BOOK JACKET Corpus of Reliefs of the New Kingdom from the Memphite Necropolis and Lower Egypt Geoffrey Thorndike Martin, 2023-03-17 One of the remarkable anomalies of Egyptian History is that the source material for the study of one of the country s principal settlements sites and one of the greatest cities of antiquity Memphis is comparatively scarce The Memphite cemeteries however have yielded up masses of material particularly for the Archaic Period and the Old Kingdom In the New Kingdom with which we are concerned in this volume Memphis was a city of immense administrative and cultural importance as well as being the seat of the royal court and there seems little reason to doubt that many of the great officials and courtiers of the Eighteenth Nineteenth and to some extent the Twentieth Dynasties were buried in Saqqara the Memphite necropolis
