Global Gender Issues:

Global Gender Issues V. Spike Peterson, Anne Sisson Runyan, 1993-10-03 **Global Gender Issues in the New Millennium** Anne Sisson Runyan, 2018-04-19 *Global Gender Issues in the New Millennium* argues that the power of gender works to help keep gender race class sexual and national divisions in place despite increasing attention to gender issues in the study and practice of world politics Accessible and student friendly for both undergraduate and graduate courses authors Anne Sisson Runyan and V Spike Peterson analyze gendered divisions of power and resources that contribute to the worldwide crises of representation violence and sustainability They emphasize how hard won attention to gender equality in world affairs can be co-opted when gender is used to justify or mystify unjust forms of global governance international security and global political economy In the new and updated fourth edition Runyan and Peterson examine the challenges of forging transnational solidarities to de-gender world politics scholarship and practice through renewed politics for greater representation and redistribution Yet they see promise in coalitional struggles to re-radicalize feminist world political demands to change the downward conditions of women men children and the planet Updated to include framing questions at the opening of each chapter discussion questions and exercises at the end of each chapter and updated data on gender statistics and policymaking Chapters One and Two have also been revised to provide more support to readers with less of a background in gender politics Case studies and web resources are now also provided **Gender Equality in a Global Perspective** Anders Ortenblad, Raili Marling, Snjezana Vasiljevic, 2017-01-06 *Gender Equality in a Global Perspective* looks to discuss whether Gender Equality can be adopted as it has been defined in international documents anywhere or whether it needs to be adapted in a more local context discuss which factors and perspectives need to be taken into account when adapting Gender Equality to specific contexts suggest research approaches for studies on whether a universal Western concept of Gender Equality fits in certain specific contexts and finally suggests challenges to the existing interpretation of Gender Equality e.g. theory of intersectionality and the development of legal and policy framework This book is situated within the tradition of comparative gender studies While most other such books take up and compare various ways of implementing or not implementing gender equality this book studies and compares whether or not and to what extent a specific definition of Gender Equality GE could be adopted by various nations Thus all chapter contributors will engage with the same definition of GE which will be presented within the book and discuss the possibilities and constraints related to applying such a definition in their particular national context The readers will learn about the problems of applying a universal concept of Gender Equality and the possible reasons for and modes of adapting Gender Equality to different contexts *Gender Equality in a Global Perspective* looks to maintain a critical and reflexive stance towards the issues raised and will seek to present multiple perspectives and open ended answers As such it hopes to contribute to the international discussion of human rights more broadly and Gender Equality specifically The intended audience is not limited only to but

will include policy makers scholars and students with an interest in Gender issues Organizational Theory Political Science Human Development Policy Analysis Globalization and other management sub disciplines **Global Gender Politics** Anne Sisson Runyan, 2018-10-11 Accessible and student friendly **Global Gender Politics** analyzes the gendered divisions of power labor and resources that contribute to the global crises of representation violence and sustainability The author emphasizes how hard won attention to gender and other related inequalities in world affairs is simultaneously being jeopardized by new and old authoritarianisms and depoliticized through reducing gender to a binary and a problem solving tool in global governance The author examines gendered insecurities produced by the pursuit of international security and gendered injustices in the global political economy and sees promise in transnational struggles for global justice In this new re titled edition of a foundational contribution to the field of feminist International Relations Anne Sisson Runyan continues to examine the challenges of placing inequalities and resisting injustices at the center of global politics scholarship and practice through intersectional and transnational feminist lenses This more streamlined approach includes more illustrations and discussions have been updated to reflect current issues To provide more support to instructors and readers **Global Gender Politics** is accompanied by an e resource which includes web resources suggested topics for discussion and suggested research activities also found in the book **The Global Gender Gap Report 2008** Ricardo Hausmann, 2008 The Index benchmarks national gender gaps on economic political education and health based criteria and provides country rankings that allow for effective comparisons across regions and income groups over time Page 3 **GLOBAL GENDER ISSUES**, 2003 **Global Gender Research** Christine Bose, Minjeong Kim, 2013-01-11 Readers of **Global Gender Research** will learn to compare and contrast feminist concerns globally gain familiarity with the breadth of gender research and understand the national contexts that produced it This volume provides an in depth comparative picture of the current state of feminist sociological gender and women s studies research in four regions of the world Africa Asia Latin America the Caribbean and Europe as represented by many countries The introductory essay to each region explains how social science research on women and or gender issues has been shaped by economics politics and culture and by trends that are simultaneously local regional and global It familiarizes readers with the wide range of salient issues research methods writing styles and leading authors from around the globe Each regional section includes several chapters on gender research in specific countries that represent the region s diversity and cover the major theoretical and empirical trends that have emerged over time as well as the relationship of key research questions to feminist activism and women s or gender studies Next the editors illustrate this new wave of gender scholarship with translated reprinted samples of research articles from additional countries in the region that cover a wide range of important global topics such as work sexuality masculinities childcare and family issues religion violence law and gender policies Finally this volume provides scholars with extensive bibliographies and a listing of web sites for women s and gender research centers in 85 countries **Confronting Global Gender Justice** Debra Bergoffen, Paula

