**Kai-man Kwan**

## **God And Other Spirits Intimations Of Transcendence In Christian Experience:**

**God and Other Spirits** Phillip H. Wiebe, 2004-04-15 Many people believe in angels and evil spirits and popular culture abounds in talk about encounters with such entities Yet the question of the existence of such spirits is ignored in the academy Even the Christian Church which one might expect to show keen interest in transcendent realities does not appear to be paying much attention In this book Phillip Wiebe defends the plausibility of the traditional Christian claim that spirits are real Wiebe examines descriptions of encounters with both good and evil transcendent beings in biblical times and in later Christian history along with recent accounts of similar experiences He argues that invisible beings can be postulated to explain events just as unobservable objects are postulated in many scientific theories Beyond supporting claims for the existence of lesser spirits such as demons and angels this empirical approach yields important results for assessing common arguments surrounding the existence of God a question that has become artificially separated from the question of spirits as such Grounding his argument in a wide range of phenomena from near death experiences to demonic possession Wiebe offers a sophisticated case for belief in God on philosophical and epistemological grounds

**The Spirit of Creation** Amos Yong, 2011-05-17 Is a pentecostal charismatic worldview defensible in light of contemporary science In *The Spirit of Creation* Amos Yong demonstrates that pentecostal thought does indeed have merit in scientific contexts What's more he argues that pentecostal charismatic views regarding the dynamic presence and activity of the Spirit of God and the pluralistic cosmology of many spirits have something important to add to the broad discussion now taking place at the crossroads of science and religion Interacting with many scientific fields of study including psychology sociology evolutionary science cosmology and more Yong's *Spirit of Creation* demonstrates the significance of pentecostal ideas to the ongoing dialogue between theology and science

*Religious Experience of the Pneuma* Clint Tibbs, 2012-04-26 This book explores the Christian religious experience of the pneuma given in 1 Corinthians 12 and 14 The experience Paul mentions in these texts as well as the mention of spirits in three different places suggest that Paul was actually writing about communicating with the spirit world

Religious Experience and the Knowledge of God Harold A. Netland, 2022-02-08 For many Christians personal experiences of God provide an important ground or justification for accepting the truth of the gospel But we are sometimes mistaken about our experiences and followers of other religions also provide impressive testimonies to support their religious beliefs This book explores from a philosophical and theological perspective the viability of divine encounters as support for belief in God arguing that some religious experiences can be accepted as genuine experiences of God and can provide evidence for Christian beliefs

**Mind and Emergence** Philip Clayton, 2004-10-29 Strong claims have been made for emergence as a new paradigm for understanding science consciousness and religion Tracing the past history and current definitions of the concept Clayton assesses the case for emergent phenomena in the natural world and their significance for philosophy and theology Complex emergent phenomena require irreducible levels of explanation in physics chemistry and biology This

pattern of emergence suggests a new approach to the problem of consciousness which is neither reducible to brain states nor proof of a mental substance or soul Although emergence does not entail classical theism it is compatible with a variety of religious positions Clayton concludes with a defence of emergentist panentheism and a Christian constructive theology consistent with the new sciences of emergence *Reclaiming Theodicy* M. Stoeber, 2005-09-15 In *Reclaiming Theodicy* Michael Stoeber explores various themes of theodicy theology that defends God in the face of evil by creatively developing a distinction between transformative and destructive suffering Emphasising the importance of human compassion and illustrating various spiritual experiences of God that are healing the book proposes a narrative of life within which one might understand suffering in relation to a personal God of ultimate power and love and suggests basic principles toward developing a politics of compassion *The Routledge Companion to Theism* Charles Taliaferro, Victoria S. Harrison, Stewart Goetz, 2013 There are deep and pervasive disagreements today in universities and colleges and popular culture in general over the credibility and value of belief in God This has given rise to an urgent need for a balanced comprehensive accessible resource book that can inform the public and scholarly debate over theism While scholars with as diverse interests as Daniel Dennett Terry Eagleton Richard Dawkins Jrgen Habermas and Rowan Williams have recently contributed books to this debate theism as a concept remains poorly understood and requires a more thorough and systematic analysis than it has so far received in any single volume *The Routledge Companion to Theism* addresses this need by investigating theism's history as well as its relationship to inquiry in the sciences social sciences and humanities and to its wider cultural contexts The contents are not confined within the philosophy of religion or even within the more expansive borders of philosophy Rather *The Routledge Companion to Theism* investigates its subject through the lens of a wide variety of disciplines and explores the ramifications of theism considered as a way of life as well as an intellectual conviction The five parts of the volume indicate its inclusive scope I What is Theism II Theism and Inquiry III Theism and the Socio Political Realm IV Theism and Culture V Theism as a Way of Life The result is a well ordered and thorough collection that should provide a wide spectrum of readers with a better understanding of a subject that's much discussed but frequently misunderstood As the editors note in their Introduction while stimulating and informing the contemporary debate a key aim of the volume is to open new avenues of inquiry into theism and thereby to encourage further research into this vital topic Comprised of 54 essays by leading scholars in philosophy history theology religious studies political science education and sociology *The Routledge Companion to Theism* promises to be the most useful comprehensive resource on an emerging subject of interest for students and scholars

