Edwardian Murders:

Edwardian Murders Roy Harley Lewis, 1989-01-01 Murder Houses of London Jan Bondeson, 2014-01-15 Which of London's most gruesome murders happened in your street And were they committed by Jack the Ripper the Kray twins the Blackout Ripper or Acid Bath Haigh **Snobbery with Violence** Marion Chesney, M. C. Beaton, 2004-05-16 Exposing a suitor's dishonorable intentions toward the daughter of a new client Harry Cathcart is hired by a wealthy marquis to solve a house party murder a case that is complicated by the host's desire to preserve discretion Notorious Murders of the Twentieth Century Stephen Wade, 2011-12-01 The word murder has always attracted widespread local and national media coverage Once known the story becomes the subject of discussion in a variety of places throughout the land Some grisly tales become part of a culture that lives on for generations whilst others even by some of the worst serial killers are soon forgotten In this book experienced crime historian Stephen Wade has gathered together a collection of murders covering the entire twentieth century Although famous in their own day most are now forgotten by the general public apart from the best true crime enthusiasts The first conviction for fingerprint evidence the last hanging in England and murderous husbands and wives are included but there are also mysteries unsolved killings and peculiar confessions Meet the man who poisoned his rival's scones a wrongful arrest and the acquittal of a good wife who shot her man dead There are even tales from the Isle of Man whose legislators continued to issue death penalties in the 1990s **Murder Houses of Greater London** Jan Bondeson, 2015-06-28 Which of Greater London's most gruesome murders happened in your street And were they committed by Graham Frederick Young the poisoner of the North Circular Road by the murderous Donald Hume or by that monster Dennis Nilsen Sometimes quiet suburban terraces hide the most terrible secrets Read about the Hampstead Triangle home to a surprising number of celebrated murders as well as another triangle of violent deaths in Kensal Rise and ponder some very mysterious unsolved murders Armed with this book and a good London map you will be able to do some murder house detection work of your own **The Murders in Great Diddling** Katarina Bivald, 2024-08-13 2024 Lillian Jackson Braun Edgar Award Nominee The best stories are the ones we didn't know needed to be told The small rundown village of Great Diddling is full of stories author Berit Gardner can feel it The way the villagers avoid outsiders the furtive stares and whispers in the presence of newcomers Berit can sense the edge of a story waiting to be unraveled and she's just the person to do it In fact with a book deadline looming over her and no manuscript not even the idea for a manuscript truth be told Berit doesn't just want this story She needs it Then while attending a village tea party Berit becomes part of the action herself An explosion in the library of the village's grand manor kills a local man and the resulting investigation and influx of outsiders sends the quiet rundown community into chaos The residents of Great Diddling each one more eccentric and interesting than any character Berit could have invented rewrite their own narrative and transform the death of one of their own from a tragedy into a new beginning Taking advantage of Great Diddling's new notoriety the villagers band together to

start a book and murder festival designed to bring desperately needed tourists to their town What they couldn't have predicted is how the new story they've begun to tell will change all their lives forever Uplifting charming and laugh out loud funny *The Murders in Great Diddling* by New York Times bestselling author Katarina Bivald is a celebration of the life changing magic of books and the people who love them Modern Murders Lee Michael-Berger, 2023-05-03 *Modern Murders* is the first comprehensive study of murder representations during the turn of the century drawing on previously neglected archival material to explore the intellectual cultural and artistic contexts of the period Most studies view the abundance of murder representations throughout the nineteenth century as an indicator of a supposedly typical Victorian appetite for sensation and melodrama *Modern Murders* however demonstrates the turn of the century's backlash against melodramatic and sensational representations of murder and reads them as an important component in the struggles for better aesthetic standards in art and entertainment and as a dominant feature in the debates on mass culture Through a plethora of visual and written texts representations of fictional and actual real life murders and high and popular forms of writing the volume considers the importance of murder in the elite claim to cultural authority versus its perception of plebian taste in the context of the democratization of culture This book will be of value to scholars and graduate students in a variety of research areas as well as general readers interested in the role of murder as a central trope in modern art and culture

