Eight Years In Congress Memoir And Speeches Of Samuel S Cox:

Eight Years in Congress Samuel S. Cox, 2014-03 This Is A New Release Of The Original 1865 Edition **Eight Years in Congress, from 1857 to 1865. Memoir and Speeches. by Samuel S. Cox** Samuel Sullivan Cox, 2004-01-01 **Eight Years in Congress, From 1857-1865** Samuel Sullivan Cox, 2015-06-16 Excerpt from Eight Years in Congress From 1857 1865 Memoir and Speeches Eight Years in Congress from 1857 1865 Memoir and Speeches was written by Samuel Sullivan Cox in 1865 This is a 448 page book containing 263339 words Search Inside is enabled for this title About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Dictionary of Books relating to America, From its Discovery to the Present Time. Joseph Sabin, 2025-09-29 Reprint of the original first published in 1873 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage A Dictionary of Books Relating to America, from Its Discovery to the Present Time Joseph Sabin, 1873 **The Field of Blood** Joanne B. Freeman, 2018-09-11 One of the best history books I've read in the last few years Chris Hayes The Field of Blood recounts the previously untold story of the violence in Congress that helped spark the Civil War A NEW YORK TIMES NOTABLE BOOK OF THE YEAR AN NPR BEST BOOK OF THE YEAR ONE OF SMITHSONIAN'S BEST HISTORY BOOKS OF THE YEAR Historian Joanne B Freeman recovers the long lost story of physical violence on the floor of the U S Congress Drawing on an extraordinary range of sources she shows that the Capitol was rife with conflict in the decades before the Civil War Legislative sessions were often punctuated by mortal threats canings flipped desks and all out slugfests When debate broke down congressmen drew pistols and waved Bowie knives One representative even killed another in a duel Many were beaten and bullied in an attempt to intimidate them into compliance particularly on the issue of slavery These fights didn't happen in a vacuum Freeman's dramatic accounts of brawls and thrashings tell a larger story of how fisticuffs and journalism and the powerful emotions they elicited raised tensions between North and South and led toward war In the process she brings the antebellum Congress to life revealing its rough realities the feel sense and sound of it as well as its nation shaping import Funny tragic and rivetingly told The Field of Blood offers a front row view of congressional mayhem and sheds new light on the careers of John Quincy Adams Henry Clay and other luminaries as well as introducing a host of lesser known but no less fascinating men The result is a fresh understanding of the workings of American democracy and the bonds of Union on the eve of their greatest peril **Class List** , 1905 *Bibliotheca Americana*, 1893 Clarke, firm,

booksellers, Cincinnati, 1893 Troubled Waters Paul F. Paskoff, 2007-12-01 In *Troubled Waters* Paul F. Paskoff offers a comprehensive examination of the federal government's river improvements program which aimed to reduce hazards to navigation on the great rivers of America's interior during the early and mid nineteenth century. Danger on the rivers came in a variety of forms: Shoals, rapids, ice, rocks, sandbars, and uprooted trees, and submerged steamboat wrecks lodged in river beds were the most common perils and accounted for the largest number of steamboat disasters. This daunting array of river hazards required a similarly broad range of efforts to remove or at least ameliorate them. Against a variety of obstacles, natural, political, and technological, the river improvements program succeeded in reducing the rate of steamboat loss even as steamboat traffic dramatically increased. Its success, Paskoff argues, demonstrates that the federal government was far more active than generally thought in promoting economic growth and development in the years leading up to the Civil War. The river improvements program was one of the most volatile issues in national, sectional, and state politics, touching on questions of economic development, constitutional law, partisan politics, and sectional rivalry. Paskoff examines the controversial program from its beginnings during the early republic to 1844, giving careful attention to the policies of Andrew Jackson's administration. He explores the array of objections to the program, some grounded in a strict interpretation of the Constitution and others in a concern over alleged federal wantonness, corruption, and waste, and follows the political story through the administration of James K. Polk forward to secession. Paskoff also explains the fiscal, economic, and technological aspects of the hazard problem and its solution, analyzing the federal government's fiscal condition, its capacity to undertake such an ambitious program, and the influence of conditions in the larger economy, including effects of the Mexican War upon the federal government's finances. Paskoff's lively analysis rests on a bedrock of impressive quantitative evidence, including databases containing every documented steamboat wreck, more than 1,200 on American rivers, lakes, and coastal waters; construction and engine data for more than 600 steamboat packets; and all relevant federal appropriations and expenditures. Measures more than 2,300 spending projects in all. Vigorously researched and vividly told, *Troubled Waters* is an essential contribution to the history of internal improvements in the antebellum United States. **The Civil War Literature of Ohio**

