Full Circle Shakespeare And Moral Development:

Full Circle; Shakespeare and Moral Development Alan Hobson,1972 **A Midsummer Night's Dream: Shakespeare's Syzygy of Meaning , Domination And Defiance** Diane Elizabeth Dreher,2021-03-17 Shakespeare was clearly fascinated by the relationship between fathers and daughters for this primal bond of domination and defiance structures twenty one of his comedies tragedies and romances In a conflict that is at once social and interpersonal Shakespeare s fathers demand hierarchical obedience while their daughters affirm the new more personal values upheld by Renaissance humanists and Puritans In her penetrating analysis of this compelling relationship Diane Dreher examines the underlying psychological tensions as well as the changing concepts of marriage and the family during Shakespeare s time She points to the pain and conflict caused by sex role polarization Shakespeare s possessive fathers tyrannize over their daughters unwilling to relinquish their masculine power and control and leaving these young women with only two alternatives paternal domination or defiance and loss of love The logic of Shakespeare s plays repudiates traditional stereotypes showing how women like Ophelia and Desdemona are destroyed by conforming to the passive Renaissance ideal The book concludes with a consideration of Shakespeare s androgynous characters dynamic women in doublet and hose and fathers who become sensitive caring and empathetic Shakespeare s balanced characters thus reconcile the polarities within themselves and bring greater harmony to their world *Domination and Defiance* is the first book on this most provocative relationship in Shakespeare Shedding new light on the complex father daughter bond character and motivation it makes a major contribution to literary studies [The Critical Reception of Shakespeare's Antony and Cleopatra from 1607 to 1905](#) Michael Steppat,1980-01-01 **Shakespeare the Renaissance Humanist** Anthony Raspa,2016-03-15 During the Renaissance moral philosophy came to permeate the minds of many including the spectators that poured into Shakespeare s Globe theatre Examining these strains of thought that formed the basis for humanism Raspa delves into King Lear Hamlet among others to unlock what influence this had on both Shakespeare and his interpreters *Shakespeare the Playwright* Victor L. Cahn,1996-03-30 When Victor Cahn s *Shakespeare the Playwright* was issued in 1991 it was highly recommended for any general public library and for academic collections at all undergraduate levels Choice and viewed as a useful guide for the general reader as well as high school and undergraduate students Library Journal Now Professor Cahn has revised his introduction to make the context of Shakespeare s plays more meaningful to the beginning researcher and to show how the plays have been performed from the 16th century onward In addition the bibliographies for each of the 37 plays have been updated to include the best new research These updates and revisions will enhance the use of this guide for the general reader student and researcher from high school onward Since their first production four centuries ago the plays of William Shakespeare have been the most widely produced popularly acclaimed and critically examined works in the world s literature In this unique book Victor L Cahn an acclaimed teacher of drama guides the reader scene by scene through each of

Shakespeare's thirty seven plays re-creating the freshness and theatrical effect of performance Cahn has based his approach on the assumption that the fundamental appeal of Shakespeare's plays lies in the characters and with clarity and subtlety he focuses on how the implications of the characters' actions and the nuances of their language contribute to the plays' impact The introduction briefly traces Shakespeare's life and career and explains some of the social and artistic circumstances that influenced his work The plays are grouped by genre Tragedies Histories Comedies and Romances This structure allows Cahn to explore Shakespeare's development in all four dramatic forms as well as to suggest relationships between characters themes and images throughout the works In addition Cahn discusses the plays as reflective of Shakespeare's age particularly the Renaissance concern with the tension between individual rights and social responsibility The text is free from extensive scholarly apparatus but valuable suggestions for further reading follow the analysis of each play and a selected bibliography concludes the volume The comprehensiveness of the book as well as the accessibility and quality of its interpretations make it a valuable resource for courses in Shakespeare drama and British literature and a worthy addition to high school college university and public library reference collections Discoveries and Reviews Alfred Leslie Rowe, 1975-06-18

Renaissance Perspectives in Literature and the Visual Arts Murray Roston, 2014-07-14 Roston demonstrates that what emerges is not a fixed or monolithic pattern for each generation but a dynamic series of responses to shared challenges The book relates leading English writers and literary modes to contemporary developments in architecture painting and sculpture exploring by a close reading of the texts and the artistic works the insights such comparison offers Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The National union catalog, 1968-1972**, 1973 The Publishers Weekly, 1895 **The National Union Catalogs, 1963-**, 1964 **Shakespeare and Law** Andrew Zurcher, 2014-09-26 Readers of Shakespeare's language from the playhouse to the classroom have long been aware of his peculiar interest in legal words and concepts Richard II's two bodies Hamlet's quiddities and quillets Pandarus' peine forte et dure In this new study Andrew Zurcher takes a fresh historically sensitive look at Shakespeare's meticulous resort to legal language texts concepts and arguments in a range of plays and poems Following a preface that situates Shakespeare's life within the various legal communities of his Stratford and London periods Zurcher reconsiders the ways in which Shakespeare adapts legal language and concepts to figure problems about being knowing reading interpretation and action In challenging new readings of plays from King John and Henry IV to As You Like It and Hamlet Shakespeare and Law reveals the importance of early modern common legal thinking to Shakespeare's representations of inheritance possession gift giving oath swearing contract

sovereignty judgment and conscience and finally to our own reception and interpretation of his works Library of Congress Catalogs Library of Congress,1976 **Library of Congress Catalog** Library of Congress,1970 A cumulative list of works represented by Library of Congress printed cards **The Sparrow and the Flea** Serena Jourdan,1983 *The Theater and the Dream: from Metaphor to Form in Renaissance Drama* Jackson I. Cope,1973 *Catalog of Printed Books of the Folger Shakespeare Library, Washington, D. C. : First Supplement* Folger Shakespeare Library,1976 Learning Directory ,1972 Library Journal Melvil Dewey,Karl Brown,Bertine Emma Weston,Helen E. Wessells,1972 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Juniorlibraries 1954 May 1961 Issued also separately *Richard III* ,1986
