(Peter Cottontail) Mary Man-Kong,2014-01-07 Little boys and girls ages 3 to 7 will love to celebrate Easter with this Peter Cottontail activity book that features a sturdy plastic stencil and two pages of press out stencils Caroline and Papa Ronald B. Schram,2008-11 I had the career of a lifetime I was a teacher I began my teaching career believing that one person could make a difference and throughout the years I never lost sight of that conviction Teaching connected me to my students in ways quite humorous as well as heart breaking I hope the reader laughs a lot and cries only a little while walking in my footsteps as an educator Laugh with me as you read about Fred the crusty cockroach we set free to find his wife and eighty seven children In addition there is always my favorite story about the scary monster under the bed holding a student s homework hostage I fed a rooster and his hens bread crumbs for breakfast each morning until they tried to follow me in single file into the school board building one day Some difficult students in summer school mistakenly believed my black

patent leather belt to be a black belt in Karate Who was I to tell them differently Coming right on top of the laughs were the times I went home to cry I remember the student new to our school who went home one evening and hung himself his cries for help coming too late I remember with equal sadness the foster child we sponsored in Kenya who died because help did not reach him in time Closer to home was the overage student who was shot and killed while he participated in a home invasion just days after he finished summer school Outside factors reached inside our classroom as well reeking havoc with the emotions of both the children and me The disastrous space shuttle with the teacher on board happened before our very eyes while the greatest tragedy of all was the destruction of the twin towers on 9 11 These stories and many more comprise my educational career and although there was no easy button I would do it all over again I was a teacher Creative Activities for the Early Years Barbara Melling,2005 Annotation Whether your topic is the autumn the Chinese New Year the coastline or kings and queens you can be sure that children will find the art and music ideas in Creative Activities for the Early Years interesting and entertaining The activities encourage children to use their imagination to communicate ideas and develop their gross and fine motor skills The activities are grouped by popular early years themes and can be used as a complete programme or as a dip in resource Never be stuck for art and craft ideas again *The Giant Encyclopedia of Art & Craft Activities* Kathy Charner,2000 A comprehensive collection of the best art and craft activities for young children The result of a nationwide competition these art and craft activities are the best of the best Just the thing to add pizzazz to your day Activities include Bath Sponge Painting Blast off Helmets Bumby Snake Candy Jewelry Caterpillar Cookies Cereal Box Tote Bag Darling Daffodils Dinosaur Sock Puppets Dream Catcher Ecology Art Creations **The Giant Encyclopedia of Monthly Activities for Children 3 to 6** Kathy Charner,Maureen Murphy,Charlie Clark,2006 A collection of over 600 activities for the primary classroom that provides creative ideas for all topics across the curriculum that helps to develop both literacy and imaginative play **The Publishers Weekly** ,1999 **Crafts and Creative Media in Therapy** Carol Tubbs,Margaret Drake,2024-06-01 For more than 20 years Crafts and Creative Media in Therapy Fifth Edition has been an illuminating reference for the use of creative approaches in helping clients achieve their therapeutic goals Carol Crellin Tubbs has included a range of craft and creative activity categories from paper crafts to cooking to the use of recycled materials and everything in between Each chapter includes a brief history of the craft several projects along with suggestions for grading or adapting examples of related documentation and a short case study The text also features chapters on activity analysis general strategies for implementation of creative activities and documentation as well as a chapter describing the relevance of this media from both historical and current occupation based perspectives In this updated Fifth Edition the craft projects have been updated and numerous resources and links for more ideas have been added There are new chapters on making therapy tools and crafting with a purpose and the recycled and found materials chapter has been expanded in keeping with cultural trends A flow chart has been added to each case study to help students better understand the process

and rationale for tailoring activities for individual client needs and project suggestions for working on specific performance skills or client factors are scattered throughout the chapters Other additions include a behavioral observation checklist as an aid in evaluation and documentation and several illustrations to help students distinguish between the use of occupation as means and occupation as end This Fifth Edition also includes an updated instructors manual with additional resources and suggestions for lesson planning Crafts and Creative Media in Therapy Fifth Edition not only provides a wide assortment of craft ideas and instructions but also provides multiple suggestions for therapeutic uses for activities in each category It includes ways to grade activities to best achieve therapy objectives and examples of documentation for reimbursement For each craft category there is discussion on precautions for use with certain populations contextual limitations and safety considerations Information is presented in several different formats such as examples tables illustrations and other formats to promote student understanding Included with the text are online supplemental materials for faculty use in the classroom Crafts and Creative Media in Therapy Fifth Edition is the foremost resource for using creative approaches in helping clients achieve their therapeutic goals and should be used by all occupational therapists occupational therapy assistants and recreational therapists