***The Image of God in the Theology of Gregory of Nazianzus*** Gabrielle Thomas, 2019-06-06 Provides the first full length analysis of Gregory Nazianzen's multifaceted account of the image of God against the backdrop of biblical themes

*Intuitive Knowing as Spiritual Experience* Phillip H. Wiebe, 2015-09-16 This book is Wiebe's defense of the claim that a significant form of spiritual experience is found in knowing something we have no right to know He selects forty five first

hand accounts from a data base at the University of Wales to make his case and in solidarity with those people recounts something of his own experience

**The Epistemology of Spirit Beliefs** Hans Van Eyghen, 2023-04-14 This book assesses whether belief in spirits is epistemically justified It presents two arguments in support of the existence of spirits and arguments that experiences of various sorts perceptions mediumship possession and animistic experiences can lend justification to spirit beliefs Most work in philosophy of religion exclusively deals with the existence of God or the epistemic status of belief in God Spirit beliefs are often regarded as aberrations and the falsity of such beliefs is often assumed This book argues that various beliefs concerning spirits can be regarded as justified when they are rooted in experiences that are not defeated It argues that spirit beliefs are not defeated by recent theories put forth by neuroscientists cognitive scientists or evolutionary biologists Additional arguments are made that traditional theistic belief is epistemically linked to spirit beliefs and that unusual events can be explained in terms of spirit activity The book draws on theistic arguments phenomenal conservatism and defenses of religious experiences to argue for the justification of spirit beliefs The arguments draw on examples from various religious traditions ranging from Christianity and Islam to Haitian Vodou and Tibetan Bon The Epistemology of Spirit Beliefs will be of interest to researchers and advanced students working in philosophy of religion religious epistemology ethnography and cognitive neuroscience The Open Access version of this book available at [www.taylorfrancis.com](http://www.taylorfrancis.com) has been made available under a Creative Commons Attribution NonCommercial CC BY NC 4.0 International license

**The Conqueror's Tread** Shandon L. Guthrie, 2022-02-02 For many Christians the concept of spiritual warfare involves scenarios that are often enchanting extravagant and even parapsychological Hard lined skeptics respond by treating it instead as an archaic and outmoded superstition a farce While we might think a simple reading of Scripture will settle the matter this has not been the case since those writing on the subject are tacitly influenced by dubious philosophical commitments and presuppositions left unchecked This groundbreaking book incorporates philosophical reasoning in formulating for the everyday Christian a robust biblical doctrine of spiritual warfare It is a serious but readable attempt to understand what spiritual warfare is by addressing both the theological and philosophical issues involved The Conqueror's Tread dares to take a reasoned approach to pressing questions such as Do supernatural beings really exist If so what are they and what can they do Are there territorial spirits Is exorcism a part of spiritual warfare Does spiritual warfare involve speaking aloud prayerwalking and breaking curses What can evil spirits do to Christians Can Christians be demon possessed Why would God allow his people to be in a state of conflict with evil spirits What is Christian holiness and how do we pursue it What role does apologetics have and many more

