Stealing Fire from Heaven Nevill Drury,2011 Despite the dramatic expansion of modern technology which defines and dominates many aspects of contemporary life and thought the Western magical traditions are currently undergoing an international resurgence In this overview of the modern occult revival Drury traces the rise of various forms of magical belief and practice The Horned God of the Witches Jason Mankey,2021-06-08 Explore the deep spiritual roots of the Horned God and discover rituals and activities designed to help you get closer to him An amazing treasure trove of information I could think of no better person to expand on this topic than acclaimed author Jason Mankey who has had a prominent connection to this deity for most of his magickal life In the book he explains this powerful figure as being representative of life death and everything in between Lilith Dorsey author of Water Magic Throughout history horned deities have been honored as gods of nature sex fertility passion sacrifice death and rebirth The Horned God of the Witches reveals the origins and features of their most common guises Pan Cernunnos Herne Elen of the Ways the Green Man and even the Devil Whether you are interested in the Wiccan Horned God a more contemporary composite of several deities or in one of his many other forms these rituals for meeting the powerful deity will help you achieve your magical goals With hands on techniques for divination creating an altar working magick spiritual lovemaking and receiving the gifts of the Witchfather this book supports a transformative deepening of your relationship to the divine Taking on both the perspectives of academic history and modern Witchcraft practice Mankey masterfully unfolds the stories of some of the Craft s most beloved masculine

deities From their mysterious origins to their place within the archetype of Horned God readers will find ways to connect with a handful of deities including Cerennunous Pan and Herne Kelden author of *The Crooked Path The Horned God of the Witches* is a tour de force of history myth academic research and spiritual practice all conveyed in Mankey s eminently approachable style The resulting book is a delight to read both an erudite treatise on modern Pagan theology and a passionate paean to its numinous divine subject the Horned One Misha Magdalene author of *Outside the Charmed Circle*

Women and Gender Issues in British Paganism, 1945-1990 Shai Feraro,2020-06-11 This book explores the ways in which changing views on gender and the place of women in society during the latter half of the twentieth century affected women s participation and standing within British Paganism More specifically it examines how British Wiccans and Wiccan derived Pagans reacted to the rise of second wave feminism and the Women s Liberation Movement in the UK with a special emphasis on the reception of feminist theory hailing from the USA and to the emergence of feminist branches of Witchcraft and Goddess Spirituality during the 1970s and 1980s The book draws on primary sources never before analyzed in an academic context and makes a valuable contribution to the growing body of knowledge on gender and religion during the twentieth century as very little research has been conducted on the relations between the history of modern Paganism and that of second wave feminism in the UK Wicca Ethan Doyle White,2015-10-01 The past century has born witness to a growing interest in the belief systems of ancient Europe with an array of contemporary Pagan groups claiming to revive these old ways for the needs of the modern world By far the largest and best known of these Paganisms has been Wicca a new religious movement that can now count hundreds of thousands of adherents worldwide Emerging from the occult milieu of mid twentieth century Britain Wicca was first presented as the survival of an ancient pre Christian Witch Cult whose participants assembled in covens to venerate their Horned God and Mother Goddess to celebrate seasonal festivities and to cast spells by the light of the full moon Spreading to North America where it diversified under the impact of environmentalism feminism and the 1960s counter culture Wicca came to be presented as a Goddess centred nature religion in which form it was popularised by a number of best selling authors and fictional television shows Today Wicca is a maturing religious movement replete with its own distinct world view unique culture and internal divisions This book represents the first published academic introduction to be exclusively devoted to this fascinating faith exploring how this Witches Craft developed what its participants believe and practice and what the Wiccan community actually looks like In doing so it sweeps away widely held misconceptions and offers a comprehensive overview of this religion in all of its varied forms Drawing upon the work of historians anthropologists sociologists and scholars of religious studies as well as the writings of Wiccans themselves it provides an original synthesis that will be invaluable for anyone seeking to learn about the blossoming religion of modern Pagan Witchcraft **Goddess Worship, Witchcraft, and Neo-Paganism** Craig Hawkins,2016-09-06 The twentieth century has seen a remarkable revival of the Old Religion as adherents of New paganism call the native religious

traditions of Europe and tribal traditions from North America that predated Christianity Many neo pagan groups identify with Celtic Druidic Egyptian Native American Norse or Roman traditions others with modern science fiction motifs and still others with witchcraft Neo paganism is occultic in nature A central figure in much of Neo paganism is the Mother Goddess who has been introduced and worshiped among certain feminists even in some mainline Protestant churches Why this series This is an age when countless groups and movements old and new mark the religious landscape in our culture leaving many people confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully these books provide essential information and insights for their spiritual journeys Each book has five sections A concise introduction to the group An overview of the group's theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood This is an age when countless groups and movements new and old mark the religious landscape in our culture As a result many people are confused or uncertain in their search for spiritual truth and meaning Because few people have the time or opportunity to research these movements fully the Zondervan Guide to Cults and Religious Movements series provides essential information and insights for their spiritual journeys The second wave of books in this series addresses a broad range of spiritual beliefs from non Trinitarian Christian sects to witchcraft and neo paganism to classic non Christian religions such as Buddhism and Hinduism All books but the summary volume Truth and Error contain five sections A concise introduction to the group being surveyed An overview of the group's theology in its own words Tips for witnessing effectively to members of the group A bibliography with sources for further study A comparison chart that shows the essential differences between biblical Christianity and the group Truth and Error the last book in the series consists of parallel doctrinal charts compiled from all the other volumes Three distinctives make this series especially useful to readers Information is carefully distilled to bring out truly essential points rather than requiring readers to sift their way through a sea of secondary details Information is presented in a clear easy to follow outline form with menu bar running heads This format greatly assists the reader in quickly locating topics and details of interest Each book meets the needs and skill levels of both nontechnical and technical readers providing an elementary level of refutation and progressing to a more advanced level using arguments based on the biblical text The writers of these volumes are well qualified to present clear and reliable information and help readers to discern truth from falsehood
