Butts, 2016-04-11 America is in a downward spiral spiritually morally and economically A weakened Church seems to make no impact on society Is there still hope for America Yes Most Christians believe that much prayer is needed for America But most do not know how to pray in an effective way that will release the power of God on behalf of our nation Weaving together Scriptures and stories from America's past With One Cry confronts our current situation and provides hope for our future But we as believers must pray Above all With One Cry will inspire you and equip you to pray God's purposes for our nation Will you accept the challenge Together as God uses our prayers the course of our nation and history can be changed Revivals.

Awakening and Reform William G. McLoughlin, 2013-03-06 In *Revivals Awakenings and Reform* McLoughlin draws on psychohistory sociology and anthropology to examine the relationship between America's five great religious awakenings and their influence on five great movements for social reform in the United States. He finds that awakenings and the revivals that are part of them are periods of revitalization born in times of cultural stress and eventuating in drastic social reform. Awakenings are thus the means by which a people or nation creates and sustains its identity in a changing world. This book is sensitive thought provoking and stimulating. It is must reading for those interested in awakenings and even though some may not revise their views as a result of McLoughlin's suggestive outline none can remain unmoved by the insights he has provided on the subject. *Christian Century*. This is one of the best books I have read all year. Professor McLoughlin has again given us a profound analysis of our culture in the midst of revivalistic trends. **Review and Expositor** **Big Things Start Small** Joe M. Easterling, 2021-12-01 History indicates that small group gatherings have been powerfully influential in igniting Christianity's most famous spiritual awakenings. In this groundbreaking study Joe M. Easterling explores Christianity's four most significant awakenings and how small groups have influenced the rise and sustainability of each. As readers encounter the incredible accounts of how God transformed individuals communities and even nations through the movement of his Spirit they will discover that small groups have been there all along as one of revival's most indispensable contributors. More importantly readers will learn some common characteristics of the small groups during these awakenings and how they may be used in small groups of churches today in hopes that a spiritual awakening may ignite once again. **Subject Guide to Books in Print**, 1991 End of Days Wendell G.
