Richard H. Shultz

Globalisation And Insurgency:

Globalisation and Insurgency John Mackinlay, 2013-06-17 The central proposition of this book is that global changes have altered the nature of insurgency by weakening some governments and empowering the forces that seek to overthrow them The book identifies four distinct categories of insurgent force and concludes that globalisation of insurgency leads inexorably to the globalisation of counter insurgency

Globalisation and Insurgency John Mackinlay, 2013-06-17 The central proposition of this book is that global changes have altered the nature of insurgency by weakening some governments and empowering the forces that seek to overthrow them The book identifies four distinct categories of insurgent force and concludes that globalisation of insurgency leads inexorably to the globalisation of counter insurgency

Global Insurgency Strategy and the Salafi Jihad Movement Richard H. Shultz, 2008 In this paper the author differentiates and characterizes terrorists and insurgents and he conducts a detailed conceptual and historical analysis of insurgency and its current manifestation on a global scale by the Salafi Jihad movement This work lays out the case that terrorism and insurgency differ and that the current long war is actually being fought by the other side as an insurgency As a result the United States must amend and adapt its strategy to one of global counterinsurgency beyond a global war on terrorism alone

Globalisation and the Future of Terrorism Brynjar Lia, 2007-05-07 Globalisation and the Future of Terrorism Patterns and Predictions is devoted to understanding how international terrorism is shaped how it evolves over time and what we are to expect in the future

The Theory and Practice of Irregular Warfare Andrew Mumford, Bruno C Reis, 2013-11-26 This book offers an analysis of key individuals who have contributed to both the theory and the practice of counterinsurgency COIN Insurgencies have become the dominant form of armed conflict around the world today The perceptible degeneration of the occupations of Iraq and Afghanistan into insurgent quagmires has sparked a renewal of academic and military interest in the theory and practice of counterinsurgency In light of this this book provides a rigorous analysis of those individuals who have contributed to both the theory and practice of counterinsurgency warrior scholars These are soldiers who have bridged the academic military divide by influencing doctrinal and intellectual debates about irregular warfare Irregular warfare is notoriously difficult for the military and scholarly understanding about this type of warfare is also problematic especially given the residual anti intellectualism within Western militaries Thus The Theory and Practice of Irregular Warfare is dedicated to analysing the best perceivable bridge between these two worlds The authors explore the theoretical and practical contributions made by a selection of warrior scholars of different nationalities from periods ranging from the French colonial wars of the mid twentieth century to the Israeli experiences in the Middle East from contributions to American counter insurgency made during the Iraq War to the thinkers who shaped the US war in Vietnam This book will be of much interest to students of counterinsurgency strategic studies defence studies war studies and security studies in general

The Counter-Insurgency Myth Andrew Mumford, 2012-08-06 This book examines the complex practice of counter insurgency

warfare through the prism of British military experiences in the post war era and endeavours to unpack their performance During the twentieth century counter insurgency assumed the status of one of the British military's fortes A wealth of asymmetric warfare experience was accumulated after the Second World War as the small wars of decolonisation offered the army of a fading imperial power many opportunities to deploy against an irregular enemy However this quantity of experience does not translate into quality This book argues that the British far from being exemplars of counter insurgency have in fact consistently proved to be slow learners in counter insurgency warfare This book presents an analysis of the most significant British counter insurgency campaigns of the past 60 years Malaya 1948-60 Kenya 1952-60 South Arabia 1962-67 the first decade of the Northern Irish Troubles 1969-79 and the recent British counter insurgency campaign in southern Iraq 2003-09 Colonial history is used to contextualise the contemporary performance in Iraq and undermine the commonly held confidence in British counter insurgency Blending historical research with critical analysis this book seeks to establish a new paradigm through which to interpret and analyse the British approach to counter insurgency as well as considering the mythology of inherent British competence in the realm of irregular warfare It will be of interest to students of counter insurgency military history strategic studies security studies and IR in general

Routledge Handbook of Counterterrorism and Counterinsurgency in Africa Usman A. Tar, 2021-01-28 This book illustrates how Africa's defence and security domains have been radically altered by drastic changes in world politics and local ramifications First the contributions of numerous authors highlight the transnational dimensions of counterterrorism and counterinsurgency in Africa and reveal the roles played by African states and regional organisations in the global war on terror Second the volume critically evaluates the emerging regional architectures of countering terrorism insurgency and organised violence on the continent through the African Union Counterterrorism Framework AU CTF and Regional Security Complexes RSC Third the book sheds light on the counterterrorism and counterinsurgency CT COIN structures and mechanisms established by specific African states to contain degrade and eliminate terrorism insurgency and organised violence on the continent particularly the successes constraints and challenges of the emerging CT COIN mechanisms Finally the volume highlights the entry of non state actors such as civil society volunteer groups private security companies and defence contractors into the theatre of counterterrorism and counterinsurgency in Africa through volunteerism community support for state led CT COIN Operations and civil military cooperation CIMIC This book will be of use to students and scholars of security studies African studies international relations and terrorism studies and to practitioners of development defence security and strategy

Countering Global Terrorism and Insurgency N. Underhill, 2014-11-16 Explores current debates around religious extremism as a means to understand and re think the connections between terrorism insurgency and state failure Using case studies of Pakistan Afghanistan and Iraq she develops a better understanding of the underlying causes and conditions necessary for terrorism and insurgency to occur

