Strongman's His Name...What's His Game? Jerry Robeson,Carol Robeson,2000-01-01 How to Wage Spiritual Warfare in the Last Days An important spiritual law was revealed by Jesus in Luke 11 21 22 and Matthew 12 29 How can one enter into a strongman s house and spoil his goods except he first bind the strongman And then he will spoil his house Now instead of binding symptoms we can attack the sixteen strongmen or demonic spirits mentioned by name in the Bible If God names them they are real and He has given us dominion over them through the Name of Jesus In easy to understand language this book Teaches how to zero in on and quickly identify the strongman in every situation Illustrates each strongman by a tree showing the fruits or symptoms for quick identification Instructs how to bind the enemy and loose the power of God according to Matthew 18 18 Provides instant recognition when and where Satan is attacking our lives and the lives of those around us Shows that God wants us to be free from Satan s hassles so that we can reach this world for Christ Strongman s His Name What s His Game offers a scriptural balanced and uplifting approach to present day spiritual warfare

Edgar Cayce's Atlantis Gregory L. Little,Lora Little,John Van Auken,2006-02 From the ancient Akashic Records renowned psychic Edgar Cayce gives an amazingly detailed and fascinating vision into the legendary world of Atlantis and its extraordinary people The section on the people and places of Atlantis is exclusive to Cayce s visions into this celebrated paradise Cayce s readings describe the powerful crystal the flying machines that could soar through the air under water and out into space the energy generators that harnessed the sun s rays and channeled them into building a magnificent country of luxury wealth and peace Cayce s discourses describe how the Atlanteans rejuvenated their bodies regularly allowing them to live hundreds of years longer than we do today But he also tells of how this great culture fell from grace and power destroying itself and its continent in the process In a strangely prophetic discourse Cayce says that many ancient Atlanteans are reincarnating in the world today bringing with them both the good and evil of that ancient land Drs Gregory and Lora

Little and John Van Auken present this story in an absorbing narrative of the legends of Atlantis and the latest discoveries in the ongoing search for remnants of the lost continent. The book contains over a hundred illustrations, some never published before. Included in the story of Atlantis are vignettes of the forgotten lands of Mu and Lemuria, the legend of Lilith, and Amilios Plato's history and strange creatures of Atlantean lore. This book includes a complete description of and update on the three Atlantean record caches that Edgar Cayce identified and the modern day explorations seeking to find these lost halls of the ancient records. Back cover

Spiritual Healing Daniel J. Benor, 2001. Many believe there is no scientific evidence that supports the value of spiritual healing. Daniel Benor M.D. reveals a world of science that few knew existed. Included in this groundbreaking book are 124 scientific studies showing that spiritual healing works. Many of the controlled studies look at the effects of spiritual healing on humans; others look at its effects on plants and animals. Some of the most interesting laboratory studies demonstrate its effect on water and other materials. You'll read how many of the world's most successful healers, such as Olga Worrall, Oszkar Estebany, and Harry Edwards, describe their methods and subjective experiences. A foundation is provided for understanding the mysteries inherent in such practices as laying on of hands, focused prayer, Reiki, and Therapeutic Touch. Book jacket

How to become a conscious co-creator. Unmasking projection, repression, and polarization through dream work. The meaning behind masculine and feminine symbolism in dreams. How dreams can improve and enrich your relationships. How dreams can assist you in transforming past trauma.

The Ancient Secret of the Flower of Life, Volume 2 Drunvalo Melchizedek, 2000. The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets, and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come

from and the wonder and magic of who we are Finally for the first time in print Drunvalo shares the instructions for the Mer Ka Ba meditation step by step techniques for the re creation of the energy field of the evolved human which is the key to ascension and the next dimensional world if done from love this ancient process of breathing prana opens up for us a world of tantalizing possibility in this dimension from protective powers to the healing of oneself of others and even of the planet Embrace the expanded vision and understanding that Drunvalo offers to the world Coincidences abound miracles flourish and the amazing stories of mysteries unveiled arise as the author probes the Ancient Secrets of the Flower of Life **The Haunting of Twentieth-Century America** Joel Martin, William J.