**Artificial General Intelligence (AGI) and the Image of God** Peter J. Bellini, 2023-09-19 Can artificial intelligence AI attain human level consciousness And if so should the church minister salvation to AI Through engaging philosophy of mind AI research the cognitive sciences neuroscience and theological anthropology Dr Bellini attempts to answer these questions The hypothesis is if the hard problem of consciousness can be

solved and if human consciousness is replicable in AI then attaining artificial general conscious intelligence AGCI is possible and perhaps needs to be evangelized or disciplined as some claim On the contrary if the hard problem of consciousness cannot be solved and human consciousness is not replicable in AI then AGCI is not possible and it does not need to be evangelized And in either case how can the church begin a theological conversation with AI with its potential to match and exceed human intelligence and performance A theological position on consciousness and the image of God is proposed demonstrating the uniqueness of human consciousness in contrast with AI and artificial consciousness A thorough exposition of the image of God is offered to serve as a cornerstone for any future conversation on a theological perspective of machines AI [Gods of this World](#) Shandon L. Guthrie,2018-10-30 Philosophers of religion have focused almost exclusively on the existence and nature of God and the nature and destiny of human beings But these philosophers have been remiss in engaging discussions about the possibility of there being adverse gods of this world demonic beings despite being a doctrine that comprises a significant part of the Christian confession This drought in the literature has left a number of questions unaddressed including Hasn't science buried the demonic Are there any successful philosophical arguments for the existence of Satan What kind of being is Satan Is he the fallen angel of lore Is it reasonable for Christians to say that demons are purely immaterial spirits Can demons causally interact with the physical world and its inhabitants Can demons perform diabolical miracles Shandon Guthrie broaches new territory beginning with a rigorous defense for the existence of Satan and his cohorts He then advances and defends a model for how to understand their nature in terms of their ontology and causal powers No other book has attempted a full fledged natural diabolology on behalf of Christian orthodoxy This is a must read for anyone interested in the dark side of Christian theology and metaphysics *Rainbow of Experiences, Critical Trust, and God* Kai-man Kwan,2011-08-11 Defends a new type of epistemology the Critical Trust Approach and then applies it to the experience of God in the contemporary multicultural context **Interdisciplinary and Religio-Cultural Discourses on a Spirit-Filled World** V. Kärkkäinen,K. Kim,A. Yong,2013-09-12 This volume presents interdisciplinary intercultural and interreligious approaches directed toward the articulation of a pneumatological theology in its broadest sense especially in terms of attempting to conceive of a spirit filled world *The Oxford Handbook of Methodist Studies* William J. Abraham,James E. Kirby,2009-09-25 With the decision to provide of a scholarly edition of the Works of John Wesley in the 1950s Methodist Studies emerged as a fresh academic venture Building on the foundation laid by Frank Baker Albert Outler and other pioneers of the discipline this handbook provides an overview of the best current scholarship in the field The forty two included essays are representative of the voices of a new generation of international scholars summarising and expanding on topical research and considering where their work may lead Methodist Studies in the future Thematically ordered the handbook provides new insights into the founders history structures and theology of Methodism and into ongoing developments in the practice and experience of the contemporary movement Key themes explored include worship

forms mission ecumenism and engagement with contemporary ethical and political debate      **New Testament Theology and its Quest for Relevance** Thomas R. Hatina, 2013-03-14 New Testament theology raises many questions not only within its own boundaries but also in relation to other fields such as history literary criticism sociology psychology history politics philosophy and religious studies But the overarching question concerns the relevance of two thousand year old writings in today's world How does one establish what is and is not relevant in the New Testament How does one communicate the ancient ideas presented in an alien language alien time and alien culture to a contemporary audience This book is intended to serve as a methodological introduction to the field of New Testament theology aimed at a range of readers undergraduate and Seminary students clergy and laypersons interested in the relevance of scripture It is a guide which aims to help readers understand how practitioners of New Testament theology have wrestled with the relationship between historical reconstruction of the New Testament and its interpretation in the modern world      *Perceiving Things Divine* Frederick D. Aquino, Paul L. Gavriluk, 2022-01-06 Sensory language is commonly used to describe human encounters with the divine Scripture for example employs perceptual language like taste and see that the Lord is good hear the word of the Lord and promises that the pure in heart will see God Such statements seem to point to certain features of human cognition that make perception like contact with divine things possible But how precisely should these statements be construed Can the elusive notion of spiritual perception survive rigorous theological and philosophical scrutiny and receive a constructive articulation *Perceiving Things Divine* seeks to make philosophical and theological sense of spiritual perception Reflecting the results of the second phase of the Spiritual Perception Project this volume argues for the possibility of spiritual perception It also seeks to make progress towards a constructive account of the different aspects of spiritual perception while exploring its intersection with various theological and philosophical themes such as biblical interpretation aesthetics liturgy race ecology eschatology and the hiddenness of God The interdisciplinary scope of the volume draws on the resources of value theory philosophy of perception epistemology philosophy of art psychology systematic theology and theological aesthetics The volume also draws attention to how spiritual perception may be affected by such distortions as pornographic sensibility and racial prejudice Since perceiving spiritually involves the whole person the volume proposes that spiritual perception could be purified by ascetic discipline healed by contemplative practices trained in the process of spiritual direction and the pursuit of virtue transformed by the immersion in the sacramental life and healed by opening the self to the operation of divine grace

