**Sobre ética y economía** Amartya Sen, 1999 CONTENIDO Comportamiento económico y sentimientos morales Valoraciones económicas y filosofía moral Libertad y consecuencia      **Horizontes de economía ética** Jesús Conill Sancho, 2013-05-14 Vivimos bajo el signo de un imperialismo económico que se encarna en los procesos de globalización Pero voces autorizadas denuncian el fracaso de la economía como paradigma para resolver los problemas más graves de la humanidad y exigen una transformación ética de esa vida económica No obstante suele considerarse que economía y ética son incompatibles que a lo sumo la ética sirve de cosmética a la vida económica contribuye a darle buena imagen Es acertado este modo de ver las cosas No hay más remedio que acabar con el maquiavelismo económico y empresarial O el interés por la ética expresa el comienzo de un auténtico cambio en la concepción de la economía la empresa y los negocios Este libro se propone

*Morality in Social Life* Sergio Bastianel,2010 Bastianel views moral personal life as more than a private and individual reality Indeed one's relationship with the other is basic to the moral experience and it constitutes part of the inner unity of a free and conscious responsible person Human beings live out their relationships within the historic concreteness of life in commonality with others The historical expression of that which is morally wrong takes the form of scattered and dividing relationships with the intention of possession domination fighting and division On the other hand history shows us that the human quality of relationships effecting that which is good is expressed through acceptance and the capability of creating shared forms of life The Christian interpretation of history with its goal of community asks in each situation about the human quality of relationships and the structures of social life This book addresses the interconnections between personal morals and social justice raising fundamental questions about political life and economics about hunger and development about common good and institutions