Unsolved Murders In and Around Derbyshire Scott Lomax, 2009-10-15 There is no such thing as the perfect crime Yet within these pages are thirteen twentieth century murders whose perpetrators have so far escaped justice Some may still be alive cold cases awaiting new forensic leads but others have taken their chilling secrets to the grave Read about the strange theatrical vagrant found brutally murdered in a brick works Also about the unfortunate girl strangled to death in a derelict building at Christmas a taxi driver killed by his passenger on a lonely road a police officer's girl friend who was sexually assaulted and murdered on moorland the dreadful killing of a servant girl two men shot dead on a quiet highway the discovery of mysterious and suspicious skeletal remains and not least the callous murderers who allowed innocent men to be stand trial Famous modern cases are also explored based on new research The Barbara Mayo murder is still in the memory of many Derbyshire people as is the Stephen Downing miscarriage of justice A compelling read for anyone interested in true crime *Unsolved London Murders* Jonathan Oates, 2009-03-19 The real life murder mysteries that rocked London between two world wars from the author of *Unsolved Murders of Victorian and Edwardian London* Unsolved crimes have a special fascination none more so than unsolved murders The shock of the crime itself and the mystery surrounding it the fear generated by the awareness a killer on the loose the insight the cases give into outdated police methods and the chance to speculate about the identity of the killer after so many years have passed all these aspects of unsolved murder cases make them compelling reading In this companion volume to his bestselling *Unsolved Murders of Victorian and Edwardian London* Jonathan Oates has selected over twenty haunting sometimes shocking cases from the period between the two world wars

Included are the shooting of PC James Kelly in Gunnersbury violent deaths associated with Irish Republican Army conspiracies the stabbing of the French acrobat Martial Lechevalier in Piccadilly the strychnine poisoning of egg seller Kusel Behr the killing by arsenic of three members of a Croydon family and perhaps most gruesome of all the case of the unidentified body parts found at Waterloo Station Jonathan Oates describes each of these crimes in precise forensic detail His case studies shed light on the lives of the victims and summon up the ruthless sometimes lethal character of London itself

Unsolved Murders in South Yorkshire Scott Lomax,2013-05-02 Whilst the passage of time can and has uncovered many secrets killers could get away with their crimes in 1596 when Shakespeare penned these words and this is certainly the case in more recent times as Unsolved Murders in South Yorkshire clearly demonstrate The early chapters include cases of historic interest where killers certainly went to the grave in the knowledge they had got away with murder Cases include suspicious deaths which left detectives in South Yorkshire baffled but which were it would seem acts of callous murder which were not recognised as such due to dubious police opinions and practices There are also cases of clear murder such as a man shot in the head during the Victorian period whose killer was never identified The later chapters however feature more recent cold cases where there is still the possibility that the wicked men or women who were responsible for such acts of inhumanity may remain within our society Cases include a man murdered for less than 70 in a city centre multi storey car park a teenage girl abducted sexually assaulted and left dead on a dung hill a young mother who entered prostitution and died at the hands of a man with more than sex on his mind a pregnant woman who left home one day to go shopping but was found days later dead in a ditch with her throat cut and a disabled woman who was strangled in her home which was then set ablaze For some of these cases there is the chance that someone has information which despite the passage of decades could lead to one or more individuals standing trial for murder Justice can still prevail **Sick of Shadows** M. C.

Beaton,2010-04-01 From New York Times bestseller M C Beaton Imagine if the rebellious sister from Downton Abbey and her maid got mixed up in murder Captain Harry Cathcart and Lady Rose Summer have entered into an engagement of convenience convenient for Rose who wants to avoid being sent to India with all the other failed debutantes Despite her considerable good looks Rose s sharp intellect and radical ideas have served to repel her would be suitors Rose s parents unaware of the deception are hardly thrilled that their only child is marrying a man in trade but Harry comes from a good family and at the very least they hope he will keep their troublesome daughter out of mischief Unfortunately even a pretend engagement cannot save Rose from trouble Bored with endless parties teas and balls she befriends Dolly Tremain a beautiful young girl newly arrived from the country and overwhelmed by the demands of the Season Rose is delighted to have a prot g e but their friendship is cut tragically short when Dolly is found floating in a river Harry is summoned immediately to help solve the mystery of Dolly s death and to keep Rose from being the murderer s next victim Sick of Shadows is the exciting third book in M C Beaton s sparkling Edwardian Murder Mysteries Series **Murder Houses** of

