Ecstatic Morality And Sexual Politics

Alan Udoff

Ecstatic Morality And Sexual Politics:

Ecstatic Morality and Sexual Politics Graham James McAleer, 2005 This first book length treatment of Thomas Aquinas's theory of the body presents a Catholic understanding of the body and its implications for social and political philosophy Making a fundamental contribution to antitotalitarian theory McAleer argues that a sexual politics reliant upon Aquinas's theory of the body is better because less violent than other commonly available theories He contrasts this theory with those of four other groups of thinkers the continental tradition represented by Kant Schopenhauer Merleau Ponty Nancy Levinas and Deleuze feminism in the work of Donna Haraway an alternative Catholic theory to be found in Karl Rahner and the Radical Orthodoxy of John Milbank

Aquinas's Summa Theologiae Jeffrey Hause, 2018-03-15 Alone among Thomas Aquinas works the *Summa Theologiae* contains well developed and integrated discussions of metaphysics ethics law human action and the divine nature The essays in this volume by scholars representing varied approaches to the study of Aquinas offer thorough cutting edge expositions and analyses of these topics and show how they relate to Aquinas larger system of thought The volume also examines the reception of the *Summa Theologiae* from the thirteenth century to the present day showing how scholars have understood and misunderstood this key text and how even after seven centuries of interpretation we still have much to learn from it Detailed and accessible this book will be highly important for scholars and students of medieval philosophy and theology

Biblical Natural Law Matthew Levering, 2008-03-21 Natural law theory is controversial today because it presumes that there is a stable human nature that is subject to a law How do we know that human nature is stable and not ever evolving How can we expect law not to constrict human freedom and potential Furthermore if there is a law there must be a lawgiver Matthew Levering argues that natural law theory makes sense only within a broader worldview and that the Bible sketches both such a persuasive worldview and an account of natural law that offers an exciting portrait of the moral life To establish the relevance of biblical readings to the wider philosophical debate on natural law this study offers an overview of modern natural law theories from Cicero to Nietzsche which reverse the biblical portrait by placing human beings at the center of the moral universe Whereas the biblical portrait of natural law is other directed ordered to self giving love the modern accounts turn inward upon the self Drawing on the thought of St Thomas Aquinas Levering employs theological and philosophical investigation to achieve a contemporary doctrine of natural law that accords with the biblical witness to a loving Creator who draws human beings to share in the divine life This book provides both an introduction to natural law theory and a compelling challenge to re think current biblical scholarship on the topic

Natural Law & the Secular Mythos Gregory Morgan, 2025-02-20 This book argues that natural law when construed as an epistemological and trans cultural lingua franca adjudged capable of legitimating the rational intelligibility and universal applicability of specific Christian moral principles within contemporary secular discourse has failed Through a detailed analysis of the contributions of three prominent natural law theorists who are located within a shared philosophical theological tradition namely John

Finnis Jean Porter and John Milbank the text illuminates the extent to which this failure is as much intramural as it is extramural Morgan explores how new horizons open up for natural law if the theological unsaid s are allowed to surface and the disremembering power of the secular mythos is overcome The final chapter s of the book addresses one such horizon that the theoretical fulcrum of the natural law lies not in its perceptual self evidence or in its immanent secularity but rather in its subtle provision of an immanent eschatology

Ressourcement Thomism Romanus Cessario,2010 The essays in this volume explore three areas in which St Thomas Aquinas s voice has never fallen silent sacred doctrine the relationship of sacraments and metaphysics and the central role of virtue in moral theology

Facing the Other Nigel Zimmermann,2016-03-31 What is the significance of the body What might phenomenology contribute to a theological account of the body And what is gained by prolonging the overlooked dialogue between St John Paul II and Emmanuel Levinas Nigel Zimmermann answers these questions through the agreements and the tensions between two of the most important thinkers of the twentieth century John Paul II the Polish pope philosopher and theologian and Emmanuel Levinas the French Jewish philosopher of Lithuanian heritage were provocative thinkers who courageously faced and challenged the assumptions of their age Both held the human person in high regard and did their thinking with constant reference to God and to theological language Zimmermann does not shirk from the challenges of each thinker and does not hide their differences However he shows how they bequeath a legacy regarding the body that we would overlook at significant ethical peril We are called Zimmermann argues to face the other In this moment God refuses a banal marginalisation and our call to responsibility for the other person is issued in their disarming vulnerability In the body philosophy theology and ethics converge to call us to glory even in the paradox of lowly suffering

