on aspects of how a provincial department operates and why and with what consequences certain decisions have been made in education over the last 20 turbulent years both nationally and provincially There has been no attempt to fit the book s chapters into a particular ideological or educational paradigm and as a result the reader will find differing views on various aspects of the Gauteng Department of Education s present and past We leave the reader to decide to what extent the GDE has fulfilled its educational mandate over the last 20 years Requirements for Certification of Teachers, Counselors, Librarians, Administrators for Elementary and Secondary Schools, 2005-2006, Seventieth Edition Elizabeth A.
