Fujian Vol 2 Gateway To Taiwan:

Imperial Gateway Seiji Shirane, 2022-12-15 In *Imperial Gateway* Seiji Shirane explores the political social and economic significance of colonial Taiwan in the southern expansion of Japan's empire from 1895 to the end of World War II Challenging understandings of empire that focus on bilateral relations between metropole and colonial periphery Shirane uncovers a half century of dynamic relations between Japan Taiwan China and Western regional powers Japanese officials in Taiwan did not simply take orders from Tokyo rather they often pursued their own expansionist ambitions in South China and Southeast Asia When outright conquest was not possible they promoted alternative strategies including naturalizing resident Chinese as overseas Taiwanese subjects extending colonial police networks and deploying tens of thousands of Taiwanese to war The Taiwanese merchants gangsters policemen interpreters nurses and soldiers seized new opportunities for socioeconomic advancement that did not always align with Japan's imperial interests Drawing on multilingual archives in six countries *Imperial Gateway* shows how Japanese officials and Taiwanese subjects transformed Taiwan into a regional gateway for expansion in an ever shifting international order Open Access edition funded by the National Endowment for the Humanities

Regional China Rongxing Guo, 2013-01-21 It is a resource book that profiles the geography demography economy political environment and business climates for each of China's 31 provinces It will become a useful source book to researchers businesses government agencies and news media interested in either the rapidly changing provincial economies or the Chinese economy as a whole

Subject Guide to Books in Print, 1991

China's Conquest of Taiwan in the Seventeenth Century Young-tsu Wong, 2017-08-05 This is the first book to comprehensively cover the historical process leading to Taiwan's integration with Mainland China in the seventeenth century As such it addresses the Taiwan question in the seventeenth century presenting for the first time the process leading to the island's integration with the mainland through the story of the Zheng family and Admiral Shi Lang The author has confirmed Zheng Chenggong Koxinga's Ming loyalism and his politicization of the conflicts on the China coast Thus the author concludes that Zheng was a revolutionary traditionalist who transformed sheer violence into a political movement in an unprecedented way He politicized the entire region and paved the way for the inevitable conflict with Mainland China After repeated political talks had failed the rising Qing China decided to take Taiwan by force Though seaborne warfare was a formidable task at the time the man who overcame these difficulties and completed the seemingly impossible mission was none other than Admiral Shi Lang The book provides a new and more justifiable assessment of the Admiral's contribution to the conquest of Taiwan and pacification of coastal unrest The book will be of interest to general readers as well as specialists researching security and warfare on the China coast

Fujian Yue-man Yeung, David K. Y. Chu, 2000 As one of China's strategic coastal provinces Fujian has traditionally played a vital role in the economic development and diplomacy of the country Overseas Chinese the Taiwan factor and the designation of Fujian as the first open area along with Guangdong have vastly accelerated development and

modernization since 1978 This book has adopted the twin sub themes of transition and transformation in describing documenting and analyzing the breath taking changes in the province over the past two decades It is a major contribution to the subject of economic change and social transformation in China **Journal of Economic Literature** ,1997 *China's Regions, Polity, and Economy* Si-ming Li,Wing-shing Tang,2000 This book is organized around different spatial scales It investigates how the Chinese socialist state under reform affects influences and controls the activity spaces of different members of society thereby transforming the economy and society at the regional province and its larger spatial unit the city the village the factory and the individual levels This way of addressing China s spatial development is new to the literature The book accomplishes this task by drawing on a variety of experts from different disciplines including geography sociology economics anthropology political science and urban and regional studies Different in approaches these experts enrich the volume by providing many in depth analyses of the development problems of China Social Transformation, Nascent Civil Society and the Taiwanese Capital in Fujian Xinhuan Xia,1998 **China Review International** ,2003 *Xi Jinping* Alfred L. Chan,2022 An exploration of all episodes of Xi Jinping s b 1953 life history and his political career begun at age 17 Part I explores Xi s formative childhood and youth experience as well as his governance record spanning every administrative level from the village to the capital Part II focuses on Xi s first five year term as General Secretary 2012 2017 and as President 2013 2018 **Multicultural Challenges and Redefining Identity in East Asia** Nam-Kook Kim,2016-04-15 Globalization and increased migration have brought both new opportunities and new tensions to traditional East Asian societies Multicultural Challenges and Redefining Identity in East Asia draws together a wide range of distinguished local scholars to discuss multiculturalism and the changing nature of social identity in East Asia Regional specialists review specific events and situations in China Korea Japan Thailand Vietnam Singapore Taiwan Malaysia Indonesia and the Philippines to provide a focus on life as it is lived at the local level whilst also tracing macro discourses on the national issues affected by multiculturalism and identity The contributors look at the uneven multicultural development across these different countries and how to bridge the gap between locality and universality They examine how ethnic majorities and minorities can achieve individual rights exert civic responsibility and explain how to construct a deliberative framework to make sustainable democracy possible This book considers the emergence of a new cross national network designed to address multicultural challenges and imagines an East Asian community with shared values of individual dignity and multicultural diversity With strong empirical support it puts forward a regulative ideal by which a new paradigm for multicultural coexistence and regional cooperation can be realized **Fujian** Brian Hook,1996 China s large economy consists of many distinct interactive economic regions each with its own natural man made characteristics opportunities and challenges These distinctions have been reinforced by the economic decentralization the expansion of China s open door policy and the acceleration of the post Mao economic reforms This series focuses on a single province in China and examines

its history government geography human resources and economic development This second volume describes Fujian Province its Special Economic Zones of Xiamen and its distinctive relationship with Taiwan **Forthcoming Books** Rose Army,1996-10 **Macao Country Study Guide Volume 2 Political and Economic Developments** IBP.
