The Last Romantic: A life of Eric Maria Remarque Hilton Tims,2013-09-19 Few books have made so great an impact political or literary as Erich Maria Remarque s All Quiet on the Western Front the most famous of all anti war novels Startling in its realism intensely moving in its humanity banned and burned in Germany by the Nazis it was an international publishing sensation that has never been equalled and has remained a worldwide bestseller for more than seventy years But who was Remarque While the title of his masterpiece has entered the language as a catchphrase the name of the author is virtually unknown In this first British biography Hilton Tims peels away the veil of anonymity Remarque wove to protect his privacy to reveal a man whose life was one of the most romantic and anguished of the twentieth century Remarque was a self made man born into a poor family he moulded himself into a connoisseur of art whose collection became one of the finest in Europe and an author whose novels brought him wealth fame and vast readership He was also the lover of some of the world s most desirable women At the core of his life was a long lasting affair with Marlene Dietrich who helped him to flee from the Nazis as Europe went to war Arch of Triumph the bestseller he wrote while a stateless migr in Hollywood was inspired by the ecstasy and torment Dietrich caused him Other lovers included Greta Garbo Dolores del Rio Maureen O Sullivan the Jane of the Tarzan films the tragic Lupe Velez the double Oscar winner Luise Rainer and Paulette Goddard who became his second wife Behind the glamour he was a troubled man haunted by the political fall out from his famous book an embittered exile from the Germany he loved tortured by the infidelities of his first wife and by the fate of his

favourite sister who paid a terrible price in his name at the hands of the Nazis In Germany the country that reviled him for most of his life Remarque is today acclaimed as a literary giant The rest of the world has forgotten him Hilton Tims has succeeded in creating a potent and fascinating reminder **New York Magazine** ,1973-11-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1982-12-20 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine** ,1973-11-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Association of America and the Catholic Legion of Decency first in 1953 by refusing to remove the words virgin and pregnant from the dialogue of *The Moon Is Blue* he released the film without a Production Code Seal of Approval and then two years later when he dared to make *The Man with the Golden Arm* about the then taboo subject of drug addiction When he made *Anatomy of a Murder* in 1959 the censors objected to the use of the words rape sperm sexual climax and penetration Preminger made one concession substituting violation for penetration the picture was released with the seal and marked the beginning of the end of the Code Hirsch writes about how Preminger was a master of the invisible studio bred approach to filmmaking the so called classical Hollywood style lengthy takes deep focus long shots of groups of characters rather than close ups and reaction shots He shows us Preminger in the 1950s becoming the industry's leading employer of black performers his all black *Carmen Jones* and *Porgy and Bess* remain landmarks in the history of racial representation on the American screen and breaking another barrier by shooting a scene in a gay bar for *Advise and Consent* a first in American film Hirsch tells how Preminger broke the Hollywood blacklist when in 1960 he credited the screenplay of *Exodus* to Dalton Trumbo the most renowned of the Hollywood Ten and hired more blacklisted talent than anyone else We see Preminger's balanced style and steadfast belief in his actors underacting set against his own hot tempered personality and finally we see this European born director making his magnificent films about the American criminal justice system *Anatomy of a Murder* and about the American political system *Advise and Consent* Foster Hirsch shows us the man enraging and endearing and his brilliant work
