Economic Development Poverty Alleviation And Governance

Judd E. Hollander

Economic Development Poverty Alleviation And Governance:

Economic Development, Poverty Alleviation and Governance M. Adil Khan,1996 Argues that the quality of governance has been the key to the achievement of economic development and poverty alleviation in Bangladesh Malaysia and the Philippines Compares three poverty alleviation programmes and considers their success or failure in relation to their respective forms of governance Concludes that urgent measures involving civil service reforms accountability and transparency in decision making the strengthening of civil society and human resource development are required to achieve good governance economic development and poverty alleviation in most developing countries Covers trends from 1963 to 1990 **THE POWER DILEMMA: ORDER, DEVELOPMENT & GOVERNANCE** Farhang Morady,2023-02-28 The

Democratic Education Network DEN is a collaborative initiative involving academic colleagues and students that aims to organize and support students educational experiences at the University of Westminster DEN has inspired students to engage locally and globally This book is a co creation between the students and the academic colleagues who have worked collaboratively to design develop and publish it DEN represents a radical departure from some of the chalk and talk as e learning experiences in our higher education institutions Promotion of Rural Employment for Poverty Reduction ,2008

This report adopts a decent work perspective to approach the challenge of promoting employment and reducing poverty in rural areas by examining issues of employment social protection rights and social dialogue in rural areas in an integrated way **Strategic Management and Governance** Paul Joyce,2022-06-07 This book is an investigation into the evolving

nature and consequences of strategic management in public governance It is prompted by the practical as well as the academic interest in the application of strategic management to public governance and to the public sector The main features of this book are its management focus its use of published statistics and expert ratings to develop empirical insights into the capabilities and processes of strategic management in government and its concern for practical relevance Although this book deals with governments it is a management book and not a political book It is in fact a management book that frames strategic management in government as a tool of or enabler of the public governance process This is relatively novel The book s management focus has several themes which can be summed up as comprising the use by government of long term strategic visions and strategies effective management of the delivery of strategic visions and strategies the performance of national governments and the implications of strategic state capabilities for the quality of public services for sustainability and for managing strategic crises This book will be relevant reading to researchers scholars advanced students policy makers and public administrators in the fields of strategy strategic management and public governance Proceedings of the 2022 2nd International Conference on Economic Development and Business Culture (ICEDBC 2022) Yushi Jiang,Yuriy Shvets,Hrushikesh Mallick,2023-05-11 This is an open access book With the support of universities and the research of AEIC Academic Exchange Center The 2nd International Conference on Economic Development and Business Culture ICEDBC 2022

National Security, Democracy, & Good Governance in Post-Military Rule Nigeria, Volume One Dr. Dan Mou, 2016-12-30 This book shows that the security economic political and social problems challenging national security democracy and good governance currently in Nigeria would get better or worse depending on what happens to the seventy one percent 71% of Nigerias population still living below poverty line This is in spite of the billions of petrodollars that Nigeria garnered as revenue over the past few decades It reveals that one does not need to be a political prophet to predict that if these challenges are not successfully addressed through good governance and inclusive growth this country will witness the worst civil disobedience violence revolts militancy breakdown of law and order more kidnappings and more of the citizens trying to check out of the country to other parts of the world in future It concludes however that under such intense pressures the Government of Nigeria even if it is simply for its self preservation will be forced by the objective conditions to move against the interests of the dominant groups and classes in Nigeria These are the ones who have for long captured and hijacked state power and the resources of the country for their exclusive use

Governance and Intervention in Mali Susanna D. Wing, 2024-02-13 This book provides the historical and political context for the security interventions in Mali over the past three decades The work contextualizes external military engagement including that of the United States France the United Nations and G5 Sahel within the broader framework of weak democratic consolidation unmet development goals and increasing popular perceptions of widespread corruption in Mali Over the past three decades there have been four military coups in Mali the military coup in 1991 launched the Third Republic the 2012 coup toppled elected President Tour the 2020 coup overthrew the elected President Keita and the coup within a coup that ousted transitional President Bah Given the political context how do multiple international interventions relate to insecurity and instability in the country Drawing on the author s thirty years of research on Mali this work examines the relationship between external intervention in the country domestic actors and decentralization policies The book argues that external support has ignored the poor governance that is at the heart of the country s crises This book will be of much interest to students of intervention and statebuilding African politics and International Relations in general

Regressive Leadership and Governance Chizoba "Dr Zee" Ph. D. Madueke, 2010-06 At the heart of the litany of Nigeria s public sector problems is a

fundamental crisis of governance The current crisis of development in Nigeria can be attributed in part to a history of poor governance characterized by corruption social injustice and political instability Effective leadership and governance are critical to a country s economic and sociopolitical development During the 1950s and 1960s Nigerian public sector was regarded as one of the best in Africa today it is ranked among the worst in the world The factors isolated include ineffective control of corruption lack of rule of law poorly articulated government policies and poor policy implementations The implications for Nigeria have been a regressive leadership poor governance and the lack of social and societal development
