*The Global Architecture of Multilateral Development Banks* Adrian Robert Bazbauers, Susan Engel, 2021-03-11 This book explores the evolution of the 30 functioning multilateral development banks MDBs MDBs have their roots in the growing system of international finance and multilateral cooperation with the first recognisable MDB being proposed by Latin America in financial cooperation with the US in the late 1930s That Inter American Bank did not eventuate but was a precursor to the World Bank being negotiated at Bretton Woods in 1944 Since then a complex network of regional sub regional and specialised development banks has progressively emerged across the globe including two significant recent entrants established by China and the BRICS MDBs arrange loans credits and guarantees for investment in member states generally with the stated aim of fostering economic growth They operate in both the Global North and South though there are more

MDBs focusing on emerging and developing states While the World Bank and some of the larger regional banks have been scrutinised little attention has been paid to the smaller banks or the overall system This book provides the first study of all 30 MDBs and it evaluates their interrelationships It analyses the emergence of the MDBs in relation to geopolitics development paradigms and debt It includes sections on each of the banks as well as on how MDBs have approached the key sectors of infrastructure human development and climate This book will be of particular interest to researchers of development finance global governance and international political economy

**Socializing Development** Leon Valentin Schettler, 2020-09-04 As Multilateral Development Banks increasingly gained influence in shaping global development transnational social movements pushed to hold them accountable for their human rights impact towards communities Leon Valentin Schettler presents a novel causal mechanism of movement advocacy towards MDBs combining disruptive and conventional tactics Systematically comparing the evolution of human rights standards and complaint mechanisms over the last three decades he reveals how the combination of 1 declining US hegemony 2 counter mobilization by China and 3 movement cooptation by the World Bank bureaucracy led to a dilution of human rights accountability in the 2010s

*The Handbook of Community Practice* Marie Weil, Michael Reisch, 2005 Encompassing community development organizing planning and social change as well as globalisation this book is grounded in participatory and empowerment practice The 36 chapters assess practice theory and research methods

**Noam Chomsky's Discourse on Globalization and U.S.: Imperialism** Ashok Antony D'Souza, 2012-01-01 Noam Chomsky a world renowned linguist philosopher and outspoken critic of US foreign policy and the media has consistently written and spoken about the dangers of the nexus between US imperialism and Neo liberalism This book explores if the experiences of social activists in India corroborate major tenets of Chomsky's discourse on globalization and US imperialism The work although stems primarily from the area of professional social work is interdisciplinary in nature and would be of interest to anyone interested in understanding the dynamics and politics of development in India

[Africa and the North](#) Ulf Engel, Gorm Rye Olsen, 2004-11-10 This volume discusses Africa's place in the international system examining how the Westphalian system in light of the impact of globalization and transnational networks continues to play a major role in the structuring of Africa's international

**Rethinking Multilateralism in Foreign Aid** Viktor Jakupec, Max Kelly, Jonathan Makuwira, 2020-04-23 This edited book provides a contemporary critical and thought provoking analysis of the internal and external threats to Western multilateral development finance in the twenty first century It draws on the expertise of scholars with a range of backgrounds providing a critical exploration of the neoliberal multilateral development aid The contributions focus on how Western institutions have historically dominated development aid and juxtapose this hegemony with the recent challenges from right wing populist and the Beijing Consensus ideologies and practices This book argues that the rise of right wing populism has brought internal challenges to traditional powers within the multilateral development system External challenges arise from the influence of China and regional development banks by providing

alternatives to established Western dominated aid sources and architecture From this vantagepoint Rethinking Multilateralism in Foreign Aid puts forward new ideas for addressing the current global social political and economic challenges concerning multilateral development aid This book will be of interest to researchers academics and students in the field of International Development and Global Governance decision makers at government level as well as to those working in international aid institutions regional and bilateral aid agencies and non governmental organisations

**Corruption and governance in Asia** J. Kidd,F. Richter,2002-11-14 This book delves into the nature of governance in Asia both at government and corporate level It reviews the history and suggests potential solutions for years of underperformance due to the corrupt practices that have developed because of a poor understanding of corporate governance The authors are experts in practices in Asia and their views are expressed in a sympathetic manner at no time insisting that a western model of governance is correct Instead the authors advise local models appropriate to the state of development and suggest that individual countries institute behavioural models that will mature as nations quickly develop in an increasingly global world

*Globalization* Greg Buckman,2013-04-04 This book gives the lie to the claim that globalization is irreversible and irresistible Greg Buckman argues there are two broad approaches within the anti globalization movement explaining the details of each school s outlook their weaknesses where they disagree their common ground and where they might come together in campaigns
