Educators Guide To Preventing Child Sexual Abuse

David R. Buchanan

Educators Guide To Preventing Child Sexual Abuse:

The Educator's Guide to Preventing Child Sexual Abuse Mary Nelson, Kay Clark, 1986 This collection of articles was created to give professionals and educators an informed overview of current issues in the field of child sexual abuse prevention. Articles are grouped under the headings of Introduction, Issues in Child Sexual Abuse Prevention, and Guidelines for Prevention Education and include:

- 1 Prevention Education in Perspective Carol A Plummer
- 2 Thinking about Prevention A Critical Look Sandra Butler
- 3 A History of the Touch Continuum An Interview with Cordelia Anderson
- 4 Myths, Fairy Tales and Films Florence Rush
- 5 The Child as Sex Object Images of Children in the Media Jean Kilbourne
- 6 What Happens to Victims of Child Sexual Abuse Lynn B Daugherty
- 7 Legal Interventions and Reforms in Child Sexual Abuse Cases Josephine Bulkley
- 8 Child Sexual Abuse Prevention Keys to Program Success Carol A Plummer
- 9 Training Teachers to Be Partners in Prevention Ann Downer
- 10 The Role of the Teacher in Preventing Child Sexual Abuse I Lorraine Davis
- 11 Parents as Primary Prevention Educators Caren Adams and Jennifer Fay
- 12 Guidelines for Selecting Prevention Resources Jennifer Fay
- 13 Considering Children's Developmental Stages in Prevention Education Caren Adams
- 14 The Role of Theater in Prevention Education Don Yost and Elaine Schertz
- 15 Prevention in an Hispanic Community Geraldine A Crisci and Maria Idali Torres
- 16 Prevention for Children with Disabilities Ellen J Shaman
- 17 Evaluating Prevention Education Programs Jon Conte
- 18 New Myths about Child Sexual Abuse Mary Ellen Stone and
- 19 Implications for Theory, Research and Practice David Finkelhor

Also included is an alphabetical listing of descriptions of 19 prevention program concepts. An overview of reporting what happens when a report is made, definitions, sexual abuse indicators, a bibliography, contributors, and a program index are appended. NB

Preventing Child Sexual Abuse Sandy K. Wurtele, Cindy L. Miller-Perrin, 1993-01-01 The past decade has seen a dramatic increase in the attention paid to the problem of child sexual abuse. Professionals from the social work, mental health, medical, academic, and legal fields are all involved in researching the prevalence, causes, and consequences of abuse. Child sexual abuse is multidimensional; it is determined by forces at work in victims and offenders in the family and in the community and society at large. Thoroughly researched, Preventing Child Sexual Abuse surveys incidence and prevalence, studies risk and protective factors in abuse, discusses various indicators of abuse, and reports on legislation related to abuse. It reviews preventive programs aimed at children and adults and provides suggestions for an expanded involvement of parents, professionals, policymakers, researchers, and the general public. In doing so, it provides the information needed to create prevention programs that attack the problem on several fronts at once.

The Role of Educators in Preventing and

Responding to Child Abuse and Neglect Cynthia Crosson-Tower, 2003

Prevention: What Works with Children and

Adolescents? Alan Carr, 2006-02-06 Prevention What Works with Children and Adolescents deals with the prevention of

psychological problems which are of central concern to those who fund and develop health social and educational services for children adolescents and their families Problems addressed in this book include developmental delay in low birth weight infants and socially disadvantaged children adjustment problems in children with sensory and additional disabilities and autism challenging behaviour in children with intellectual disabilities physical and sexual abuse bullying adjustment problems in children with asthma and diabetes teenage smoking alcohol use and drug abuse teenage pregnancy STDs and HIV infection post traumatic adjustment problems and adolescent suicide Conclusions drawn in this book are based on the results of over 200 rigorously conducted studies of more than 70 000 children

Constructing and Reconstructing Childhood Allison James, Alan Prout, 2003-09-02 First published in 1997 Routledge is an imprint of Taylor Francis an informa company

Understanding and Preventing Child Sexual Abuse Christopher Bagley, Wilfreda E. Thurston, 1996 This work deals with the issues surrounding child sexual abuse and is aimed at practitioners in social work psychology and medicine students in professional fields and researchers

Return of the Furies Hollida Wakefield, Ralph C. Underwager, 1994 Recovered memory therapy which has become a rapidly growing industry in the past ten years is based on the controversial theory that adults often suffer emotional problems because of forgotten childhood traumas People who experience everyday difficulties like anxiety of overeating are now often told by therapists that the root of their trouble is a repressed memory of abuse in childhood The cure is to bring back the memory a process that usually takes many months and then publicly humiliate the alleged perpetrators of the abuse most often the victim s parents But are the supposed memories recovered in therapy genuine Or are they concocted by therapists and clients in the course of therapy Attempts to find independent corroboration of recovered memories have drawn a blank Contrary to folklore there is not a shred of scientific evidence for the notion that a memory can be repressed and there is plenty of evidence that false memories can be created

Abused Boys Mic Hunter, 1991-06-25 A long overdue book by a psychologist who has extensive clinical experience treating male victims of child sexual abuse it explodes the myth that sexual abuse of male children is rare or that the consequences are less serious than for girls Hunter examines the physical and emotional impact of abuse on its victims and the factors affecting recovery With personal case histories of victims and their families this is a powerfully written and meticulously researched book that is a landmark in the field of child sexual abuse literature

