Hymes, 1978      Functions of Language in the Classroom Elizabeth Dines, 1980      **Classroom Instruction That Works with English Language Learners** Jane D. Hill, Kirsten B. Miller, 2013-11-13 Language has always been the medium of instruction but what happens when it becomes a barrier to learning In this book Jane Hill and Kirsten Miller take the reenergized strategies from the second edition of Classroom Instruction That Works and apply them to students in the process of acquiring English New features in this edition include The Thinking Language Matrix which aligns Bloom s taxonomy with the stages of language acquisition and allows students at all levels to engage in meaningful learning The Academic Language Framework an easy to use tool for incorporating language development objectives into content instruction Suggestions for helping students develop oral language that leads to improved writing Tips for Teaching that emphasize key points and facilitate instructional planning Whether your students are learning English as a second language or are native English speakers who need help with their language development this practical research based book provides the guidance necessary to ensure better results for all

*Code Choice in the Language Classroom* Glenn S. Levine, 2011-01-25 Code Choice in the Language Classroom argues that the foreign language classroom is and should be regarded as a multilingual community of practice rather than as a perpetually deficient imitator of an exclusive second language environment From a sociocultural and ecological perspective Levine guides the reader through a theoretical empirical and pedagogical treatment of the important roles of the first language and of code switching practices in the language classroom Intended for SLA researchers language teachers language program directors and graduate students of foreign languages and literatures the book develops a framework for thinking about all aspects of code choice in the language classroom and offers concrete proposals for designing and carrying out instruction in a multilingual classroom community of practice      The Roles of Language in CLIL Ana Llinares, Tom Morton, Rachel Whittaker, 2012-03-15 This book provides a theoretically based approach to the integration of language and content in primary and secondary contexts Drawing on their wide experience as CLIL educators and researchers the authors explore data collected in real CLIL classrooms from two interrelated perspectives the CLIL classroom as an interactional context for developing language and content and the genres and registers through which the meanings of the different academic subjects are enacted From the analysis of this corpus of data the authors provide a rich description of how CLIL students language works and may be expected to develop Also available separately as a hardback      **Language Functions and School Success** Robert Eugene Shafer, Claire Staab, Karen Smith, 1983      **The Language of the Classroom** Arno A. Bellack, Joel Robert Davitz, 1963      *The Routledge Handbook of Educational Linguistics* Martha Bigelow, Johanna Ennser-Kananen, 2014-08-13 The Routledge Handbook of Educational Linguistics provides a comprehensive survey of the core and current language related issues in educational contexts Bringing together the expertise and voices of well

established as well as emerging scholars from around the world the handbook offers over thirty authoritative and critical explorations of methodologies and contexts of educational linguistics issues of instruction and assessment and teacher education as well as coverage of key topics such as advocacy critical pedagogy and ethics and politics of research in educational linguistics Each chapter relates to key issues raised in the respective topic providing additional historical background critical discussion reviews of pertinent research methods and an assessment of what the future might hold This volume embraces multiple dynamic perspectives and a range of voices in order to move forward in new and productive directions making The Routledge Handbook of Educational Linguistics an essential volume for any student and researcher interested in the issues surrounding language and education particularly in multilingual and multicultural settings
