Economic Democracy Workers Participation In Chilean Industry 1970 1973 Studies In Social Discontinuity:

Economic Democracy Juan G. Espinosa, Andrew S. Zimbalist, 1981 **The Politics of Workers' Participation**

Evelyn Huber Stephens, 2013-10-22 *The Politics of Workers Participation: The Peruvian Approach in Comparative Perspective* presents a comparative analysis of the development of workers participation in a variety of politico economic systems in Peru to other countries in the world. The text focuses on the details of workers participation in politics and enterprise, empirical evidence substantiating that workers participation is an issue of fundamental political conflict and the social forces that promote and oppose workers participation as part of a transition to a new social order. Political scientists, economists, sociologists, and students will find the book invaluable. *Land Reform in Mexico: 1910—1980* Susan R. Walsh Sanderson, 2013-09-11 *Land Reform in Mexico 1910 1980* presents the workings of the Mexican government by analyzing actual policies, their implementation, and their outcomes in a significant and central sector of the Mexican economy: agriculture. This book discusses the pattern of Mexican redistribution policy in agriculture over an extensive period of time, with emphasis on the causes and effects of these policy shifts. Organized into eight chapters, this book begins with an overview of the agricultural policy and modernization strategy of Mexico. This text then relates regional variations in the rural social structure of the late 19th century to the history of Mexico's unique agricultural policy. Other chapters consider the policy shifts reflected in agrarian legislation by presidential period. This book discusses as well the politics of land reform and its linkages to local state and national administrations. The final chapter deals with the status of agricultural policy in Mexico during the 1980s. This book is a valuable resource for scholars and students with interest in Mexican politics. **Economic Sociology** Arthur L. Stinchcombe, 2013-10-02 *Economic Sociology* introduces the student to the main conceptions of economic sociology, illustrates the application of the concepts and theories of economic sociology, and critiques the growing literature that uses economic sociology in the explanation of macroscopic social phenomena, mostly deriving from the Marxist tradition. The book features chapters that discuss the ecological analysis of societies, how economic objectives get translated into requirements on social relations, the basic structure of claims on the flow of benefits from economic enterprises, the reproduction of relations of production, and the general problem of creating a set of roles for new generations to occupy in such a way as to reproduce the basic structure of the economic system and the shaping of the flow of children's socialization and placement and of adult careers so that the roles will be filled. The text will be interesting to political scientists, economists, and historians. **Poverty and Policy in American History** Michael B. Katz, 2013-09-03 *Poverty and Policy in American History* is about people who needed help in the nineteenth and early twentieth centuries. It is about the ways in which the perception of poverty and other forms of dependence affected the development of public programs and the conduct of voluntary reform. It also about the ways in which people have written about welfare. The book contains three chapters and opens with a description of the life and death of a poor family in early twentieth century Philadelphia based on

case records It attempts to show many of the themes in the lives of the poor through the close analysis of one extended example The second chapter moves back in time and consists of four case studies drawn from the project s empirical research The first case study takes up the history of a neglected institution the poorhouse The second case reports on a survey of the causes of pauperism undertaken by the New York Board of State Charities in the mid 1870s The third case analyzes a sample of the seven special schedules of the 1880 U S census which enumerated the defective dependent and delinquent population The final case uses a register of tramps from various places in New York State during the mid 1870s to assess the relation between popular images of tramps and what appeared to be their actual characteristics The third chapter uses the results of the project s research and other recent work on related topics to examine American historical writing about dependence as a field and offers a sympathetic critique

Sources and Methods of Historical Demography J.

Dennis Willigan,Katherine A. Lynch,2013-10-22 Sources and Methods of Historical Demography covers the fundamental sources methods and approaches to explanatory modeling for describing analyzing and understanding demographic features of past societies The book discusses the intellectual ancestry of historical demographic research beginning in the 17th century as well as the logic of basic techniques for reconstructing and analyzing information from fundamental source materials The text also describes the full range of disciplines that have made major contributions to historical demography and examples of empirical research The book concludes by arguing the case for conducting historical demographic research with a broad interdisciplinary ideal in mind Historians and sociologists will find the book invaluable

The Dynamics of Nazism Fred Weinstein,2014-04-11 The Dynamics of Nazism Leadership Ideology and the Holocaust focuses on the problems of theory and history in which the basic concern of psychoanalysis the subjective strivings and perceptions might be integrated with the basic concern of sociology the organized collective behavior This book contains four chapters and begins with a description of the principles and ideology of Nazism and the conservative intelligentsia The second chapter discusses the psychosocial bases of Hitler s appeal and the heterogeneity of his movement This chapter particularly emphasizes the emotional effect of Nazism events The third chapter looks into the traditional psychoanalytic orientations to social action during Hitler s leadership The fourth chapter treats the rationalizations of a shocking and bizarre racism social struggles and violence Psychoanalysts psychohistorians sociologists and psychologists will find this book a great value

Chile/ Harold Blakemore Harold Blakemore,1988

Fertility in Massachusetts from the Revolution to the Civil War Maris A.

Vinovskis,2013-10-22 Fertility in Massachusetts from the Revolution to the Civil War focuses on the socioeconomic determinants of fertility differentials and trends in Massachusetts from 1765 to 1860 The book provides useful insights into the nature of the development of Massachusetts in the late eighteenth and early nineteenth centuries Topics covered in the text include analysis of the differentials and trends in white fertility ratios at the national regional and state levels differentials and trends in mortality rates in Massachusetts impact of land scarcity and the role of urbanization and

industrialization on fertility relationship between modernization and changes in fertility in Massachusetts and the correlation of the decline of fertility in the West with the situation in developing countries Demographers sociologists historians researchers and economists will find the book interesting *Journal of Economic Literature* ,1978