**Theological Renewal for the Third Millennium** Veli-Matti Kärkkäinen, 2022-08-12 Amos Yong has stated that Veli Matti Karkkainen has become one of the more important theologians to be reckoned with in our time This becoming has developed over the course of many decades with prolific contributions in essays monographs lectures and other mediums The goal of this book then is to offer a curated selection of Karkkainen's essays for both new and established reader of Karkkainen This volume offers an accessible introduction to Karkkainen's diverse contribution for readers who are only familiar with his

popular survey texts or are new to his work overall And yet for those familiar with his theology this volume provides insights into the journey his theological contributions have taken over the last fifteen years and serves as a kind of intellectual storyboard leading into his five volume constructive systematics In sum this book seeks to offer a wide ranging taste of Karkkainen s trajectory that will inspire more research into his work and ever more attention to his important constructive contributions to global twenty first century theology      **The Christian Doctrine of Humanity** Zondervan,2018-11-06

Engaging with the Complex Subject of Theological Anthropology Theological anthropology is a complicated doctrinal subject that needs to be elaborated with careful attention to its relation to other major doctrines Among other things it must confess the glory and misery of humanity from creation in the image of God to the fall into a state of sin It must reckon with a holism that spans distinctions between body soul and spirit and a unity that encompasses male and female as well as racial and cultural difference The Christian Doctrine of Humanity represents the proceedings of the sixth annual Los Angeles Theology Conference which sought constructively and comprehensively to engage the task of theological anthropology The twelve diverse essays in this collection include discussions on Human thought and the image of God The relevance of biblical eschatology for philosophical anthropology Living and flourishing in the Spirit Vocation and the oddness of human nature Each of the essays collected in this volume engage with Scripture as well as with others in the field theologians both past and present from different confessions in order to provide constructive resources for contemporary systematic theology and to forge a theology for the future

### God And Other Spirits Intimations Of Transcendence In Christian Experience Introduction

In today's digital age, the availability of God And Other Spirits Intimations Of Transcendence In Christian Experience books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of God And Other Spirits Intimations Of Transcendence In Christian Experience books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of God And Other Spirits Intimations Of Transcendence In Christian Experience books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing God And Other Spirits Intimations Of Transcendence In Christian Experience versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, God And Other Spirits Intimations Of Transcendence In Christian Experience books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing God And Other Spirits Intimations Of Transcendence In Christian Experience books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for God And Other Spirits Intimations Of Transcendence In Christian Experience books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books,

including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, God And Other Spirits Intimations Of Transcendence In Christian Experience books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of God And Other Spirits Intimations Of Transcendence In Christian Experience books and manuals for download and embark on your journey of knowledge?

### **FAQs About God And Other Spirits Intimations Of Transcendence In Christian Experience Books**

**What is a God And Other Spirits Intimations Of Transcendence In Christian Experience PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a God And Other Spirits**

**Intimations Of Transcendence In Christian Experience PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I**

**edit a God And Other Spirits Intimations Of Transcendence In Christian Experience PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a God And Other Spirits**

**Intimations Of Transcendence In Christian Experience PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have

options to export or save PDFs in different formats. **How do I password-protect a God And Other Spirits Intimations Of Transcendence In Christian Experience PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
