**Entertaining Ethics** Chad Painter, Lee Wilkins, 2021-03-11 The play s the thing wherein I ll catch the conscience of the king Shakespeare was repeating what the ancient Greeks had pioneered if you want to tell a moral lesson and have it remembered then make it entertaining Chad Painter and Lee Wilkins explore how popular culture explains media ethics and the philosophy that is key to solid ethical thinking Each chapter focuses on a key ethical concept anchors the discussion of that concept in a contemporary or classic accessible film analyzes decisions made in that film with other popular culture artifacts and grounds the analysis in appropriate philosophical thought The book focuses on core philosophical concepts of media ethics truth telling loyalty privacy public service media economics social justice advocacy and accountability as they are examined through the lens of narrative film television and music Discussion questions and online instructor materials further course applicability while the popular culture examples make ethical theory accessible and exciting for students and professors from a variety of academic backgrounds *Flawed Dogs* Berkeley Breathed, 2008-11-15 From the Pulitzer Prize winning creator of Bloom County comes the annual catalog of the fictional Last Chance Dog Pound riotously depicting imperfect dogs that are available for adoption Full color Equipping Space Cadets Emily Midkiff, 2022-04-19 Winner of the 2023 Science Fiction Research Association SFRA Book Award 2022 Longlist Nominee for the Best Non Fiction Award from the British Science Fiction Association Equipping Space Cadets Primary Science Fiction for Young Children argues for the benefits and potential of primary science fiction or science fiction for children under twelve years old Science fiction for children is often disregarded due to common misconceptions of childhood When children are culturally portrayed as natural and simple they seem like a poor audience for the complex scientific questions brought up by the best science fiction The books and the children who read them tell another story Using three empirical studies and over 350 children s books including If I Had a Robot Dog Bugs in Space and Commander Toad in Space Equipping Space Cadets presents interdisciplinary evidence that science fiction and children are compatible after all Primary science fiction literature includes many high quality books that cleverly utilize the features of children s literature formats in order to fit large science fiction questions into small packages In the best of these books authors make science fiction questions accessible and relevant to children of various reading levels and from diverse backgrounds and identities Equipping Space Cadets does not stop with

literary analysis but also presents the voices of real children and practitioners The book features three studies a survey of teachers and librarians quantitative analysis of lending records from school libraries across the United States and coded read aloud sessions with elementary school students The results reveal how children are interested in and capable of reading science fiction but it is the adults including the most well intentioned librarians and teachers who hinder children s engagement with the genre due to their own preconceptions about the genre and children
