

The background of the book cover is a sepia-toned illustration of a forest path. The path is narrow and leads into the distance, flanked by tall, dense evergreen trees. In the lower center of the path, two figures are visible: one person appears to be leading a pack animal, possibly a horse or mule, and another person is walking alongside it. The scene is dappled with sunlight and shadow, creating a sense of depth and atmosphere.

Full Of Hope And Promise The Canadas In 1841:

Illustrated History of Canada Craig Brown, 2012-10-01 First published in 1987 The Illustrated History of Canada was the first comprehensive authoritative one volume history of the country It featured chapters by seven of Canada's leading historians and hundreds of engravings lithographs cartoons maps posters and photographs Together these elements created a sweeping chronicle of Canada from its earliest times to yesterday's news Now The Illustrated History of Canada has been fully updated to bring readers into the twenty first century with new material on such topics as the rise of small government the recognition of Native land claims Canada's role in the post Cold War peace and the 2011 federal election More than ever The Illustrated History of Canada is a must have reference guide for all Canadians interested in the history and the future of our country Contributors include Ramsay Cook emeritus York University Christopher Moore Toronto writer Desmond Morton McGill University Arthur Ray emeritus University of British Columbia Peter Waite emeritus Dalhousie University and Graeme Wynn University of British Columbia

Picturing the Land Marilyn J. McKay, 2011-04-12 Emphasizing the ways in which social economic and political conditions determine representation Marilyn McKay moves beyond canonical images and traditional nationalistic interpretations by analyzing Canadian landscape art in relation to different concepts of territory Taking an expansive and inclusive perspective on Canadian landscape art McKay depicts this tradition in all its diversity and draws it into the larger body of Western landscape art broadening the horizon of future study appreciation and criticism Richly illustrated and filled with sophisticated and innovative commentary Picturing the Land provides new and distinct histories of the landscape art of French and English Canada

Canadian History: Beginnings to Confederation Martin Brook Taylor, Doug Owsen, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover

Canada and Arctic North America Graeme Wynn, 2006-11-10 This comprehensive treatment of the environmental history of northern North America offers a compelling account of the complex encounters of people technology culture and ecology that shaped modern day Canada and Alaska From the arrival of the earliest humans to the very latest scientific controversies the environmental history of Canada and Arctic North America is dramatic diverse and crucial for the very survival of the human race Packed with key facts and analysis this expert guide explores the complex interplay between human societies and the environment from the Aleutian Islands to the Grand Banks and from the Great Lakes to the Arctic Islands How has the challenging environment of America's most northerly regions with some areas still dominated by native peoples helped shape politics and trade What have been the consequences of European contact with this region and its indigenous inhabitants How did natives and newcomers cope with and change this vast and forbidding territory Can a perspective on the past help us in grappling with the conflict between oil exploration and wilderness preservation on the North Slope of Alaska Part of ABC CLIO's Nature and Human Societies series this unique work charts the

region's environmental history from prehistory to modern times and is essential reading for students and experts alike
