Egalitarian Politics In The Age Of Globalization:

Egalitarian Politics in the Age of Globalization Craig N. Murphy, 2016-01-11 In recent years women's movements and democracy movements appear to have been more successful in promoting social equality than labour movements or development movements Wage gaps between men and women have narrowed New democracies have flourished Yet gaps between the rich and poor remain Do differences in organization and strategy account for the differences in outcomes Through in depth studies of the United States Eastern and Western Europe Latin America Africa China and north and southeast Asia the contributors to this volume provide some thought provoking answers *Egalitarian Politics in the Age of Globalization* Craig Murphy, 2003

Evolutionary Interpretations of World Politics William R. Thompson, 2016-05-06 The field of international relations is often stagnated in realism and liberalism Groundbreaking and guaranteed to stir debate this work will move the field of international relations beyond its current and often inadequate assumptions The contributors describe how states ideologies and other areas of analysis evolve conquer others or disappear entirely Change and the fluid nature of history though so clearly a part of historical reality are not so deeply embedded in other paradigms as they are in the variation and selection model of evolutionary international relations Some contributors lay out the various controversies inherent to the new theory while others apply the paradigm to specific problems in IR theory Regardless of the approach the presentation of this entirely new perspective and method succeeds in forming a new paradigm of international relations Contributors include William R Thompson George Modelski Vincent S E Falger David P Rapkin Jennifer Sterling Folker Hendrik Spruyt Stewart Patrick Paul Hensel Karen Rasler Craig N Murphy Jeffrey A Hart Sangbae and Brian Pollins

Public Policy in the Age of Globalization H. Hveem, K. Nordhaug, 2002-11-04 This book focuses on changes in environmental and economic policies in six developing countries It shows how domestic politics interact with international actors such as multilateral institutions It offers lively accounts of the behaviour of political actors interest groups and the civil society in particular environmentalists It shows how ideas such as those of neoliberal economics affect policymaking in particular during or after crisis but also how social protest and demands for sustainable development are mobilized **Civil**

Societies and Social Movements Ronnie D. Lipschutz, 2017-03-02 This volume offers an historical and comparative overview of the literature theory practices and critiques of what has been variously labelled global or transnational civil society which includes a broad range of non state actors political social and economic The volume includes an introductory essay that historicizes and problematizes the relationship of society to state and market and contextualizes the pieces in the volume while locating the literature in relationship to international relations political science and sociology **Parceling the Globe**, 2008-01-01 *Parceling the Globe* is a study in the processes of global democracy It offers an early answer to the question regarding our responsibility to others Through its organization it presents a partial understanding of the globalization process It determines the range of global behaviors and articulates the prospects for peace in a globalizing

environment **Turbulence and New Directions in Global Political Economy** J. Busumtwi-Sam,L.

Dobuzinskis,2002-11-26 James Busumtwi Sam and Laurent Dobuzinskis have assembled a leading team of experts in the field to examine how phenomena associated with globalization impact on political economy in theory and in practice The volume employs a variety of theoretical and analytical approaches to examine the very changeable nature of the global political economy in terms of academic analysis policy and practice **Global Encounters** G. Harrison,2004-11-09 How has

globalization impacted on development For Harrison the answer lies in the international political economy and the ways in which states have managed economic globalization from positions of strength or weakness Key themes emerge such as new geographies of development and the constant need for state economic action **Citizenship: Feminist Perspectives** Ruth Lister,2017-03-14 The second edition of this classic text substantially revises and extends the original so as to take account of theoretical and policy developments and to enhance its international scope Drawing on a range of disciplines and literatures the book provides an unusually broad account of citizenship It recasts traditional thinking about the concept so as to pinpoint important theoretical issues and their political and policy implications for women in their diversity Themes of inclusion and exclusion at national and international level rights and participation inequality and difference are thus all brought to the fore in the development of a woman friendly gender inclusive theory and praxis of citizenship **Global Restructuring and the**

Power of Labour Bill Dunn,2004-05-28 Bill Dunn considers and contests accounts of globalization and post Fordism that see structural economic change in the late Twentieth century as having fundamentally worsened the conditions and weakened the potential of labour Including a comparative survey of restructuring in four major industries automobiles construction microelectronics and finance the book suggests the timing of change and its complex and contradictory nature undermine structural explanations of labour s situation It redirects attention towards labour s political defeats and own institutional shortcomings *Political Globalization* Morten Ougaard,2003-11-25 Morten Ougaard provides a new and distinct theoretical perspective to the analysis of the globalization of politics The book analyzes global governance as the partial and uneven globalization of different aspects of statehood It focuses on the institutional infrastructure highlighting the role of the G7 OECD nexus in providing strategic leadership discusses an emerging global function of societal persistence or public goods governance and relations of power between social forces and finally it discusses American hegemonic leadership in the light of the dual power persistence perspective **Globalization and Change** Berch Berberoglu,2005-01-01 Globalization and

