Globalization Localization And Sustainable Livelihoods:

Globalisation, Localisation and Sustainable Livelihoods Geoffrey Lawrence, Reidar Almas, 2018-02-06 This title was first published in 2002 One of the greatest concerns facing the world is how to ensure that sustainable outcomes are generated as globalization proceeds apace Quite simply many people are finding their life chances deteriorating with resistance to globalization being a common response The question is is it possible to guarantee sustainable livelihoods for individuals families and communities as global processes increasingly shape local social relations This volume is a collection of 16 chapters from leading rural sociologists and human geographers based in Europe Australasia and the Americas The book in three parts deals with globalization and food the restructuring of local agriculture and communities and resistance in a globalizing world The introduction to the book compares and contrasts the various experiences of communities in countries such as Australia Brazil Finland Norway South Africa and the United States as they struggle to cope with globalization and its effects Each chapter discusses options to ameliorate the local consequences of global change **Globalization,**

Localization and Sustainable Livelihood Leo J. de Haan, 2003 **Globalization and Development** Don Kalb, Wil Pansters, Hans Siebers, 2007-05-08 This book is a collective effort on the part of researchers affiliated with the CERES Research School in Development Studies in the Netherlands to discuss a series of themes and concepts crucial to the overlapping fields of globalization and development research While development in the course of the 1980s and 1990s was becoming hinged onto globalization prior approaches to development were increasingly being criticized An impasse was announced by various actors in the field and renewed reflection on some of the basic concepts and methods became inevitable Much of the initial rethinking went under the sign of postmodernism and tended to give priority to micro and actor centered research Later with the emerging discussion on globalization new macro dimensions were added and efforts were launched to articulate local global approaches This book discusses a set of key themes and concepts that reflect these intellectual and historical developments Used by politicians and researchers they reflect the continuing concern about inequality and poverty by students and practitioners of development and contain crucial perspectives for a critical engagement of current globalization processes and their consequences The chapters in this book examine the notions and issues of globalization livelihood identity governance transnationalism and knowledge Encyclopedia Of The Global