Daniel Joseph Ryan, 1911 **Reelecting Lincoln** John C. Waugh, 2009-04-30 Here from the author of the acclaimed book *The Class of 1846* is the dramatic story of what may have been the most critical election campaign in American history. Taking place in the midst of the Civil War, the election of 1864 would determine the very future of the nation: Would the country be unified or permanently divided? Would slavery continue? Weaving rich anecdotal material into a fast-paced narrative, John C. Waugh places this pivotal election in its historical context while evoking its human drama. The men and women who figured in this epic campaign, most notably Lincoln himself, emerge with all their strengths, weaknesses, and idiosyncrasies. It's an inherently dramatic story, and one that has been told before. But never quite so well as by John C. Waugh, who brings to his task the keen eye for detail and scene setting that one would expect from a career reporter, said the *Wall Street Journal*.

Drawing on an extensive array of sources including published and unpublished reminiscences memoirs autobiographies letters newspapers and periodicals Waugh re creates that fateful year with all the immediacy of a political reporter covering a national presidential election today **Catalogue of the Pennsylvania State Library** Pennsylvania State Library,1873

Author - Title Catalog University of California, Berkeley. Library,1963 *Catalogue of the Library of the United States Senate* United States. Congress. Senate. Library,1916 Righteous Strife Richard Carwardine,2025-01-21 The first major account of the American Civil War to give full weight to the central role played by religion reframing the conflict through Abraham Lincoln s contentious appeals to faith based nationalism How did slavery figure in God s plan Was it the providential role of government to abolish this sin and build a righteous nation Or did such a mission amount to religious tyranny and pulpit politics in an effort to strip the southern states of their God given rights In 1861 in an already fracturing nation the tensions surrounding this moral quandary cracked the United States in half and even formed rifts within the North itself where antislavery religious nationalists butted heads with conservative religious nationalists over their visions for America s future At the center of this melee stood Abraham Lincoln who would turn to his own faith for guidance proclaiming more days of national fasting and thanksgiving than any other president before or since These pauses for spiritual reflection provided the inspirational rhetoric and ideological fuel that sustained the war In Righteous Strife Richard Carwardine gives renewed attention to this crucible of contending religious nationalisms out of which were forged emancipation Lincoln s reelection and his second inaugural address No understanding of the American Civil War is complete without accounting for this complex dance between church and state one that continues to define our nation From Property to Person Silvana R. Siddali,2005-03-01 Most historians accept the proposition that in the first two years of the Civil War the North s primary aim was to reestablish the Union and the Constitution not to emancipate slaves But when northerners began clamoring for the confiscation of southern land and slaves as a punitive military and revenue raising tactic the constitutional right to personal property particularly human property came into question In From Property to Person Silvana R Siddali traces the resulting discourse among northern voters politicians military leaders and President Lincoln elucidating how emancipation ultimately became an essential political cause in the North After the outbreak of civil war many northern citizens demanded that slaves be seized as contraband without necessarily endorsing their emancipation Siddali examines the public and political debates in the North over southerners private property rights and explains how these deliberations set in motion the first major reconsideration of the Constitution since the Bill of Rights Fundamental questions arose Who had the right to control the war effort What were the rights of rebellious citizens in a democratic Republic How did one define human bondage that is implicitly protected in the nation s founding documents Would the destruction of slavery irreparably damage the Constitution Through the two Confiscation Acts of 1861 and 1862 the author argues Americans worked out a conundrum between property rights and constitutionally protected civil liberties The right of all human beings to freedom now trumped white

southerners right to human property In a rich analysis of editorials pamphlets letters and congressional speeches From Property to Person reveals the swift transformation in rhetoric concerning the Constitution and its protection of private property rights The Confiscation Acts paved the way for the Reconstruction Amendments by fostering support for a broader reach by the federal government into private property rights and envisioning a new interpretation of an individual citizen s rights and obligations **Annual Report of the Trustees of the State Library** New York State Library,1865

Documents of the Assembly of the State of New York New York (State). Legislature. Assembly,1867 *Annual report*
New York State Library (Albany, NY),1867 Fortyseventh Annual Report of the Trustees of the New York State Library
New York State Library,2022-03-24 Reprint of the original first published in 1865