South London Jan Bondeson, 2015-06-28 South London has a long and blood spattered history of capital crime and many of its murder houses still stand today There are many forgotten murders in South London where only the murder house remains Murder mysteries fill the pages of this book some of them celebrated crimes like the murder of Charles Bravo at Balham in 1876 Others remain forgotten tragedies like the murder of Jane Soper in the Borough in 1875 This book will take you on a journey through some of the most notorious crimes in South London including the Brixton Matricide the Battersea Tragedy and the Tooting Horror

A History of London's Prisons Geoffrey Howse, 2013-01-19 The author of The A Z of London Murders takes readers behind the bars of the city's numerous jails and tells the tales of their most infamous inmates London has had more prisons than any other British city The City's gates once contained prisons but probably the most notorious of all was Newgate which stood for over seven hundred years The eleventh century Tower of London was used as a prison for a variety of high profile prisoners from Sir Thomas More to the Krays Discover the background of a variety of historic places of incarceration such as the Clink the King's Bench Prison and debtors prisons such as the Fleet Prison and the Marshalsea Lost prisons such as the Gatehouse in Westminster Millbank Penitentiary Surrey County Gaol in Horseferry Lane the House of Detention Coldbath Fields Prison and Tothill Fields Bridewell Prison are also described in detail as are more familiar jails Holloway Pentonville Brixton Wandsworth and Wormwood Scrubs In A History of London's Prisons Geoffrey Howse delves not only into the intricate web of historical facts detailing the origins of the capital's prisons but also includes fascinating detail concerning the day to day life of prisoners from the highly born to the most despicable human specimens imaginable as well as those less fortunate individuals who found themselves through no fault of their own in the clink some soon becoming clients of the hangman or executioner

Hasty Death M. C. Beaton, 2007-04-01 Eager to join the working classes Lady Rose Summer has abandoned the comforts of her parents home to become self supporting But life as a working woman isn't quite what Rose had imagined long hours as a typist and nights spent in a dreary women's hostel are not very empowering when you're poor cold and tired Luckily for Rose her drudgery comes to a merciful end when she learns of the untimely death of an acquaintance Freddy Pomfret a silly and vacuous young man was almost certainly up to no good before he was shot dead in his London flat When Rose discovers incriminating evidence pointing to several members of her class she returns to London high society in order to investigate properly With the help of Captain Harry Cathcart and Superintendent Kerridge of Scotland Yard Rose prepares to do the social rounds uncovering a devious blackmail plot and an unexpected killer Set in Britain during the Edwardian world of parties servants and scandal M C Beaton's Hasty Death is a delightful combination of murderous intrigue and high society

Foul Deeds Around Crewe Peter Ollerhead, Susan Chambers, 2010-04-06 True accounts of crime and conspiracy over the centuries in this English railway town from highway robberies to modern day homicides includes photos Foul Deeds Around Crewe takes the reader on a fascinating journey through centuries of local crime and conspiracy meeting villains of all sorts along the way casual killers and robbers murderous husbands and lovers

prostitutes and poisoners This revealing book recalls many grisly events and sad or unsavory individuals whose conduct throws a harsh light on the history of Crewe and the surrounding countryside Among the many acts of wickedness the authors recall are shocking crimes from the recent past the daughter who poisoned her father a murder in a stately home two brothers who conspired to kill their father a mysterious ritual drowning and the killing of a policeman But they also cover in vivid detail the early criminal history of the area the theft of sheep cattle and horses crop wrecking rural assaults land disputes poaching and highway robbery The ruthless punishments meted out to convicted criminals public humiliation imprisonment the death penalty are an essential part of the story This chronicle of Crewe s hidden history the history the town would prefer to forget will be compelling reading for anyone who is interested in the dark side of human nature

Foul Deeds and Suspicious Deaths In & Around The Fens Glenda Goulden,2008-10-16 Discover this coastal plain in England and the crimes that have taken place there over the centuries The Fens of England thinly populated with isolated farmsteads has been the setting for a number of popular crime novels but it has also been the actual site of many horrific bloody and bizarre incidents This book takes a gripping look at the darker side of the area s history from crimes of callous premeditation to those born of passion or despair Included are tales of conspiracy robbery violence cruelty and murder that reveal a previously neglected side of Fenland society Unforgettable cases are featured a mother who murdered her son a police officer who hid the body of his mother a farmer brutally slain for his money a dustman who killed a local girl and the headless body of a woman who has never been identified Covering a wide range of human weakness and wickedness this chronicle of the hidden side of the Fens will be compelling reading for anyone who is interested in the sinister side of human nature and the social conditions that nurture it [Britain's Most Notorious Hangmen](#) Stephen Wade,2009-07-16 A