The Global Gender Gap Report 2009 Ricardo Hausmann, 2009 The Index benchmarks national gender gaps on economic political education and health based criteria and provides country rankings that allow for effective comparisons across regions and income groups over time Page 3 *Global Gender Issues*, 1996 **Gender Education and Equality in a Global Context** Shailaja Fennell, 2007-09-12 Focusing on gender equality by exploring the interrelations between gender education and poverty this work demonstrates a range of methodological frameworks for analysing gender and education with a development context **Global Perspectives on Gender Equality** Naila Kabeer, Agneta Stark, Edda Magnus, 2008-01-07 The Nordic countries have long been seen as pioneers in promoting gender equality This book brings together scholars from the global South and post socialist economies to explore from a comparative perspective the vision values policies mechanisms and political processes that help to explain Nordic achievements on gender equality **Global Gender and Environment Outlook** Joni Seager, Jamie Bechtel, 2016 The global gender and environment outlook provides an overview of critical evaluations and analyses of the interlinkages between gender and the environment and their importance

for gender sensitive policymaking and actions Publisher s description **Global Gender Policy Development in the UN**

Daniela F. Jauk, 2013 The United Nations UN provided a stage for the evolution of a global women s movement and global gender equality policy in the 20th century My dissertation adds a unique perspective to the sociological literature on the global gender equality regime in that it focuses on the social construction of gender equality policy in the Commission on the Status of Women CSW of the UN The guiding research question for my project is How is gender equality policy socially constructed in UN s CSW My goal is to unpack some of the processes and politics of knowledge and norm production in the CSW in order to explore ways in which women and men around the world may be better able to shape and influence global gender equality policy and utilize it in their national contexts Data collection involved 700 hours of ethnographic participant observation in and around the offices of the UN headquarters in New York City NY Much of these data were collected during a two month internship in Fall 2010 in the Division for the Advancement of Women now UN Women After the internship I accessed the field site through an annual UN ground pass in my capacity as UN delegate and member of the International Committee of Sociologists for Women in Society SWS In this capacity I also observed and documented the CSW 53 meeting in 2009 the CSW 55 meeting in 2011 and the CSW 56 meeting in 2012 In addition I recorded transcribed and analyzed 20 semi structured in depth interviews with UN staff members involved in the organizational logistics of the CSW diplomats country delegates and global gender activists working in and around the CSW My dissertation is structured in three core chapters that have been prepared as stand alone publications The first Invisible Lives Silenced Violence Transphobic Gender Violence in Global Perspective deals with the invisibility of queer bodies and the silencing of gender identity issues in the CSW The chapter dissects the construction of macro social policy and links it to public health outcomes in UN member states exemplified through evidence of transphobic hate crime in the US In the chapter The Insider Outside Accessibility and Access to the United Nations through the Lens of Feminist Standpoint Theory I address insider outsider issues in ethnography and access of civil society to the UN Guided by feminist standpoint theory I explore fluid shifting insiderness and outsiderhood among women activists as well as myself as Non American former UN intern white educated scholar activist The third chapter The Perfect Blend Sociologists for Women in Society s Global Public focuses on the relationship of scholarship and activism within SWS and the benefits and challenges of SWS engagement with UN politics and policy development since the mid 1990s My hope is that my research can inform policymakers researchers students peers social movement organizations and others that want to become agents of global social change with the goal to advance democracy and equal life chances regardless of sex gender gender identity sexuality race class religion citizenship ability or age Gender in Third World Politics Georgina Waylen, 1996 This book puts forward a gendered analysis of third world politics It uses a wide definition of the political to examine both high politics and political activity at the grassroots focussing particularly on women s organizations It also examines the impact of policy and politics on gender relations and on different groups of women After a

general discussion of the major theoretical questions involved in the study of gender in third world politics and the nature of the third world and development the analysis is developed through the indepth study of different political formations These are colonialism revolution authoritarianism and democracy and democratization and uses examples from much of the third world Gender in Third World Politics is the only book to provide comprehensive coverage of gender in third world politics provides a gendered analysis of both high politics and different women s political activity at the grassroots weaves together material from a wide range of disciplines such as politics sociology history development studies and women s studies

Gender Conditioning in Webb's "How Not to Be a Boy" Silvia Dreiling,2019-09-09 Seminar paper from the year 2018 in the subject Didactics for the subject English Literature Works grade 2 University of Salzburg language English abstract Drawing attention to gender issues and gender conditioning is crucial as gender is one of the central organising principles around which social life revolves Baker 4 Boudet et al suggest that gender norms even rest upon other social norms which organise societies and community life Besides it can be said that gender is a component of a persons identity along with other components like age social class or religion In Robert Webb s autobiography How Not to Be a Boy gender is the main topic Webb particularly draws attention to the gender conditioning of men and describes what it takes to be a man Growing up in the 1970s he shares his experiences of gender norms roles and attitudes from early childhood to adulthood Webb himself has never been good at being a boy or man as the title suggests In How Not to Be a Boy Webb addresses gender issues such as not fitting one s gender role which have influenced his own life and identity and gives a clear message that addressing the gender conditioning of men will improve life for all He emphasises that gender equality can only be achieved if we realise that men or boys are gendered too and are unavoidably involved in gender issues In this paper the gender conditioning of men is investigated First a theoretical framework is presented which includes definitions of gender and explanations of how gender has developed in the last decades Then gender in Webb s autobiography is analysed by drawing on examples from the book and finally there is a summary of the main findings *Enabling Gender Equality*
