CIMA Official Learning System Performance Strategy Paul M. Collier, Paul M. M Collier, Samuel Agyei-Ampomah, 2009-07-28 CIMA Official Learning Systems are the only textbooks recommended by CIMA as core reading Written by the CIMA examiners markers and lecturers they specifically prepare students to pass the CIMA exams first time Fully updated to reflect the 2010 syllabus they are crammed with features to reinforce learning including step by step coverage directly linked to CIMA's learning outcomes fully revised examples and case studies extensive question practice to test knowledge and understanding integrated readings to increase understanding of key theory colour used throughout to aid navigation The Official Learning systems are the only study materials endorsed by CIMA Key sections written by former examiners for the most accurate up to date guidance towards exam success

Complete integrated package incorporating syllabus guidance full text recommended articles revision guides and extensive question practice

Towards Improved Project Management Practice Terence J. Cooke-Davies, 2001 Projects are important to industry but project performance continually disappoints stakeholder expectations Organizations react to this performance problem in many ways and purchase consultancy training methods and tools as possible solutions There is no published evidence that any of these solutions are consistently successful in improving project performance This thesis answers the question What can be done to improve project management practices and thus project performance by demonstrating that a novel form of continuous action research can contribute such evidence

Resources in Education

, 1994 **Internal Security and Community Policing** Dr. Vinita Pandey, 2018-03-26 The present book focuses on various issues and threats pertaining to internal security the various factors and non state actors creating the threat the initiatives by the police to strengthen internal security by involving community and how the community participation can strengthen those initiatives by enhancing the community policing measures The study is focussed on Hyderabad There are multiple manifestations of internal security which are both implicit and explicit Communalism has been identified as one of the principal threats to internal security with specific reference to Hyderabad In this background it is highly desirable and required to strengthen community to face any eventualities and encourage working and functional partnership with security and law enforcement agencies especially the police forces Police or community alone cannot manage security concerns In these globalized times strong partnership between community and police is mandatory The book based on primary research

tries to establish that community policing can be a significant factor in addressing the internal security threats
