## **God And Us A Lifechanging Adventure:**

The Message of the Holy Spirit Keith Warrington, 2020-05-21 Despite the teaching of the Bible and church tradition it seems that many Christians can still lack an appreciation of God the Holy Spirit He has sometimes been valued more for the gifts he bestows than for who he is or he has been viewed simply as the third person of the Godhead However Keith Warrington's conviction is that the Holy Spirit is more important more central more immanently involved in his creation the church and individual believers more often and more strategically than many Christians realise When Jesus left his disciples and went to heaven he gave the best gift he could the Holy Spirit knowing that he will be our dynamic guide and partner as we seek to live as God's people In this practical biblically based exploration of the Spirit Warrington encourages believers to recognize that the same Spirit seeks to encounter us and desires that we encounter him **God and Us** Keith Warrington, 2004 Who is God What does He do for us How can we know Him As readers increasingly realize the amazing nature of God their personal relationship with Him will become deeper They will discover anew that He is our gracious Faithful Father who forgives us never leaves us and will never give up on us God and Us is an accessible Bible based exploration explaining just what it means to have a relationship with the God of the Bible and become a reverent adventurer into the greatness of God Pentecostal Theology Keith Warrington, 2008-08-07 Pentecostals traditionally do not think theologically so much as do it practically This book will present Pentecostal theology as well as the particular style of Pentecostal thinking and praxis that makes it different Pentecostalism is not just distinctive because of its belief base but also because of the worldview it owns The latter is based on a certainty that a religion that does not work is not worth much Consequently they look for expressions of life and vitality in their faith These dominate rather than an expression of the cerebral though this is changing Nevertheless the sense of the immediate the God of the now not the distant past underlie how they do theology Pentecostal theology tends to be seen through the eyes of people not theologians through the community not traditions though they have them through their faith and worship not ancient creeds It is a theology of the dynamic seen through the lens of experience It is a functional theology that exists to operate to incorporate an experiential dimension Pentecostal theology does not operate as other theologies which often only detail a list of beliefs it does this but also and more importantly it explores them in the context of praxis Thus this volume incorporates praxis as part of the enquiry relating to theology Vision Moments Bo Boshers, Keith Cote, 2004 Visions can offer inspiration encouragement and hope It is in vision moments that lasting imprints of what God would have for our lives are stamped on each of our hearts Vision Moments will provide leaders of student ministries with the essential tools and examples in areas such as spiritual growth evangelism community ownership and being a difference maker to begin building lasting vision in the hearts of their teams *Meeting Jesus Together* Susan B. Williams, Peter R. Holmes, 2010 Why do we feel so alone and lost More and more people are feeling isolated missed and unknown and yet the church seems to be one of the main culprits in creating this

ethos We need to be about creating healthy honest and authentic communities that are safe places for people to know and be known In Meeting Christ Together Peter Holmes and Susan Williams explain exactly what that looks like and how we can create salugenic or healthy relationships within the context of authentic community They explain how a salugenic community is the network built by a group of people who are consistently experiencing life together and it is a community that is committed to encouraging ongoing transformational change Salugenic community is built on three assumptions If Christ is present in our relationships with each other that should make a radical difference Such relationships provoke transformative change And when these relationships are achieved everyone notices the difference **Hands-On Bible 365 Devotions for**

Willard, 2022-06-21 Can we afford to chase beauty in a world that emphasizes distraction and naked ambition over a lifestyle of wonder and spiritual restfulness The everyday road of life is littered with the pains of growing up loving and failing to love of peace and discord What is God saying through all the muck of life God speaks to us through beauty But to hear his words we must slow down and listen with our hearts What would happen if we slowed down and looked at the world and our lives with new eyes The Beauty Chasers shows us a secret passageway that leads beyond the utility mindset that banished beauty from our hearts Author Tim Willard gives us a guidebook for discovering how to see the world with fresh eyes and let beauty guide us in life and our relationship with God The Beauty Chasers will inspire you to live life as a participant instead of a spectator guide you toward a life of presence rather than distraction give you permission to slow down and drink from the well of spiritual rest refresh your perspective on the wonder full ways of God help you live like beauty matters Are you ready to live life to a different cadence Do you find yourself longing to recapture the wonder in your spiritual journey Are you willing to walk the path less traveled If so then read on friend **Too Amazing to Keep to Yourself** Ken Wilson, 2014-04-18 A great tool for both individuals and small

groups Too Amazing to Keep to Yourself is an interactive guidebook that will equip you with the message skills and passion to bring people to Christ in a way that is safe and nonthreatening for both you and your friends **Joel, Obadiah, Micah**

Daniel Epp-Tiessen, 2022-08-30 Although each is quite different the books of Joel Obadiah and Micah are all survival literature All three address the community that survived the crushing Babylonian destruction of Judah in 586 BCE And all three seek to help this community cope by giving voice to its disorientation trauma anxiety and rage Each book insists that God will wrestle a positive future out of catastrophe granting both physical and spiritual renewal No matter how dire the circumstances Israel can trust in the gracious God who will never abandon the faith community In this thirty fifth volume in the Believers Church Bible Commentary series Old Testament scholar Daniel Epp Tiessen explores the diverse yet related content of these three prophetic books always paying attention to how they might speak words of grace and healing into the disorientation exile and challenges of our own time He also confronts the theologically problematic features of these books especially their conviction that the salvation of God s people requires that God obliterate their enemies This volume explores how we might read Joel Obadiah and Micah in light of the larger biblical story of God s saving purposes that reach their fulfillment in Jesus Christ **Captivating** John Eldredge, Stasi Eldredge, 2010-05-04 Every woman was once a little girl and every little girl holds in her heart her most precious dreams The message of captivating is that your heart matters more than anything else in creation The desires you had as a little girl and the longings you still feel as a woman are telling you of the life God created you to live He offers to come now as the hero of your story to rescue your heart and release you to live a fully alive and feminine woman Being Flawesome Nicholas Matthews, 2021-01-21 A remarkable fact to reflect on You are perfect What we do in action and what we consider in thought remain vulnerable to imperfection It is for this reason that we often find ourselves living in a confused state of contradiction whereby we strangely possess the capacity to surrender to the dangerous and ungrounded assumption that would say we are simply a representation of our flawed character Or that we are not good enough similarly that we need more The alternative and more appealing by far is to consider our lives as being securely rooted in the grounded wisdom of having a perfected identity The key to confidence is living from perfected identity Jesus perfects our identity while our character remains vulnerable to imperfection Being Flawesome explores the tension between flawed character and perfected identity and advocates a life of living imperfectly perfect Dancing With the Trinity Monique Jesiolowski, 2012-06-28 Using colorful descriptions and heart felt anecdotes Monique vividly depicts the joy of living a life completely surrendered to the will of God She encourages us to make ourselves available to follow His lead to be willing to drop everything and join the dance at a moment s notice This book is sure to touch the heart of each and every reader reminding us to set aside some time each day to play with reckless abandon and to tend to the things in our lives that are truly important Life Change for Couples James Reeves, 2013 Healthy people build healthy marriages With that truth in mind author and pastor James Reeves guides couples to find long term healing closeness joy and the strength of a
