Goal Pathways Via Biblical Passage:

Goal Pathways Georgia Cottrell, 2005-01-01 Goal Pathways is a collection of biblical illustrations that examines the conduct of travelers on eternity's path as they strive to attain their goals. The author does not emphasize the final destination but rather focuses on the individual's motive for the goal and their course of action taken to obtain the desired result. Each story from Abraham to Nebuchadnezzar amplifies the scriptures and reveals that the conduct of ancient Bible characters in Goal Pathways parallels the conduct of present-day man or woman. Then, as now, an emotional spectrum of love and sincerity to hatred and greed influence human choices made in the pursuit of the countless goals in this life. The fifty-two biblical accounts are referenced with the corresponding scriptural address to aid in daily devotions, Bible studies, or classroom instruction.

Discover Your Divine Purpose Margaret Mutandwa, 2017-09-22 A divine pathway recoups the neglected youths suffering from broken hearts the victimized parents and all those who are vulnerable to abuse despite their age Ironically without judging everybody is biblically guiltless Regrettably conspiracy and disorderly pressure from community is tarnishing lives of the young generation Some children are victims of decisions made by parents and it has affected their lives though with some it is by own choice and peer pressure from bully friends The devil is also gravely flirting with teenagers corrupting their mindset through social media especially internet Teenage pregnancy drugs magazines and bullying the innocent is the devil's work because teenagers of today are the witnesses of coming of Christ Knife and gun gangs are roaming the world streets at an unprecedented rate and fear of muggers is tormenting and crippling the society 24/7 Some single parents blame their status because of the behaviour of their children Some couples are also failing to control their teenage children As a result the Victorian times of high opinion of elders is now regarded as a thing of the ancient Parents are neglecting their children because of parenting ineffectiveness and at times out of fear Presumably lacking of common ground with teenage children is a grey area impediment As a parent I urge all parents by the love of Christ to amalgamate and save the young generation from the spineless world for today is their tomorrow Truthfully only the incorruptible Spirit of God can regenerate the bruised inner being of the deprived teenagers that is if their passion is Christ like The same Spirit moulds parents to be real models to youths Every day is a learning curve No one is perfect and learning does not end Parents should not blame themselves or the children for bad behaviour though there is always a cause They should leave no stone unturned and find the root cause first
