Egon Schiele Debins Et Aquarelles:

Egon Schiele Jane Kallir, 2003-04-29 Austrian Expressionist Egon Schiele produced a prolific body of work before his early death at the age of twenty eight in 1918 The oeuvre is comprised of a few hundred oil paintings and thousands of drawings and watercolors Schiele's oils have often been reproduced and are well recognized However limited access to the fragile works on paper and dispersion among several collections have made for an unbalanced representation of his work as a draftsman This book assembles drawings and watercolors from public and private collections and reproduces work from every year of the artist's career beginning with the juvenilia and early academic studies The focus means that work that is rarely reproduced is represented extensively providing a unique opportunity to study the rapid artistic development of Schiele over the course of his brief twelve year career The book is organized chronologically and divided into year by year sections Each section includes a text that discusses the major events in Schiele's life and the interrelation between the artist's drawing and developments in his oil painting Features a previously unpublished Schiele watercolor and several works that have never been reproduced in color

Schiele offre une possibilité unique de suivre l'évolution rapide de ce dessinateur hors pair au cours de ses douze années d'activité. Jane Kallir, auteur du catalogue raisonné de Schiele, présente la production de l'artiste année après année et analyse les étapes successives de sa progression depuis le dessinateur prodige qu'il fut enfant jusqu'au maître de la forme et de l'expression qu'il est devenu à la fin de sa courte vie. Dans ces travaux sur papier, Schiele explore avec une spontanéité encore plus expressive que dans sa peinture les thèmes qui le hantent : la misère sexuelle et la déchéance du corps, expressions des gouffres du moi intérieur et du malaise existentiel.