Change The Transformation of Global Capitalism explores the capitalist implications of globalization from a critical and historical perspective By looking at the contradictions inherent in globalization this book provides a thorough understanding of the labor issues behind and fight against the capitalist global economy **Critical International Political Economy** Stuart Shields,Ian Bruff,Huw Macartney,2011-02-01 Amidst the continued debate surrounding the foundations of IPE coupled with recent methodological and theoretical divides this book argues that an attempt should be made to re visit the notion of

the critical The challenge posed by contributors to this volume is to assess the development of so called critical IPE and interrogate whether the theoretical foundations it was built upon have reached their potential The essays in this volume take up this challenge in a number of different ways but all share a common concern to re assess the purpose of critical approaches reflect on why certain social theorists have been favoured as a point of departure yet others have largely been ignored In light of recent debates on the notion of a trans Atlantic divide within IPE the collection the contributors aim demonstrates how the distinction between the critical and the orthodox or empirical is only significant if the critical is geared towards a larger more substantial body of critical social enquiry and engages with what it means to conduct such enquiry

Globalization in the 21st Century B. Berberoglu,2010-04-12 This book examines the development and transformation of global capitalism in the late 20th and early 21st century It analyzes the dynamics and contradictions of the global political economy through a comparative historical approach based on class analysis After providing a critical overview of neoliberal capitalist globalization over the past three decades the book examines the emergence of new forces on the global scene and discusses the prospects of change in the global economy in a multi polar direction in the decades ahead The book concludes by focusing on the mass movements that are playing a central role in bringing about the transformation of global capitalism

The Political Economy of International Capital Mobility M. Watson,2007-07-03 Matthew Watson draws a distinction between the spatial and the functional mobility of capital allowing fresh insights into existing work on the subject whilst repoliticizing the very idea of capital being in motion The dynamics of capital mobility and the patterns of risk exposure are illustrated through four detailed global case studies **Health for Some** S. MacLean,S. Brown,P. Fourie,2015-12-11

Poverty and inequality are among the most significant determinants of health Increased inequality gaps associated with globalization have serious implications for global health Global changes in political economy shape global health influencing who bears the burden from epidemics unhealthy environments and lack of access to health care *Regions and Crises*

Lorenzo Fioramonti,2012-06-26 Investigates the intimate relationship between regional governance processes and global crises Analysing the current turmoil in the European Union it also looks at regional cooperation and integration in the Arab world Africa Asia and Latin America through topical case studies *Neoliberalism in Crisis* Henk Overbeek,Bastiaan van

Apeldoorn,2012-02-29 The authors interrogate the condition of the neoliberal project in the wake of the global crisis and neoliberalism s predicted death in 2007 both in terms of the regulatory structures of finance led capitalism in Europe and North America and the impact of new centres of capitalist power on global order **The Emergent Global Information**

Policy Regime S. Braman,2004-01-20 There is a struggle over governance of the global information network among national governments and international organizations corporations and NGOs elites and civil society The outcome will determine how we communicate the extent of our civil liberties and human rights the profitability of e commerce and the richness of cultural expression This collection looks at the processes by which the global information policy regime is being formed themselves in

conflict as a foundation for understanding its emergent features **The International Organization for Standardization (ISO)** Craig N. Murphy, Joanne Yates, 2009-01-13 The International Organization for Standardization ISO is the first full length study of the largest nongovernmental global regulatory network whose scope and influence rivals that of the UN system Much of the interest in the successes and failures of global governance focuses around high profile organisations such as the United Nations World Bank and World Trade Organisation This volume is one of few books that explore both the International Organization for Standardization s ISO role as a facilitator of essential economic infrastructure and the implication of ISO techniques for a much wider realm of global governance Through detailing the initial rationale behind the ISO and a systematic discussion of how this low profile organization has developed Murphy and Yates provide a comprehensive survey of the ISO as a powerful force on the way commerce is conducted in a changing and increasingly globalized world
