Economic Integration In Nafta And The Eu Deficient Institutionalility:

Economic Integration in NAFTA and the EU Kirsten Appendini, Sven Bislev, 2016-01-20 The institutions of the EU and NAFTA are critically analysed by leading American and European scholars The book covers both the general problems of building new and integrated markets and several policy areas that are related to economic integration The institutions established in both Europe and America are seen as deficient in several respects Without offering adequate replacements the economic integration projects are actually undermining some of the core institutions that serve the needs of the market economies institutions on which the integration process itself depends Ibss: Economics: 1999 Compiled by the British Library of Political and Economic Science, 2000-12-07 IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences Facing Asymmetry Kryštof Kozák, 2010 The book analyzes the concept of asymmetry in international relations on the example of United States and Mexico This bilateral relation is introduced within wider historical economic and political context It also includes a case study on perceptions of Mexico in U S media The study focuses on critical issues in bilateral relations within the context of asymmetric relations Economic integration under North American Free Trade Agreement extensive migration from Mexico to the U S and the issue of drug trafficking and drug control efforts are analyzed in this respect The concluding chapter uses the findings to conceptualize asymmetric relations and presents possible applications of the key findings to complex bilateral issues **Business, Government, and EU Accession** Elena A. Iankova, 2009-04-16 Business Government and EU Accession is a detailed study of how EU accession impacts the relationship between business and government in the acceding country Iankova identifies three major mechanisms by which the EU has affected business government interactions first the legal conditionalities and harmonization efforts for EU entry second the pre accession and anticipated postaccession financial assistance with its specific priorities and requirements and third the capacity building and learning that arises from efforts to adapt to the EU conditionalities of membership Through addressing the question of EU influence on in country institutional relationships Iankova is able to highlight patterns of Europeanization that develop in those relationships a result of the adaptational pressures of EU accession and to trace the effectiveness of these adaptive relationship in facilitating the preparedness of an EU acceding country for EU entry Using Bulgaria as a case study she examines the mechanisms of these interactions and interrogates the effectiveness of existing models in facilitating national goals of EU accession revealing difficulties with and resistances to applying an EU designed model of institutional change in postcommunist regions **Economic Integration in NAFTA and the EU** Kirsten Appendini, 1999 North America in Question Jeffrey Ayres, Laura MacDonald, 2012-09-26 Can North America survive as a region in light of the political turbulence provoked by the global economic crisis Or have regional integration and collaboration reached a plateau beyond which disintegration is likely In North America in Question leading analysts from Canada the United States and

Mexico provide theoretically innovative and rich empirical reflections on current challenges sweeping the continent and on the faltering political support for North American regionalism This collection begins by reviewing the recent trajectories and events that have undermined North America s trilateral relationship then addresses concerns that go beyond NAFTA and economic issues including labour immigration energy the environment quality of citizenship borders women s and civil society struggles and democratic deficits Although demonstrating that many informal dimensions of North American integration continue to flourish the contributors assess whether the future will hold greater economic instability security crises and emerging bilateral relationships

with Destiny Denis Benn, Kenneth Hall, 2000 At the beginning of the 21st Century the Caribbean faces a number of fundamental challenges which will require creative responses from the countries in the region Contending with Destiny The Caribbean in the 21st Century reflects the views of some of the leading minds in the region on possible approaches for responding to these challenges The book captures the rich array of ideas practical proposals presented by three Caribbean prime ministers scholars policymakers in both the public and private sectors the NGO community and representatives of regional institutions All but one of the papers featured in this publication were presented at the Conference on the Caribbean in the 21st Century organised by the University of the West Indies in cooperation with the CARICOM Secretariat and the Caribbean Development Bank in September 1999 **Exploring Global FinTech Advancement and Applications**

Taherdoost, Hamed, Le, Nam, Madanchian, Mitra, Farhaoui, Yousef, 2024-02-07 In the world of FinTech scholars face an overwhelming dilemma it is challenging to access comprehensive and up to date information across various regions with regards to timeliness The transformative power of FinTech driven by innovations such as blockchain AI analytics and mobile payment systems has reshaped financial transactions influenced economic growth and spurred competition among traditional financial institutions However the lack of a comprehensive scholarly resource hinders the ability of academics policymakers and industry professionals to navigate and comprehend these intricate developments The need for a centralized repository of knowledge has become increasingly urgent hindering the collective understanding of the complex dynamics of FinTech on a global scale Exploring Global FinTech Advancement and Applications stands as a groundbreaking solution to the academic community s pressing need for a comprehensive understanding of this global financial landscape Through meticulous assessments of countries across each global region each chapter delves into market size FinTech adoption rates services offered key players investments infrastructure government policies economic impacts security concerns academic research synthesis and future trends By consolidating this wealth of information the book becomes an indispensable reference guide