The Psychological and Social Impact of Disability Robert P. Marinelli, 1999 Marinelli and Dell Orto continue the premise of their earlier editions of this widely adopted text and present a realistic perspective on disability Carefully selected articles and personal narratives capture the unique aspects of the psychological and social effects of disability Formatted to include thought provoking study questions and disability awareness exercises this text is recommended for students in rehabilitation counseling and physical therapy education programs as well as professionals in rehabilitation psychology and social work

TWELVE COUNSELING PROGRAMS FOR CHILDREN AT RISK Susan T. Dennison, 1989-01-01 The school counselor and related mental health professional is provided

with structural curricula for treating twelve specific problem areas of children with step by step guides for planning and conducting therapy Over 150 assessment instruments 120 session themes 30 techniques and 150 related resources greatly reduce planning and research time While written primarily for children counselors the book is easily adapted by speech language pathologists art therapists and for training the beginning therapist The book targets children at risk with emotional problems but covers secondary difficulties physical handicaps neurological impairments learning disabilities hyperactivity mental retardation or a combination of these *A Humanistic Approach to Health Promotion* David R. Buchanan, 2020-11-25

This book presents a distinct ethically robust framework for improving population health when the major causes of disease death and disability are closely associated with human behaviors Rather than relying on a scientific technological strategy aimed at developing ever more powerful and effective techniques for changing behaviors a humanistic approach recognizes the unique human capacity for dignity and moral decision making As an essential alternative to the scientific assumption of determinism a humanistic framework is based on the equally viable assumption that human beings have the capacity to exercise autonomy in pursuing their life plans If people can choose how they want to live their lives then it is imperative to respect and cultivate their autonomy in making health promoting decisions A scientific approach is unsurpassed at identifying effective means for stopping and killing bacteria the same methods are not appropriate however when the objective is to alter human behavior In a humanistic framework it is important to acknowledge that autonomous choices are not completely unrestrained the human condition has significant physical and social limitations and that certain readily identifiable social groups face much greater constraints than others most significantly due to poverty and racism As explained and justified in this book the most important task for health promotion is to promote autonomy and to do this by redressing the hugely disparate yet corrigible barriers faced by people occupying distinct social positions This project is a matter of social justice not a scientific and technological problem to be solved but a moral and political endeavor to engage fellow citizens in strengthening our social institutions to enable everyone to realize their innate capacities to the fullest extent possible The book provides ethical standards case studies and concrete practical analogies to demonstrate the feasibility and benefits of moving the field of health promotion in a new humanistic direction Special Children, Special Risks James Garbarino, 2017-09-29

How does one investigate a child maltreatment case when the victim is blind mute deaf mentally retarded or confined to an institution *Special Children, Special Risks* presents analysis recommendations and related research from social work psychology psychiatry medicine and education essential for establishing and maintaining safe environments for handicapped children This book brings together a diverse group of experts to pool their knowledge and share their concerns about the risks of abuse faced by handicapped children The contributors perspectives come from the fields of medicine social work developmental psychology psychiatry clinical psychology education child welfare law public policy and journalism **Special Children, Special Risks** Jr. Fleron, 2017-09-29

How does one investigate a child

Rape Of The Innocent Juliann Whetsell Mitchell,2023-01-06 Written for mental health professionals crisis hot line workers educators and clergy this resource discusses how to prevent and recognise child sexual abuse and what to do if abuse is suspected The content covers many settings in which sexual abuse may occur including the home day care and group settings A special section addresses abuse of minority children and those who are handicapped The author has also included a glossary of terms relevant to the study and prevention of abuse

Can't Buy My Love Jean Kilbourne,2012-06-26 When was the last time you felt this comfortable in a relationship An ad for sneakers You can love it without getting your heart broken An ad for a car Until I find a real man I ll settle for a real smoke A woman in a cigarette ad Many advertisements these days make us feel as if we have an intimate even passionate relationship with a product But as Jean Kilbourne points out in this fascinating and shocking expos the dreamlike promise of advertising always leaves us hungry for more We can never be satisfied because the products we love cannot love us back Drawing upon her knowledge of psychology media and women s issues Kilbourne offers nothing less than a new understanding of a ubiquitous phenomenon in our culture The average American is exposed to over 3 000 advertisements a day and watches three years worth of television ads over the course of a lifetime Kilbourne paints a gripping portrait of how this barrage of advertising drastically affects young people especially girls by offering false promises of rebellion connection and control She also offers a surprising analysis of the way advertising creates and then feeds an addictive mentality that often continues throughout adulthood

Child Sexual Abuse Aminabee Shaik,Suguna Leelavathi Thota,Lakshmana Rao Atmakuri,2024-06-25 This book is about child sexual abuse in India Child sexual abuse CSA is a serious and wide spread problem in India as it is in many parts of the world today The trauma associated with sexual abuse can contribute to arrested development as well as a host of psychological and emotional disorders that some children and adolescents may never overcome This edited book discusses the nature and incidence of the sexual abuse of minors in India and presents an overview of research findings to date Socio cultural and familial risk factors involved in CSA are discussed Common symptoms and disorders associated with sexual abuse are outlined The book also provides guidance on child protective services coordinated response in preventing child abuse mental health and law enforcement Finally it discusses cognitive behavioral interventions to overcome the trauma caused due to sexual abuse

Classroom Behavior Management for Diverse and Inclusive Schools Herbert Grossman,2004 This text utilizes a three stage approach to

classroom behaviour management to assist teachers to avoid behaviour problems manage those that cannot be avoided and resolve those that cannot be managed *Primary Prevention in Mental Health* Edison J. Trickett, Cerene Cahiyal, Cerene Dahiyat, Peter M. Selby, 1994