Erich Przywara and Postmodern Natural Law Graham James McAleer,2019-10-31 Graham McAleer s Erich Przywara and Postmodern Natural Law is the first work to present in an accessible way the thinking of Erich Przywara 1889 1972 for an English speaking audience Przywara s work remains little known to a broad Catholic audience but it had a major impact on many of the most celebrated theologians of the twentieth century including Hans Urs von Balthasar Karl Rahner Edith Stein and Karl Barth Przywara s ground breaking text *Analogia Entis* The analogy of being brought theological metaphysics into the modern era While the concept of analogy of being is typically understood in static terms McAleer explores how Przywara transformed it into something dynamic McAleer shows the extension of Przywara s thought into a range of disciplines from a new theory of natural law to an explanation of how misunderstanding the analogy of being lies at the foundation of the puzzles of modernity and postmodernity He demonstrates through Przywara s conceptual framework how contemporary moral problems such as those surrounding robots Islam and sumptuary laws Nazism including fascism and race embryos migration and body modification among others are shaped by the failure of Western thought to address metaphysical quandaries McAleer updates Przywara for a new audience searching for solutions to the failing humanism of the current age This book will be of interest to intellectuals and scholars in a wide

range of disciplines within philosophy or theology and will appeal especially to those interested in systematic and moral theology

The Culture of the Incarnation: Essays in Catholic Theology Tracey Rowland, 2017-08-01 In this collection of essays distinguished Australian theologian Tracey Rowland takes up the relationship of Christ and culture broadly understood She contrasts the principles undergirding what St John Paul II called a culture of death with those required for the flourishing of a humanism that flows from the grace of the Incarnation Rowland returns frequently to the theological insights of Joseph Ratzinger Pope Benedict XVI to whose thought she is deeply indebted Drawing upon the Augustinian and Thomist traditions of political theology she offers a trenchant theological critique of liberalism in all its forms with attention to our modern attraction to false utopias and accommodationist impulses The nine essays in this volume engage such perennial topics as the place of natural law the theological status of the world and the nature of true humanism along with timely topics such as the retrieval of the sources of Catholic resistance to Communism and what is now commonly called cultural Marxism Rowland's inimitable voice keen wit and penetrating insight into the distinctiveness of Catholic truth make this book a landmark volume as the Church today revisits anew its relationship to the world

Vladimir Jankélévitch and the Question of Forgiveness Alan Udoff, 2013-02-14 The essays focus on the work of Vladimir Jankélévitch as a moral philosopher particularly that aspect of his work dealing with the question of forgiveness They treat topics such as the place of moral philosophy in relation to his work as a whole his relationship to contemporary French thought and the backgrounds of classical Judaic tradition and world literature The centerpiece of this tableau is Jankélévitch's book *Le Pardon* Forgiveness Chief among the distinguishing characteristics is its rigorous defense of what might be termed a forgiveness free of the entanglements that taint the common understanding of forgiveness what Jankélévitch refers to as pseudo forgiveness The advocacy of forgiveness in the name of political or social expediency as well as the psychological benefit for the victim are similarly repudiated In their place Jankélévitch substitutes a radical forgiveness that is initial sudden spontaneous not able to erase the past but able to create a new future and thereby a new relationship to the past He does not permit even this future however to serve as forgiveness's justification For him beyond all justifications beyond justice itself forgiveness is a gift akin to love

The Logic of Desire Nicholas Emerson Lombardo, 2011 A critical study of Aquinas' account of emotions and its enduring relevance this title considers Aquinas' thought on emotion in its historical context and inner logic and shows how it bears on larger issues in Aquinas' anthropology and ethics

The Ecstasy of Love in the Thought of Thomas Aquinas Peter Kwasniewski, 2021-05-07 Those interested in the concept of ecstasy would be forgiven for assuming that a sober scholastic like St Thomas Aquinas had little place for the idea Yet in this groundbreaking study sure to refine our understanding of the Angelic Doctor Peter Kwasniewski shows that St Thomas contemplates the nature of ecstasy at key stages in the development of his thought and that it plays a crucial role in his doctrine of love After a stimulating study of treatments of ecstasy in ancient philosophy Sacred Scripture and the medieval tradition prior to Aquinas Kwasniewski finds

that he can be seen as breathing new life into the concept. While his contemporary St Bonaventure for example tended to restrict ecstasy to the soul's union with God, St Thomas admitted the place of ecstasy in a variety of human activities. Furthermore, St Thomas recognized that all love involves ecstatic transcendence, whether it be the creature's self-oblation to the Creator, the reverence of an inferior for a superior, a superior's generosity toward an inferior, or the mutual affection and help of equals joined in friendship. Love of persons for their own sake generates an ecstatic love in which the self is borne as a gift to another subject by sharing a common life, aspiring to common goods. Kwasniewski also examines Aquinas on the question of whether or not God experiences ecstasy and if so in what ways. *The Ecstasy of Love in the Thought of Thomas Aquinas* makes a significant contribution to our understanding of the doctrine of love and to the interpretation of the thought of St Thomas Aquinas. It is more than an analysis of key texts; it is an illuminating guide to the grammar of ecstasy.

