What God's Word Says About It Cindy Schwartz-Jones, 2022-06-28 As a minister's wife I had spent countless hours of intimate moments with the Lord studying and reading listening bible studies with my husband and God always seems to have me writing on deep issues about things that are impacting individuals today or our world or lifestyle as a Christian and how we must really align them with the word of God. This book is a compilation of all my writing in the last few years all in one on strong topics that we deal with and what God's word directly says about it and want to make sure that your salvation is secure and your destination is heaven and not get caught up in all the distractions. I pray that this book is an eye opener and that your salvation be secured so we all can enjoy our Lord and Savior in Heaven together. He is coming back soon. This is a MUST read book. Cindy Schwartz Jones **The Wiersbe Bible Commentary: New Testament**, Whether you are a pastor, teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning. Developed from Dr. Wiersbe's popular Be series of Bible study books, this commentary carefully unpacks all of the New Testament. The Wiersbe Bible Commentary: New Testament offers you Dr. Wiersbe's trustworthy insights on the entire New Testament. New Biblical images, maps and charts. Introductions and outlines for each book of the Bible. Clear readable text that's free of academic jargon. Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures. It's the trusted reference you'll love to read. **Life-study of James and the Epistles of Peter** Witness Lee, 2023-09-27 In Life study of James, Witness Lee emphasizes two key points related to the Epistle of James: first, that the believers must progress in practical Christian perfection, and second, that the believers must be careful not to cultivate such perfection without a clear vision concerning the law and grace of God in God's New Testament economy. In Life study of First Peter, he describes the Christian life under the government of God with its high demand, and in Life study of Second Peter, he details the divine provision that supplies the believers with all that they need to meet that high demand. *Why Do You Believe the Bible to be the Word of God?* Josiah Bateman, 1851 **The Collected Works of**

God's Mystery That Is Christ Seok Lyun Chang Soppe, 2014-04 At some point during our religious maturation we have to ask ourselves how much do we really know God What phase is our faith in And are we spiritually dead or alive This book was written for those on a quest to make a connection with God The purpose of this book is to support the readers relationship with Christ It is meant to be read along with The Holy Bible and not in place The objective is to stir our preconceptions about biblical truths so that we may be able to discern God's intent with the Spirit of Truth When people read the Bible receptively they will find that it gives a feeling of transcendence This book is a great guide for the spiritually thirsty It is a must read for all those seeking the Truth The deep intentions within God's Word are revealed to those who eagerly search for it Rev B So Jin Church of True Life

How do You Know it's God? Lynn McChlery, 2021-05-30 Much of the conversation and concern of churches and of Christian individuals is centred around Christian discernment or knowing God's leading in decision making The language we use around these moments is fluid and often feels inadequate ask someone how they know what God might be saying in a given situation and they may well reach for the phrase I just know In How Do You Know it's God Lynn McChlery draws on ethnographic research amongst those in different kinds of discernment processes along with theological spiritual and psychological insights to try and understand this phenomenon of insight or just knowing Challenging the perception that such intuition needs to be marginalised and removed from discernment conversations McChlery suggests that instead intuition can and should be intentionally matured both individually and in communities and that it can be verified articulated

and recorded in forms appropriate to its own mode of insight It is a vital new contribution to the scholarship for all practical theologians researching ecclesiology vocation group dynamics in churches and communal decision making processes of any kind