breathtaking history of Britain s executioners from the seventeenth court of King Charles II to the UK s last official hangman of the twentieth century In 1663 Jack Ketch delighted in his profession and gained notoriety not only because of those he executed dukes and lords but for how often he botched the job Centuries later in 1965 after nearly six hundred trips to the gallows Albert Pierrepoint retired as Britain s longest running executioner Between them are three hundred years in a fascinating history of crime and the turn off men who handled the penalties many of them criminals themselves doing the grim work to save their own necks Britain s Most Notorious Hangmen tells the stories of the men who plied their deadly trade at Tyburn tree or at the scaffolds in the prison yards across the country including such notable neck stretchers as Throttler Smith and the celebrated James Billington But true crime historian Stephen Wade explores the lives and crimes of many of the infamous killers that were hanged as well He also sheds light on the changing social norms of the country and the moral dilemmas that arose for hangmen tasked with performing what was once considered the most crowd pleasing free entertainment ever offered to the public **Foul Deeds & Suspicious Deaths in Cumbria** Nicholas Corder,2008-07-17

The criminal cases vividly described by Nicholas Corder in this gripping book take the reader on a journey into the dark

secret side of Cumbria's long history. The hills, villages and market towns of this famous landscape have been the setting for a series of horrific, bloody, sometimes bizarre incidents over the centuries. From crimes of brutal premeditation to crimes born of passion or despair, the whole range of human weakness and wickedness is represented here. Swindlers, conmen, smugglers, pirates, child killers, deserters, fraudsters, robbers and common murderers: people these pages along with their victims. There are descriptions of public executions and instances of extraordinary domestic cruelty and malice that ended in death. Unforgettable local cases are reconstructed: the extraordinary career of the imposter John Hatfield, the Whitehaven raid of John Paul Jones, the unsolved murder of poor Lucy Sands and many more. Nicholas Corder's chronicle of Cumbria's hidden history will be compelling reading for anyone who is interested in the sinister side of human nature.

Foul Deeds & Suspicious Deaths in Shrewsbury and Around Shropshire David J. Cox, 2008-10-16

Sixteen true crime cases with a connection to two West Midlands English towns from the Middle Ages to the early decades of the twentieth century. Criminal cases give us a fascinating, often harrowing insight into crime and the criminal mind, into policing methods and the justice system. They also tell us much about social conditions and attitudes in the past. And such cases make absorbing reading. David Cox's graphic account of 16 notorious cases in Shrewsbury and around Shropshire is a particularly strong and revealing study of this kind. Using newspaper reports, census returns and court records, he reconstructs each case in vivid detail. At the same time, he looks into the background of the crimes and into the lives of the criminals, and he describes the methods of detection and the punishments that were imposed. The cases he's chosen range in date from the medieval period to the twentieth century. Included are the case of the forger who had his ear nailed to a post, the father who killed his infant son with vitriol, the transportation of a seventy-year-old woman, the murder of an inmate in a lunatic asylum, a twentieth-century highway robber, and a VC winner involved in bigamy. The personal dramas David Cox explores in this book will be compelling reading for anyone who is interested in the sinister side of human nature and human weakness.

Foul Deeds & Suspicious Deaths in Doncaster

Stephen Wade, 2010-05-10 Doncaster has world wide fame as a railway town For many years the name was associated with engineering transport and of course coal But there is a darker aspect to its history The sinister side is explored through the research and writing of an experienced crime historian Sensational tales have been uncovered concerning a variety of dark deeds including a cloak and dagger meeting in an Elizabethan tavern and the murder of a Civil War leader Over the years Doncaster and district has been the scene of riots Suffragette militancy terrible domestic tragedies sad suicides and brutal murders The stories here range from the notorious Baccarat Scandal which shocked Victorian society to a betting room robbery at the races The author also reminds us about famous criminals associated with the town as well as a Prince and a hangman a notorious fraudster even a London playboy Shocking surprising at times chilling but true a new layer of the towns social history is now available for the first time but not for the feint hearted
