The Oxford Handbook of British Poetry, 1660-1800 Jack Lynch, 2016-11-24 In the most comprehensive and up to date overview of the poetry published in Britain between the Restoration and the end of the eighteenth century forty four authorities from six countries survey the poetry of the age in all its richness and diversity serious and satirical public and private by men and women nobles and peasants whether published in deluxe editions or sung on the streets. The contributors discuss poems in social contexts poetic identities poetic subjects poetic form poetic genres poetic devices and criticism. Even experts in eighteenth century poetry will see familiar poems from new angles and all readers will encounter poems they've never read before. The book is not a chronologically organized literary history nor an encyclopaedia nor a collection of thematically related essays rather it is an attempt to provide a systematic overview of these poetic works and to restore it to a position of centrality in modern criticism.

The Wiley-Blackwell Encyclopedia of Eighteenth-Century Writers and Writing 1660 - 1789 Paul Baines, Julian Ferraro, Pat Rogers, 2010-12-28 *The Wiley Blackwell Encyclopedia of Eighteenth Century Writers and Writing 1660 1789* features coverage of the lives and works of almost 500 notable writers based in the British Isles from the return of the British monarchy in 1660 until the French Revolution of 1789. Broad coverage of writers and texts presents a new picture of 18th century British authorship. Takes advantage of newly expanded eighteenth century canon to include significantly more women writers and labouring class writers than have traditionally been studied. Draws on the latest scholarship to more accurately reflect the literary achievements of the long eighteenth century.

Women and Poetry 1660-1750 S. Prescott, D. Shuttleton, 2003-09-09 The specially commissioned essays in *Women and Poetry 1660 1750* address the multiplicity of female poetic practice and the public image of the woman poet between the Restoration and mid eighteenth century. The volume includes biographically informative accounts of individual poets alongside detailed essays which discuss the different contexts and poetic traditions shaping women's poetry in this key period in literary history.

Germaine Greer into one accessible volume aimed at both students and specialist readers *Teaching British Women Writers, 1750-1900* Jeanne Moskal, Shannon R. Wooden, 2005 The exuberant recovery from obscurity of scores of British women writers has prompted professors and publishers to revisit publication of women's writings New curricular inclusion of these sometimes quirky often passionate writers profoundly disrupts traditional pedagogical assumptions about what constitutes literature This book addresses this radically changed educational landscape offering practical proven teaching strategies for newly recovered writers both in special topics courses and in traditional teaching environments Moreover it addresses the institutional issues confronting feminist scholars who teach women writers in a variety of settings and the kinds of career altering effects the decision to teach this material can have on junior and senior scholars alike Collectively these essays argue that teaching noncanonical women writers invigorates the curriculum as a whole not only by introducing the voices of women writers but by incorporating new genres by asking new questions about readers assumptions and aesthetic values and by altering the power relations between teacher and student for the better Women, Writing and the Public Sphere, 1700-1830 Elizabeth Eger, 2001-01-04 An international team of specialists examine the dynamic relation between women and the public sphere **Literary Research and the British Eighteenth Century** Peggy Keeran, Jennifer Bowers, 2013-02-21 The 18th century in Britain was a transition period for literature Patronage either by a benefactor or through subscription lingered even as the publishing and bookselling industries developed The practice of reviewing books became well established during the second half of the century with the first periodical founded in 1749 For the literary scholar these gradual changes mean that different search strategies are required to conduct research into primary and secondary source material across the era *Literary Research and the British Eighteenth Century* addresses these unique challenges It examines how the following all contribute to the richness of literary research for this era book and periodical publishing a growing literate society dissemination of literature through salons private societies and coffee houses the growing importance of book reviews the explosion of publishing and the burgeoning of primary source material available through new publishing and digital initiatives in the 21st century This volume explores primary and secondary resources including general literary research guides union library catalogs print and online bibliographies scholarly journals manuscripts and archives 18th century books newspapers and periodicals contemporary reception and electronic texts and journals as well as Web resources Each chapter addresses the research methods and tools best used to extract relevant information and compares and evaluates sources making this book an invaluable guide to any literary scholar and student of the British eighteenth century **Poetic Sisters** Deborah Kennedy, 2013 In *Poetic Sisters* Deborah Kennedy explores the personal and literary connections among five early eighteenth century women poets Anne Finch Countess of Winchelsea Elizabeth Singer Rowe Frances Seymour Countess of Hertford Sarah Dixon and Mary Jones Richly illustrated and elegantly written this book brings the eighteenth century to life presenting a diverse range of material from serious religious poems to

amusing verses on domestic life The work of Anne Finch author of *A Nocturnal Reverie* provides the cornerstone for this well informed study But it was Elizabeth Rowe who achieved international fame for her popular religious writings Both women influenced the Countess of Hertford who wrote about the beauty of nature centuries before modern Earth Day celebrations Sarah Dixon a middle class writer from Kent had a strong moral outlook and stood up for those whose voices needed to be heard including her own Finally Mary Jones who lived in Oxford was praised for both her genius and her sense of humor *Poetic Sisters* presents a fascinating female literary network revealing the bonds of a shared vocation that unites these writers It also traces their literary afterlife from the eighteenth century to the present day with references to contemporary culture demonstrating how their work resonates with new generations of readers