for scholars researchers policymakers investors and industry professionals seeking to navigate the intricate dynamics of FinTech on a global scale **The Continent of International Law** Barbara Koremenos,2016-03-29 Every year states negotiate conclude sign and give effect to hundreds of new international agreements Koremenos argues that the detailed design provisions of such agreements matter for phenomena that scholars policymakers and the public care about when and how international cooperation occurs and is maintained Theoretically Koremenos develops hypotheses regarding how cooperation problems like incentives to cheat can be confronted and moderated through law s detailed design provisions Empirically she exploits her data set composed of a random sample of international agreements in economics the environment human rights and security Her theory and testing lead to a consequential discovery considering the vagaries of international politics international cooperation looks more law like than anarchical with the detailed provisions of international law chosen in ways that increase the prospects and robustness of cooperation This nuanced and sophisticated continent of international law can speak to scholars in any discipline where institutions and thus institutional design matter

Transatlantic Transitions Imtiaz Hussain,2018-02-13 With North Atlantic post World War II transatlantic dynamics as the subject this volume inquires if its theoretical tenets hold in other epochs and Atlantic arenas Both case and comparative studies of such historical cases as the silver slave and commodity trades and whether ideas such as faith and democracy have as much impact as these merchandise flows simultaneously challenge and strengthen the transatlantic paradigm They permit transatlantic relations to be stretched as far back as to the 8th Century in turn exposing transatlantic flows hugging global threads while revealing the strength and size of several unaccounted types of transatlantic transactions such as the north south varieties **Towards a Global Polity** Morten Ougaard,Richard A. Higgott,2002 While one world government is not on the cards the globalisation of political life has progressed significantly over the last decades This volume starts out from the idea of the world as one interconnected political system **MERCOSUR y NAFTA** Susanne Gratius,2008 Destacados especialistas concluyen que tanto el NAFTA como el MERCOSUR son procesos de integraci n asim tricos sin instituciones dimensi n social y equilibrio por lo que no aportan nada m s all de la liberalizaci n comercial **Toward a North American Community** Robert A. Pastor,2001 The Mexican peso crisis struck in late December 1994 coinciding with a new Mexican administration and the end of the first year of the North American Free Trade Agreement NAFTA The crisis poignantly highlighted the success and the inadequacy of the treaty success in the expansion of trade and capital flows and inadequacy in institutional capacity The Canadian Mexican and US governments defined the agreement so narrowly that they failed to devise a mechanism that could monitor anticipate plan or even respond to such a serious problem The president of Mexico Vicente Fox has boldly proposed transforming the free trade area into a common market like Europe s In this visionary study Robert A Pastor seizes Fox s idea and maps out the paths toward making it a reality He analyzes NAFTA s successes and shortcomings extracts lessons from the European Union s 40 years of reducing disparities between rich and poor countries

and proposes ways that NAFTA can adapt and incorporate those lessons The centerpiece of the book is a detailed proposal for new institutions and North American plans for infrastructure and transportation immigration and customs and projects aimed at lifting the poorer regions This book is the first to propose a detailed approach to a North American Community different from the European Common Market but drawing lessons from its experience It will be of considerable interest to policymakers as well as researchers and students of international political economy world trade and foreign affairs

Community, Diffusion, & North American Expansiveness Imtiaz Hussain,2008 Ruth Schonthal Martina Helmig,A.

Imtiaz Hussain,2006 A monograph about Ruth Schonthal the internationally renowned composer whose works are performed worldwide Parts of this work are based on conversation that the author conducted with Ms Schonthal It has also been a contribution to exile research concerned with artists that fled from Nazi Germany in their childhood **Globalization,**

Regionalization, and Domestic Trajectories in the Pacific Rim Arturo Santa Cruz,2004 *Regionalism and the State* Mr Gordon Mace,2013-03-28 Empirically rich with highly detailed case studies on the North American Free Trade Agreement NAFTA this comprehensive volume studies the relationship between regionalism and state behavior The traditional pattern of past studies of regionalism and regional integration has been to understand how state strategies molded the dynamics of an integration process This study examines the impact of regionalism on the policy preferences of member states This volume offers three theoretical contributions an empirical test of the convergence hypothesis studies of institutions and their impact on domestic politics an examination of foreign policy preferences and the neo functionalist concept of spill over Recommended reading for students of regionalism international political economy international trade foreign policy and North American studies *Governed by Accession?* Elena Atanassova Iankova,2001