Remaking Humanity Adam Beyt, 2024-08-22 Drawing upon Edward Schillebeeckx's theology and Judith Butler's philosophy, Adam Beyt uses the framework of nonviolent hope to construct a Catholic political theology responding to dehumanizing violence. Dehumanizing violence names words, institutions, or acts violating the inherent dignity of being made in the image and likeness of God. Theology can participate in dehumanizing violence by claiming an uninterrogated universality that marginalizes bodies due to their perceived differences, such as gender, race, sexuality, or ability. The book's constructive project integrates Schillebeeckx's and Butler's thought with queer theory and phenomenology to model embodiment as an enfleshing dynamism between bodies and signification. The text then posits Catholic discipleship as incarnating hope by defending the humanum, the new humanity announced through God's Reign. Combining reflections from Schillebeeckx and Butler, this hope centers discipleship as nonviolent world-building. Concluding with a sustained reflection with the writings of Franz Fanon and Walter Benjamin, the final chapter sketches a Catholic solidaristic response to contemporary struggles against the necropolitics of colonizing and state violence through assemblies of hope. **To Kill**

Another Graham McAleer, 2017-07-12 Basing his argument on natural law, Graham J McAleer asserts that only public authority has the right to intentionally kill. He draws upon the work of Thomas Aquinas and Francisco de Vitoria, defending the claim that these natural law theorists have developed the best available theory of homicide. To have rule of law in any meaningful sense, the author argues, there must be protections for the guilty and prohibition against killing innocents. Western theories of law have drifted steadily towards the privatization of homicide, despite the fact that it runs counter to rule of law. Public acts of homicide, like capital punishment, are now viewed by many as barbaric, while a private act of homicide, like the starvation of comatose patients, is viewed by many as a caring gesture both to patient and family. This subversion of the rule of law is prompted by humanitarian ethics. McAleer argues that humanitarianism is a false friend to those committed to the rule of law. The problem of human vulnerability makes political theology an inescapable consideration for law. Readers will find much to reflect upon in this book. McAleer's argument can be read as a cultural chapter in the

history of moral ideas but also as a close and timely reading of a grim subject D. G. Leahy and the Thinking Now Occurring Lissa McCullough, Elliot R. Wolfson, 2021-09-01 This book offers a critical introduction to the work of American philosopher D G Leahy 1937 2014 Leahy s fundamental thinking can be characterized as an absolute creativity in which all creating is live a happening occurring now that manifests a supersaturated polyontological actuality that is essentially created by the logic that characterizes it Leahy leaves behind the categorial presuppositions of modern thought eclipsing both Cartesian and Hegelian subjectivities and introducing instead an essentially new form of thinking founded in a nondual logic of creation The new thinking delineates the absolute unicity of existence as a creative interactivity beyond all traditional dichotomies such as one vs many unity vs plurality identity vs change a fully digitized actuality that is nothing but newness which inherently implies nothing but change Through this new form of thinking change itself is revealed to be the very essence of reality and mind Any reader looking for a quantum leap beyond the thrall of modern and postmodern fixations is invited to hear and apprehend this new thinking that refuses to be conditioned by paradigms categories species genera walls bridges boundaries or abstractions an essentially free thinking that embodies creative novelty itself **Man and Woman He Created Them** John Paul II, Michael Waldstein, 2019-03-01 A new critical translation of Pope John Paul II s talks on the Theology of the Body by the internationally renowned biblical scholar Michael Waldstein With meticulous scholarship and profound insight Waldstein presents John Paul II s magnificent vision of the human person Includes a preface by Cardinal Sch nborn a foreword by Christopher West a comprehensive index of words and phrases a scriptural index and a reference table for other versions of the papal texts Recipient of a CPA Award **The Oxford Handbook of Catholic Theology** Lewis Ayres, Medi Ann Volpe, 2019-03-28 The Oxford Handbook of Catholic Theology provides a one volume introduction to all the major aspects of Catholic theology Part One considers the nature of theological thinking and the major topics of Catholic teaching including the Triune God the Creation and the mission of the Incarnate Word It also covers the character of the Christian sacramental life and the major themes of Catholic moral teaching The treatments in the first part of the Handbook offer personal syntheses of Catholic teaching but each offers an account in accord with Catholic theology as it is expressed in the Second Vatican Council and authoritative documentation Part Two focuses on the historical development of Catholic Theology An initial section offers essays on some of Catholic theology s most important sources between 200 and 1870 and the final section of the collection considers all the main movements and developments in Catholic theology across the world since 1870 This comprehensive volume features fifty six original contributions by some of the best known names in current Catholic theology from the Americas Europe Asia and Africa The chapters are written in an engaging and easily comprehensible style functioning both as a scholarly reference and as a survey of the field There are no comparable studies available in one volume and the book will be an indispensable reference for students of Catholic theology at all levels and in all contexts **Looking Beyond?**, 2012-01-01 Religion is undergoing a transformation in current Western society In

