**Beyond Dealmaking** Melanie Billings-Yun,2010-01-26 Getting to yes is not the same as getting results In Beyond Dealmaking international negotiation expert and mediator Melanie Billings Yun shows that the key to winning unbeatable long term results in today s complex economic landscape is to negotiate solid long term relationships Traditionally negotiation has been approached as an isolated activity separate from the business relationship But those who focus only on getting the deal closed often find their victory doesn t translate into sustainable profits Any deal is as fragile as the paper it s written on Countless disputes arise and deals easily collapse when the negotiation process leaves one party unhappy feeling forced into unfair terms or even disgruntled at a change in circumstances In five clear steps Billings Yun takes the pain and fear out of negotiation with her proven GRASP method showing how to Understand the Goals of all parties beyond the immediate deal Develop Routes to maximize mutual benefit and promote synergy among the parties Build openness trust and common understanding through valid Arguments Benchmark Substitutes to keep relationships from growing stale or one sided Increase your Persuasion through empathetic communication and genuine care Filled with real life examples of negotiations that have gone right and wrong this groundbreaking book shows how fairness honesty empathy

flexibility and mutual problem solving lead to sustainable success By following the powerful five step GRASP negotiation process anyone can learn to negotiate in a way that is positive exciting and rewarding Most importantly they will learn that the greatest victories come not through fighting battles but through building alliances

**How to Click with People** Rick Kirschner, 2011-07-05 The Secret to Building Better Relationships in Business and in Life With some people you just click The connection is quick and easy Communication flows You can tell them anything and they know just what you mean When you connect in this way you feel understood and accepted for who you really are You get these people and they get you We think of this connection as an instantaneous thing something that either happens or doesn't Not so says author Dr Rick Kirschner This connection isn't a magical phenomenon it's a communication skill that can be learned with specific steps and techniques Based on the author's three decades of experience as an interpersonal communication expert How to Click with People will show you how to Recognize and respond effectively to the four basic communication styles everyone uses Speak the same language as the person you're talking to whether emotional or intellectual Connect in a digital age ruled by e-mail and social media Master the 7 Signals that will make you and your ideas click with others Troubleshoot the nine obstacles that could be in your way and learn how to avoid or overcome them In the end Kirschner argues that these skills are crucial because success has less to do with professional knowledge than with the ability to express ideas to assume leadership and to arouse enthusiasm among people In this How to Win Friends and Influence People for the twenty first century he gives readers the advice and insights they need to strengthen their relationships and take charge of their future
