Liberal Protestantism and Science Leslie A. Muray, 2007-12-30 Many students and members of the public who follow news reports on science and religion may think that Protestantism and science are in conflict But while evangelical attacks on evolution may make the headlines many mainstream Protestant groups have long embraced science and the scientific worldview This volume in the Greenwood Guides to Science and Religion covers those Protestant thinkers who seek to use the insights of science to further their understanding of religion and faith In addition the volume will also discuss such trends at the liberal protestant acceptance of evolution the advent of ecotheology and the Social Gospel The volume includes a selection of primary source documents a glossary and a timeline and an annotated bibliography of the most useful resources for further research

Am I Still My Brother's Keeper? Robert Wafawanaka, 2012-04-05 What does the Bible say about poverty and our responsibility toward the poor This book examines the concept of brother's keeper in both the ancient Near East and the biblical world Wafawanaka contends that biblical Israel failed to play the rightful role of brother's keeper and claims that we too have strayed from this responsibility Am I Still My Brother's Keeper reveals what we can learn about poverty from a biblical context and how we might appropriate those insights to fight poverty in our own communities Beginning with the biblical mandate in Deuteronomy 15 Wafawanaka surveys the Hebrew Scriptures and challenges those with power and resources to reevaluate their response to the poor Failure to revisit the notion of brother's keeper threatens to create a society that is increasingly disenfranchised and unjust A glance at our world in light of biblical history suggests

that poverty is an endemic global problem that requires a radical global solution

Black Theology USA and South Africa Dwight N. Hopkins, 2005-12-01 Black theology continually poses a challenge to Christian witness and faith Through a critical analysis of leading religious thinkers Dwight N Hopkins explores the fundamental differences and similarities between black theology in the United States and black theology in South Africa and asks What is the common denominator between the two Part I examines the historical political cultural and theological background of contemporary black theology in both countries Hopkins delves into the distinctive situation of each country focusing on civil rights black power and related political cultural and theological themes in the United States and on civil disobedience black consciousness the unity of politics and culture and political cultural theological themes in South Africa Through interviews with leading black religious scholars Part II explores these theologies in depth Contrasting the cultural theological trend with the political theological trend in the USA Hopkins explores the ideas of theologians Albert B Cleage James H Cone J Deotis Roberts William R Jones Gayraud S Wilmore Charles H Long Cecil W Cone and Vincent Harding In Part III Hopkins examines the same two trends cultural theological and political theological in South Africa Here the focus is on the impact of black consciousness and Soweto and the works of Manas Buthelezi Allan Boesak Simon S Maimela Frank Chikane Bonganjalo C Goba Itumeleng J Mosala Takatso A Mofokeng and Desmond M Tutu Part IV brings black theology USA and black theology South Africa into dialogue Hopkins locates the common denominator between the two theologies that they both claim the Christian gospel as the gospel of liberation for black people struggling against racism and for a holistic humanity physically and spiritually politically and culturally He concludes by looking toward future areas of development and collaboration arguing that an effective black theology of liberation must integrate politics and culture insuring that the two are equal and complementary two tributaries within the same current
