ways His compelling words are heard by Paul Chedder a cynical now burned out but once highly regarded investigative reporter for The Daily Chronicle the city's only daily newspaper Dr Chandler is popular among the young people in the church and has learned about the drug trafficking on the local college campus He is furious to hear about the gambling and prostitution rampant in the city the running of crap games at the American Legion Hall and berates local authorities for doing nothing about the bookie operation next to the Civic Center He decides to bring such matters to the attention of his congregation in his sermon The city's crime problems expand with the assassination of the drug kingpin and Paul's ongoing private investigations into a nursing home swindle the possibility of corruption in City Hall the death of two young reporters working with him and his own near death at the hands of the assassin While Paul is recuperating the trusted members of the citizens committee decide to share Paul's suspicions of the Mayor's involvement with the trusted District Attorney working together to get crime off of the streets
