Modern Frauds And Con Games Tony Lesce,2002-07-01 Fraud is the fastest growing industry in the world which is why it s become a global trillion dollar problem The main reason is that it s low risk compared to other crimes Overall the apprehension rate is about three percent and the conviction rate about one percent This volume describes dozens of frauds many of which are not even illegal but do involve deception for economic gain This book will shed light on the new frauds and con games with an extensive chapter on steps you can take to reduce your vulnerability to fraud No book on fraud can be the final word but this will help you protect yourself and your family The Advocate ,2003-08-19 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States The Con James Munton,Jelita McLeod,2023-06-14 A fascinating informative and highly entertaining primer on the various ways the uninitiated may find themselves ripped off by a con artist Publishers Weekly No one thinks it can happen to them but Americans are forty times more likely to be defrauded than to have their cars stolen or their homes burgled Con artists ruin people financially and emotionally leaving in their wake a trail of destruction broken hearts and deflated dreams The first step to combating fraud is to understand it What do scams look like Why are they effective The next step is to take action How can we protect ourselves and our families The Con How Scams Work Why You re Vulnerable and How to Protect Yourself informs and engages with accessible stories of ordinary people from all walks of life thrown into unexpected and disorienting circumstances The book goes behind the scenes of real world cons to examine the logistics and psychology that enable scams to succeed The goal is to help people understand and recognize deception and in the same way

that they avoid other potentially dangerous situations take a detour Once readers have gained a clear idea of what scams look and sound like and learned simple strategies to reduce personal risk protecting themselves will be just as instinctive as putting on a seat belt This compelling work goes a long way toward putting distance between scammers and their prey Foreword Reviews Completely fascinating and insightful Booklist *Trust Me* Gordon G. Leek, 2017-06-21 Con men swindlers snake oil salesmen carpetbaggers and plain everyday liars and cheats these names and the scoundrels behind them have been around for hundreds of years though their dodges and deceptions have been refined with the passage of time The worldwide growth of criminal fraud has mushroomed to such a degree that traditional law enforcement techniques have been unable to cope effectively with the fallout Criminal fraud is a billion dollar industry and has become a staple of organized crime rivalling drugs and prostitution as major sources of income In North America the courts and governments fail to treat these crimes with the seriousness they deserve often placing the blame on victims or at the very least making them culpable Former Calgary police detective and fraud expert Gordon Leek illustrates how a variety of frauds work and how to protect yourself from them including simple cheque scams elaborate telemarketing schemes Internet swindles and identity theft
