Jewish Studies and Holocaust Education in Poland Lynn W. Zimmerman, 2014-01-14 This volume examines how people in Poland learn about Jewish life culture and history including the Holocaust The main text provides background on concepts such as culture identity and stereotypes as well as on specific topics such as Holocaust education as curriculum various educational institutions and the connection of arts and cultural festivals to identity and culture It also gives a brief overview of Polish history and Jewish history in Poland as well as providing insight into how the Holocaust and Jewish life and culture are viewed and taught in present day Poland This background material is supported by essays by Poles who have been active in the changes that have taken place in Poland since 1989 A young Jewish Polish man gives insight into what it is like to grow up in contemporary Poland and a Jewish Polish woman who was musical director and conductor of the Jewish choir Tslil gives her view of learning through the arts Essays by Polish scholars active in Holocaust education and curriculum design give past present and future perspectives of learning about Jewish history and culture [The American Bibliography of Slavic and East European Studies](#) Patt Leonard, Rebecca Routh, 2020-02-27 This bibliography first published in 1957 provides citations to North American academic literature on Europe Central Europe the Balkans the Baltic States and the former Soviet Union Organised by discipline it covers the arts humanities social sciences life sciences and technology

Problems and Prospects in European Education Francois Orivel, Jürgen Schriewer, Elizabeth S. Swing, 2000-06-30 Written by scholars and professionals from such organizations as the Council of Europe and the European Community this volume provides a comprehensive examination of education throughout Europe The particularities of national educational systems are of necessity within its purview but overall organization of the volume reflects such thematic and regional concerns as the impact of social and economic integration on education the modification of educational structures and curricula following the demise of communism in Eastern Europe degree equivalency the financing of educational change privatization the impact of migration and immigration national concerns intercultural education and multiculturalism The volume s experts discuss European education s common heritage and the distinct national traditions it preserves They deal with the interpretations of European education systems put forward in the shape of educational theories or reform oriented

programs policies and ideologies as well as with the social actors forces and movements that have fuelled reform The book s chapters also address the challenges European education has to face as a consequence of processes of change occurring at multiple levels at the levels of cultural values socio political reconstruction intercultural migration supra national integration and ongoing global interconnection *The National Jewish Monthly* ,1928 **Central and Eastern Europe and the CIS** Jerome Witt,2021-04-14 Learn about the many economical and political changes in Central and Eastern Europe to stay on top of business Western academics are being called upon to play a principle role in the redefinition of management education in Central and Eastern Europe and the former USSR Among the countless ideological political and economic issues engendered by the demise of communism throughout the region myriad challenges in business education have surfaced Central and Eastern Europe and the CIS provides an insightful background for Western educators who wish to play a part in or simply bear witness to this historic development This book reveals and documents some of the major educational efforts and issues which have emerged during the past few years and relates the experiences and viewpoints of some of the most active participants It shares both insights and lessons that have already been learned with those who seek to contribute in the future Each chapter will interest and challenge the reader as it frankly describes the struggle to establish modern business education in these dynamic societies In this collection distinguished contributors counsel readers that if Western educators are to make an effective contribution they must first discover which western ideas and theories can be used immediately which need to be adapted to fit the local environments and which must be completely rethought Each chapter enhances the understanding of business education in these emerging societies and affords a clearer understanding of the gulf between East and West Topics in Central and Eastern Europe and the CIS include international business education in Estoniafrom socialism to capitalism business education and management training in the old and new East Central Europe the International Center for Public Enterprises in Sloveniaimplications for teaching interpersonal skills and introducing international business concepts teaching organization behavior to Eastern European managersa process of adaptation to change Business education will most certainly have a significant impact on the restructuring of the political and social cultures in the region and is in fact critical to the ultimate success of democratic free market systems Central and Eastern Europe and the CIS helps Western educators and practitioners alike to make a useful contribution toward meeting the opportunities and threats in this historic era *B'nai B'rith Magazine* ,1928 **Poland Past and Present** John Hunter Harley,1917 **Political and Social Influences on the Education of Children** Gwyneth Owen-Jackson,2015-11-06 This book investigates the effects of social and political change on the provision of primary education in post communist and post war contexts Focusing on Bosnia and Herzegovina the author considers educational developments in post communist countries of central and Eastern Europe the effects of the civil conflict that occurred 1992 95 and the consequences of the peace settlement In order to present a picture of the development of primary education in Bosnia and Herzegovina and the

importance of political ideology on education provision chapters discuss instances of the impact of external political influences educational provision being drawn from neighbouring countries and illustrate how the political war is continuing Political and Social Influences on the Education of Children provides insights into lessons learned for education in countries with a changing political state and considers what the future might hold for primary education provision in Bosnia and Herzegovina Political and Social Influences on the Education of Children is key reading for researchers scholars and postgraduate students interested in educational developments in post communist countries and education in areas of conflict This book will also appeal to those interested in the political and social history of the region **Education in Poland** Frank Joseph Drobka, 1927 Mass Higher Education and the Changing Labour Market for Graduates F#tima Suleman, Pedro Videira, Pedro N. Teixeira, 2024-08-06 As higher education continues to expand and an increasing number of graduates enter the workforce this insightful book considers the crucial social and economic questions raised by this societal shift F tima Suleman Pedro Videira and Pedro Teixeira bring together an array of experts to illustrate the connections between higher education and the labour market across continents American Education ,1977 History of Social Work in Europe (1900-1960) Sabine Hering, Berteke Waaldijk, 2012-12-06 ber zwanzig AutorInnen aus elf L ndern stellen in dem englischsprachigen Band Beitr ge zu Biografien von Pionierinnen der Sozialen Arbeit und zu ihrem Einfluss auf die Entwicklung von Organisationen und Strukturen der Wohlfahrtspflege vor Canadian and International Education ,1995 **The Baltic Review** ,1920 Hannah Arendt and the History of Thought Daniel Brennan, Marguerite La Caze, 2022-06-14 Hannah Arendt and the History of Thought edited by Daniel Brennan and Marguerite La Caze enriches and deepens scholarship on Arendt s relation to philosophical history and traditions Some contributors analyze thinkers not often linked to Arendt such as William Shakespeare Hans Jonas and Simone de Beauvoir Other contributors treat themes that are pressing and crucial to understanding Arendt s work such as love in its many forms ethnicity and race disability human rights politics and statelessness The collection is anchored by chapters on Arendt s interpretation of Kant and her relation to early German Romanticism and phenomenology while other chapters explore new perspectives such as Arendt and film her philosophical connections with other women thinkers and her influence on Eastern European thought and activism The collection expands the frames of reference for research on Arendt both in terms of using a broader range of texts like her Denktagebuch and in examining her ideas about judgment feminism and worldliness in this wider context **East Europe (Albania, Bulgaria, Czechoslovakia, East Germany, Hungary, Poland, Rumania, Yugoslavia)** ,1967 Mobility in Transition Izabela Grabowska-Lusinska, Aimee Kuvik, 2025-10-01 This volume presents new research on post accession migration from Central and Eastern Europe in the short period since the EU enlargements of 2004 and 2007 Explanations of post accession migration patterns trends and mechanisms delve into the complexities of these phenomena New groups of migrants and types of migrations are identified such as young migrants often students or graduates without family

obligations and without clear plans concerning their future life Case studies on Poland Romania Hungary and Latvia as well as the United Kingdom and Germany being major destination countries divulge the multifaceted nature of transition whether in the form of labour migration short term mobility including among international students or return migration The volume insightfully points towards future migration trends and sets guidelines for further research The Federation Bulletin ,1905
