DREAMING OF JUPITER is the result It took him two and a half years during which time he revisited all the countries he had travelled through in the 1970s He found much had changed and he reflects upon the increased poverty political upheavals environmental issues and indeed the changes in himself But ultimately DREAMING OF JUPITER is a hugely inspiring read with a positive message at its heart that even at the age of 70 you can still set off on an adventure and be surprised and excited by what life throws at you along the way Son of a Midnight Land Atz Kilcher, 2018-02-06 A powerful new memoir about growing up with a hard father in a hard land Atz Kilcher learned many vital skills while helping his parents carve a homestead out of the Alaskan wilderness how to work hard think on his feet make do invent and use what was on hand to accomplish whatever task was in front of him He also learned how to lie in order to please his often volatile father and put himself in harm's way to protect his mother and younger weaker members of the family Much later in life as Atz began to reflect on his upbringing seek to understand his father and heal his emotional scars he discovered that the work of pioneering the frontier of the soul is an infinitely more difficult task than any of the back breaking chores he performed on his family's homestead Learning to use new tools honesty vulnerability forgiveness acceptance and building upon the good helped him heal and learn to embrace the value of resilience This revised perspective has enabled him to tell an enhanced and more positive version of the legacy his father created and has him doing the most rewarding work of his life mapping his own inner wilderness while drawing closer to his adult children the next stewards of the land he helped his father carve out of the Alaskan frontier *Dreams Do Come True* Trudie Thompson, Lloyd Thompson, 2011 I am so very sorry The words were out My mouth was dry my heart was thumping and my despair was clearly visible And so began Trudie and Lloyd Thompson's heart breaking 12 year journey of IVF treatment losing a business and even bankruptcy Through all of this their love and their relentless enthusiasm kept them strong and now they are sharing their unique and uplifting story with you The twists and turns of fate including an appearance on a TV home makeover show brought Trudie and Lloyd closer together and ultimately their courage brought them their most treasured dream a family *Dreams Do Come True* is a story of that courage a story that proves that with love and determination anything is possible *Something to Declare* Gillian Kendall, 2009-09-24 Editor Gillian Kendall has brought together in *Something to Declare* a collection of impressionistic literary travel essays that explore the sense of place and the pull of wanderlust and reveal what happens when a traveler follows her heart On these pages established and emerging lesbian travel writers present accounts ranging from the poetic and internal to the exhilarating and life altering Rather than reporting on places to stay local fare or politics these women share personal stories of exploration and adventure Lucy Jane Bledsoe and her partner camp out and negotiate their way through the Tierra del Fuego in *Fruits at the Border* Lesli a Newman's Bashert tells the retrospective journey of a college graduate undergoing a simultaneous awakening of her sexuality and artistic talent while working on a kibbutz in Israel Lori Soderlind's *Hot Springs* Montana describes her return with the help of a native woman to the place in Montana where her family once made their