addition to organized religions there is a notable movement towards spirituality that is not associated with any institutions but in which experiences and notions of transcendence are still important Transcendence can be described as God the absolute Mystery the Other the other as alterity depending on one's worldview In this book these shifts in the views of transcendence in various areas of culture such as philosophy theology art and politics are explored on the basis of a fourfold heuristic model proposed by Wessel Stoker In conversation with this model various authors established scholars in their fields explain the meaning and role or the critique of transcendence in the thought of contemporary thinkers fields of discourse or cultural domains Looking Beyond will stimulate further research on the theme of transcendence in contemporary culture but can also serve as a textbook for courses in various disciplines ranging from philosophy to theology cultural studies literature art and politics

The Ashgate Research Companion to Theological Anthropology Joshua R. Farris, Charles Taliaferro, 2016-03-09 In recent scholarship there is an emerging interest in the integration of philosophy and theology Philosophers and theologians address the relationship between body and soul and its implications for theological anthropology In so doing philosopher theologians interact with cognitive science biological evolution psychology and sociology Reflecting these exciting new developments The Ashgate Research Companion to Theological Anthropology is a resource for philosophers and theologians students and scholars interested in the constructive critical exploration of a theology of human persons Throughout this collection of newly authored contributions key themes are addressed human agency and grace the soul sin and salvation Christology glory feminism the theology of human nature and other major themes in theological anthropology in historic as well as contemporary contexts

Understanding Love and Responsibility: a guide to the best-selling novel by Richard A. Spinello Richard A. Spinello, 2019-01-21 Based on the new English translation of Love and Responsibility this guide will help you discover the beauty of human relationships and our God given need for love In his preface Dr Richard Spinello states Quite simply Love and Responsibility is not an easy book to read Karol Wojtyla's classic work is even more relevant today but the language is often high and theoretical Based on the new English translation of Love and Responsibility Dr Spinello's thoughtful commentary will enable you to discover the beauty of Saint John Paul II's timeless work and through it the magnificence of human relationships and our God given need to give and receive love

Catholic Theology Tracey Rowland, 2017-01-26 Rowland showcases here the dominant contemporary approaches to doing Catholic theology Chapter 1 offers a summary of the two International Theological Commission ITC documents on the discipline of Catholic theology These documents set out the general principles which should govern any approach to Catholic theology at least according to the ITC The subsequent chapters each focus on one of four different approaches frequently found in contemporary Catholic academies the approach of Thomists members of the Communio milieu members of the Concilium milieu and promoters of different varieties of Liberation Theology Rowland's work is pitched at the level of first time students of theology who are trying to make sense of the methodological choices which

undergird the different approaches to Catholic theology Rowland concludes with four appendices a list of all Doctors of the Church a list of all encyclicals since the 19th century a list of the documents of the Second Vatican Council and a list of definitions of the various Christological heresies which were the subject of the debates of the early Church Councils These appendices will provide useful reference tables for young scholars including seminarians

Ecstatic Morality And Sexual Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Ecstatic Morality And Sexual Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and

empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Ecstatic Morality And Sexual Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Ecstatic Morality And Sexual Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Ecstatic Morality And Sexual Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Ecstatic Morality And Sexual Politics is one of the best book in our library for free trial. We provide copy of Ecstatic Morality And Sexual Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Ecstatic Morality And Sexual Politics. Where to download Ecstatic Morality And Sexual Politics online for free? Are you looking for Ecstatic Morality And Sexual Politics PDF? This is definitely going to save you time and cash in something you should think about.
