Distant Train Ibrahim Abdel Meguid, 2007-04-26 While the fading autumn sun sped toward the horizon the young boys headed home they were not used to trying to see at night without the moon's glow So begins this unconventional hauntingly mythic novel In the tradition of magical realism author Abdel Meguid crafts a tale steeped in symbolism Writing in a shimmering lyrical style he brings alive the dreams customs and everyday concerns of people living in historic obscurity on the fringe of the glitzy petro dollar kingdoms of the Middle East The tale begins on a worksite in Egypt's western desert Here in the middle of nowhere railway men and locals wait in hope for the annual return of a distant train When last it came this vehicle brought with it foreigners soldiers and economic opportunity then it stopped Each of Meguid's characters is allegorical in nature Each part of the novel is framed by memory and the way remembrance takes shape and affects the characters The story's main characters are time and place Yet its dramatic thrust is the ways in which place gives rise to history through the passage of time and the rise and fall of settlement Distant Train reaffirms Meguid's status as a new imaginative and distinct voice in the field of narrative literature and the time honored arena of storytelling

pressure **Dropped Threads 2** Carol Shields, Marjorie Anderson, 2010-05-28 The idea for *Dropped Threads What We Aren't Told* came up between Carol Shields and longtime friend Marjorie Anderson over lunch. It appeared that after decades of feminism the women's network still wasn't able to prevent women being caught off guard by life. There remained subjects women just didn't talk about or felt they couldn't talk about. Holes existed in the fabric of women's discourse and they needed examining. They asked thirty-four women to write about moments in life that had taken them by surprise or experiences that received too little discussion and then they compiled these pieces into a book. It became an instant number one bestseller, a book clubs favourite and a runaway success. *Dropped Threads* says Anderson tapped into a powerful need to share personal stories about life's defining moments of surprise and silence. Readers recognized themselves in these honest and intimate stories; there was something universal in these deeply personal accounts. Other stories and suggestions poured in. *Dropped Threads* would clearly be an ongoing project. Like the first volume, *Dropped Threads 2* features stories by well-known novelists and journalists such as Jane Urquhart, Susan Swan and Shelagh Rogers but also many excellent new writers including teachers, mothers, a civil servant, a therapist. This triumphant follow-up received a starred first review in *Quill and Quire* magazine which called it compassionate and unflinching. The book deals with such difficult topics as loss, depression, disease, widowhood, violence and coming to terms with death. Several stories address some of the darker sides of motherhood. A mother describes how, while sleep-deprived and in a miserable marriage, she is shocked to find infanticide crossing her mind. Another woman recounts a memory of her alcoholic mother demanding the children prove their loyalty in a terrifying way. A woman desperate for children refers to the bleak truth as 'Another Christmas of feeling barren'. Narrating the fertility treatment she undergoes, she hopes dashed, she is amusing in retrospect and yet brutally honest. While they deal with loss and trauma, the pieces show the path to some kind of acceptance, showing the authors' determination to learn from pain and pass on the wisdom gained. The volume also covers the rewards of learning to be a parent, choosing to remain single or fitting in as a lesbian parent. It explores how women feel when something is missing in a friendship, how they experience discrimination, relationship challenges and other emotions less easily defined but just as close to the bone. Alison Wearing, in *My Life as a Shadow*, subtly describes allowing her personality to be subsumed by her boyfriend's. Pamela Mala Sinha tells how, after suffering a brutal attack, she felt self-hatred and a longing for retribution. Dana McNairn talks of her uncomfortable marriage to a man from a different social background. I wanted to fit in with this strange, wondrous family who never raised their voices, never swore and never threw things at one another. Humour, a confiding tone and beautiful writing elevate and enliven even the darkest stories. Details bring scenes vividly to life so we feel we are in the room with Barbara Defago when the doctor tells her she has breast cancer, coolly dividing her life into a before and after. Lucid, reflective and poignant, *Dropped Threads 2* is for anyone interested in women's true stories. *Threads of Time* Timothy Cavinder, 2005-09-01 In 1903 a young man works at a bank in a small town. Unhappy with his lot in life, he begins to hide money in the basement of the bank. His life falls

apart and he is unable to retrieve it. A hundred years later the building is now a cafe. A young girl working there discovers the hidden money and it changes her life.

Threads of Us Christie Havey Smith, 2024-10-08

Sometimes the answers we are looking for are hidden in our own stories. The night before the dance performance that could determine Gracie Wilder's career, her father unexpectedly dies, leaving behind a curious gift with ties to a myth told to her as a child. Desperate to understand her father's unspoken words, she puts her greatest dream on the line for an opportunity to remember the childhood she tried so hard to forget. A few chance encounters with Beau Griffin, a bighearted building contractor, pull Gracie closer to her past. Griffin is no stranger to grief. Most recently, he has been held responsible for the demise of a Chicago building that harbors the cornerstones of his own history. In a moment of faith or folly, the unlikely pair follow the origin of Gracie's childhood memories to Old Montreal. There they discover family secrets that will challenge the narratives that have defined Gracie's life. And Griffin will have to confront his own personal myths if he is to build room for Gracie in his future. Together they must heal their history backward in order to move forward. Poignant and uplifting, *Threads of Us* explores the self-discovery that comes to us not despite our hardships but because of them and the mysterious connections that help us recreate ourselves.
