Go Ye and Teach Ralph Cottrell,1971      *The Metropolitan Tabernacle Pulpit* Charles Haddon Spurgeon,1862      **The Family treasury of Sunday reading, ed. by A. Cameron (W. Arnot). [Continued as] The Christian monthly and family treasury** rev Andrew Cameron,1861      *Word and work, ed. by C.R. Hurditch* Charles Russell Hurditch,1886      The Complete Works of C. H. Spurgeon, Volume 7 Spurgeon, Charles,2015-02-24 Volume 7 Sermons 348 426 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to republish the complete works of Charles Spurgeon      *The Christian Entirely the Property of Christ, in Life and Death* Johannes van der Kemp,1810      **Church Review and Ecclesiastical Register** Nathaniel Smith Richardson,John

McDowell Leavitt, Edward Brenton Boggs, Henry Mason Baum, 1883     **For the Poor** ,2002     *From the Sepulchre to the Throne* Madame Cecilia, 1914     **The Gospel Trumpet** ,1914     Twenty-four Discourses Nathan Perkins, 2022-09-16

In Twenty four Discourses Nathan Perkins presents a profound exploration of philosophical themes intertwined with practical wisdom delivered through a series of meditative essays Each discourse serves as an intellectual foray into topics ranging from ethics to human existence characterized by Perkins contemplative prose and incisive reasoning This work is situated within the broader context of 19th century American transcendentalism drawing inspiration from figures like Emerson and Thoreau while also pushing the boundaries of thought in grounding abstraction with personal reflection Nathan Perkins a scholar and philosopher was deeply influenced by the intellectual currents of his time weaving elements of transcendental philosophy into his writings With a firm belief in the inherent goodness of humanity and the pursuit of truth Perkins channeled his experiences and observations into this collection seeking to inspire readers to engage with their thoughts and societal issues His academic background and involvement in philosophical circles lent him a distinctive voice in an era rich with ideological debates For readers seeking an engaging and thought provoking journey through the complexities of human thought Twenty four Discourses is highly recommended Perkins ability to resonate with the contemporary quest for meaning and understanding makes this work both timely and timeless inviting reflection and dialogue in a world yearning for clarity

**The Great Commission** William Mashao, I consider this book to be a vital contribution to the body of Christ While we often embrace gifts of the Spirit such as prophecy healing and apostolic ministry in church we often neglect one of the most important gifts that grows the Church which is soul winning The Great Commission is not an option that believers can choose whether to do or not It is the obligation of every believer to preach the gospel in every season and to every lost soul This book provides a clear and sound explanation of the importance of growing the kingdom of God by fulfilling the Great Commission It outlines the Great Commission starting with the command to go ye to the world and preach the gospel to the lost It also emphasizes the importance of discipling the souls won to ensure that they conform to the image of Christ and become representatives of the Kingdom on earth     Woman's Work for Woman and Our Mission Field ,1889

**Penetrating God's World with the Gospel of Christ** Bennie Simmons, 2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you     *Albert Gardner*
