The Lost and the Blind Declan Burke, 2015-04-01 A mystery in modern day rural Ireland may have roots in World War II in this thriller by a fine dramatic writer and storyteller Booklist The elderly German Karl Uxkull was either senile or desperate for attention Why else would he concoct a tale of Nazi atrocity on the remote island of Delphi off the coast of Donegal And why now sixty years after the event just when Irish American billionaire Shay Govern has tendered for a gold prospecting license in Lough Swilly Journalist Tom Noone doesn't want to know With his young daughter Emily to provide for and a new ghostwriting commission for Shay Govern's biography the timing is all wrong Besides can it be mere coincidence that Karl Uxkull's tale bears an uncanny resemblance to a thriller written by spy novelist Sebastian Devereaux the reclusive English author who has spent the past fifty years holed up on Delphi But when a body is discovered drowned Tom and Emily find themselves running for their lives in pursuit of the truth that is their only hope of survival Burke has a real knack for dialogue and phrasing Publishers Weekly Readers will be rewarded with an unholy Chinese box of a thriller Make that an Irish German box Kirkus Reviews

Guilt Rules All Elizabeth Mannion, Brian Cliff, 2020-09-17 Irish crime fiction long present on international bestseller lists has been knocking on the door of the academy for a decade With a wide range of scholars addressing some of the most essential Irish detective writing Guilt Rules All confirms that this genre has arrived The essays collected here connect their immediate subjects contemporary Irish crime writers to Irish culture literature and history Anchored in both canonical and emerging themes this

collection draws on established Irish studies discussions while emphasizing what is new and distinct about Irish crime fiction. **Guilt Rules** All considers best sellers like Adrian McKinty and Liz Nugent as well as other significant writers whose work may fall outside of traditional notions of Irish literature or crime fiction. The essays consider a range of themes among them globalization, women and violence and the Troubles across settings and time frames allowing readers to trace the patterns that play a meaningful role in this developing genre.

Irish Crime Fiction Brian Cliff, 2018-04-19 This book examines the recent expansion of Ireland's literary tradition to include home grown crime fiction. It surveys the wave of books that use genre structures to explore specifically Irish issues such as the Troubles and the rise and fall of the Celtic Tiger as well as Irish experiences of human trafficking, the supernatural, abortion and civic corruption. These novels are as likely to address the national regulation of sexuality through institutions like the Magdalen Laundries as they are to follow serial killers through the American South or to trace international corporate conspiracies. This study includes chapters on Northern Irish crime fiction novels set in the Republic, women protagonists and transnational themes and discusses Irish authors' adaptations of a well loved genre and their effect on assumptions about the nature of Irish literature. It is a book for readers of crime fiction and Irish literature alike illuminating the fertile intersections of the two.

The Contemporary Irish Detective Novel Elizabeth Mannion, 2016-05-30 Irish detective fiction has enjoyed an international readership for over a decade appearing on best seller lists across the globe. But its breadth of hard boiled and amateur detectives, historical fiction and police procedurals has remained somewhat marginalized in academic scholarship. Exploring the work of some of its leading writers including Peter Tremayne, John Connolly, Declan Hughes, Ken Bruen, Brian McGilloway, Stuart Neville, Tana French, Jane Casey and Benjamin Black, **The Contemporary Irish Detective Novel** opens new ground in Irish literary criticism and genre studies. It considers the detective genre's position in Irish Studies and the standing of Irish authors within the detective novel tradition.

Eightball Boogie Declan Burke, 2006 Harry Rigby est un journaliste miteux qui occupe un bureau dans le vieux quartier d'une ville du Nord-Ouest de l'Irlande. Il est prêt tout pour décrocher un scoop. Aussi quand l'un de ses contacts lui donne rendez-vous sur les lieux d'un crime, il n'hésite pas. La victime, pouse du politicien Tony Sheridan, a eu la gorge tranchée. Harry s'aperçoit vite qu'enquêter sur cette affaire ne va pas être une promenade de santé. Scandale immobilier, trafic d'ecstasy et autres drogues inquiètent tant les groupes paramilitaires tout est réuni pour lui compliquer la vie. Et le retour de Gonzo, son redoutable frère qui n'avait pas donné signe de vie depuis près de quatre ans, ne va pas arranger les choses. Ce premier roman prouve que Declan Burke a lu ses classiques américains. Mais à l'instar de Ken Bruen ou de Colin Bateman, il manie humour, made in Ireland, la fois tonique et décalé.
