*God and the Blackman* Phil Mathias, 2005-08 The contents of this book will be difficult for some people to comprehend But if you are unprejudiced guileless audacious and of an exploring personality then your curiosity should be evoked beyond your wildest expectations It is definitely not for the fainthearted and without any reservations not for those who are of the belief that all they are in knowledge of must be the truth Many things which have had factuality confer to it in the past has oftentimes at a later date turned out to be anything but fact So read this book open mindedly and judge not its contents based on teachings of yesteryear but on the realities which we are daily confronted with especially as black people in today's world Phil Mathias      **Message to the Blackman in America** Elijah Muhammad, 1973-11-07 According to countless mainstream news organs Elijah Muhammad by far was the most powerful black man in America Known more for the students he produced like Malcolm X Louis Farrakhan and Muhammad Ali this controversial man exposed the black man as well as the world to a teaching till now was only used behind closed doors of high degree Masons and Shriners An easy and smart read The book approaches the question of what and who is God It compares the concept held by religions to nature and mathematics It also explores the origin of the original man mankind devil heaven and hell Its title Message To The Blackman is directed to the American Blacks specifically but addresses blacks universally as well      **God, the Black Man and Truth** Ben Ammi, 1982      *Say Goodbye to the Blackman Who Drains the Blackwoman* Jas Jae', Smith Lady Smith, Lady Smith, 2008 Addressing real problems concerning African American men who are not ready to love respect and to protect their beautiful African American women this work offers motivational Scriptures and features reflective sections for women to evaluate their lifestyles and relationships Practical Life      **Black God** Dr. Supreme Understanding, 2013-12-13      **The Revised Spiritual Reflections of a Blackman** David L. Walker,2011-05-26 This book of poems were written in the attempt to get Gods message out I had a heavenly encounter with God and was taken out of body mind or spirit I can not really tell which but I know it was for the purpose of uniting all people for the common good Some of these poems deals with secular life and some are written from a more spiritual venue but as Jesus use parables to explain the good and bad of our actions so have I been instructed to do as well When we dabble in things that has no profit only destruction then there is an equal reaction to all actions These words are the inspired works of God and will truly bless all that read them They will offer inspiration courage guidance and wisdom If the reader keeps an open mind and let the Holy spirit talk to their subconscious Gods words do not go away into the void but they accomplish what they are sent out to accomplish This book will have a universal appeal to all its readers and will give all readers a greater insight into the mind of the author whom happens to be a black man but more important a child of God Its purpose is to unite all races to come together as one people There is no difference between the Jew and Greek bond nor free for whosoever calls on the name of the Lord will be saved I profess we all are whosoever whether red yellow black brown or white we are all precious in Gods sight Read these poems with an open mind and a receptive heart and I guarantee you will be truly blessed by reading them as I was blessed by writing them May God bless all of his children with good health happiness and prosperity is my hearts desire and prayer **Words from God, by God Appearing to Us or Just Talking to Us, for the End Times** Apostle Frederick E. God, Harlem U.S.A. Jill Watts,1992-01-10 How did an African American man born in a ghetto in 1879 rise to such religious prominence that his followers addressed letters to him simply God Harlem U S A Using hitherto unknown materials Jill Watts portrays the life and career of one of the twentieth century s most intriguing religious leaders Father Divine Starting as an itinerant preacher Father Divine built an unprecedented movement that by the 1930s had attracted followers across the nation and around the world As his ministry grew so did the controversy surrounding his enormous wealth flamboyant style and committed angels black and white rich and poor alike Here for the first time a full account of Father Divine s childhood and early years challenges previous contentions that he was born into a sharecropping family in the deep South While earlier biographers have concentrated on Father Divine s social and economic programs Watts focuses on his theology which gives new meaning to secular activities that often appeared contradictory Although much has been written about Father Divine God Harlem U S A finally provides a balanced and intimate account of his life s work
