The Soul of the Moving Picture Walter Julius Bloem,1924 The motion picture is art for the masses it is mass art

Sectarianism chilly aestheticism attempts at escape from inadequate culture these are not known to the motion picture Art for the masses art for the money That is the entire story But does art for the masses mean art such as the masses themselves would create Rabble art The film in which the plebeian soul alone takes interest and from which it derives pleasure is not a good film Nor is that a good film which is understood only by the aesthetic soul To be good satisfactory excellent a film must carry along with it and enrapture all those whose hearts are simple and those whose hearts are intricate complex full of intertwined sensations To do this is hard If and when done it is done through the medium of great art Introduction **The Moving Image Workshop** Heather D. Freeman,2017-07-06 If you need a fun hands on introduction to core animation techniques then look no further Heather Freeman guides you through a wide range of practical projects helping you establish and build skills in narrative animation motion graphics and visual effects Each chapter begins by summarizing historical and theoretical concerns and connecting them with current practice and applications all beautifully illustrated with stills from classic commercial and independent films as well as contemporary examples from student work Having established this context the remainder of the chapter focuses on walking readers through their own creative projects Topics covered include early animation technologies and techniques scenes and staging character animation animated type visual effects and motion graphics pre through post production and experimental approaches to motion graphics Dozens of sample files are available online for experimentation and to get readers started on each exercise The companion website also includes example animations as well as links to recommended software tutorials recommended artist websites blogs and animation channels