Routledge Companion to Military Conflict since 1945 John Richard

Thackrah,2008-10-27 From the depths of the Cold War to the War on Terror The Routledge Companion to Military Conflict since 1945 is an in depth and comprehensive reference guide to the confrontations that have shaped the modern age Covering the personalities the wars and the ideas that have been central to military conflict in the last sixty years this book includes discussion of specific campaigns from Vietnam to Iraq international organizations including NATO the UN and the Arab League leading historical figures from Idi Amin to George W Bush genocides Proxy wars and the Guerrilla campaigns key concepts in international relations from Defense to Chemical Warfare the causes of conflict from the religion to the fight for diminishing resources Exploring all of this and more in an easy to use A Z format with guides to further reading this is an essential resource for students of international relations military history and conflict and strategic studies at all levels

The Long War - Insurgency, Counterinsurgency and Collapsing States Mark T. Berger,Douglas A. Borer,2013-09-13 The rise and fall of the Cold War coincided with the universalization and consolidation of the modern nation state as the key unit of the wider international system A key characteristic of the post Cold War era in which the US has emerged as the sole superpower is the growing number of collapsing or collapsed states A growing number of states are or have become mired in conflict or civil war the antecedents of which are often to be found in the late colonial and Cold War era At the same time US foreign policy and the actions of other organizations such as the United Nations may well be compounding state failure in the context of the post 9 11 Global War on Terror GWOT or what is also increasingly referred to as the Long War The Long War is often represented as a new era in warfare and geopolitics This book acknowledges that the Long War is new in important respects but it also emphasizes that the Long War bears many similarities to the Cold War A key similarity is the way in which insurgency and counterinsurgency were and continue to be seen primarily in the context of inter state rivalry in which the critical local or regional dynamics of revolution and counter revolution are marginalized or neglected In this context American policy makers and their allies have again erroneously applied a grand strategy that suits the imperatives of conventional military and geo political thinking rather than engaging with what are a much more variegated array of problems facing the changing global order This book provides a collection of well integrated studies that shed light on the history and future of insurgency counterinsurgency and collapsing states in the context of the Long War This book was previously published as a special issue of Third World Quarterly

Understanding Land Warfare Christopher Tuck,2014-04-29 Understanding Land Warfare provides a thorough grounding in the vocabulary concepts issues and debates associated with modern land warfare The book is a thematic debate driven analysis of what makes land warfare unique how it interacts with the other environments the key concepts that shape how it is executed the trade offs associated with its prosecution and the controversies that continue to surround its focus and development Understanding Land Warfare contains several key themes the difficulty of conducting land warfare the interplay between change and continuity the growing importance of co operation the variety of ways in which land warfare is fought the competing theoretical debates the tensions

and trade offs This book will be essential reading for military personnel studying on cadet intermediate and staff courses In addition it will also be of use to undergraduate and postgraduate students of military history war studies and strategic studies

The Character of War in the 21st Century Caroline Holmqvist-Jonsäter, Christopher Coker, 2009-12-04 This edited volume addresses the relationship between the essential nature of war and its character at the beginning of the twenty first century The focus is on the conflicts in Iraq and Afghanistan situations that occupy a central role in international affairs and that have become highly influential in thinking about war in the widest sense The intellectual foundation of the volume is Clausewitz s insight that though war has an enduring nature its character changes with time space social structure and culture The fact that war s character varies means that different actors may interpret experience and ultimately wage war differently The conflict between the ways that war is conceptualised in the prevailing Western and international discourse and the manner in which it plays out on the ground is a key discussion point for scholars and practitioners in the field of international relations Contributions combine insights from social theory philosophy sociology and strategic studies and ask directly what contemporary war is and what the implications are for the future This book will be of much interest to students of war studies strategic studies security studies and IR in general Caroline Holmqvist Jonsäter is currently completing a PhD in the conflation of war and policing in international conflicts at the Department of War Studies King s College London Christopher Coker is Professor of International Relations at the London School of Economics and Political Science LSE He is the author of 11 books on war and security issues

Sacred Violence D. Jones, M. Rainsborough, M.L.R Smith, 2014-08-05 Sacred Violence and Religious Violence examines the place that ideology or political religion plays in legitimizing violence to bring about a purer world In particular the book examines Islamism and the western secular liberal democratic responses to it

The Political Impossibility of Modern Counterinsurgency M.L.R. Smith, David Martin Jones, 2015-05-19 The counterinsurgency COIN paradigm dominates military and political conduct in contemporary Western strategic thought It assumes future wars will unfold as low intensity conflicts within rather than between states requiring specialized military training and techniques COIN is understood as a logical effective and democratically palatable method for confronting insurgency a discrete set of practices that through the actions of knowledgeable soldiers and under the guidance of an expert elite creates lasting results Through an extensive investigation into COIN s theories methods and outcomes this book undermines enduring claims about COIN s success while revealing its hidden meanings and effects Interrogating the relationship between counterinsurgency and war the authors question the supposed uniqueness of COIN s attributes and try to resolve the puzzle of its intellectual identity Is COIN a strategy a doctrine a theory a military practice or something else Their analysis ultimately exposes a critical paradox within COIN while it ignores the vital political dimensions of war it is nevertheless the product of a misplaced ideological faith in modernization

The New Counter-insurgency Era in Critical Perspective Celeste Ward Gventer, M.L.R Smith, 2014-01-21 The notion of counter insurgency has become a

dominant paradigm in American and British thinking about the wars in Iraq and Afghanistan This volume brings together international academics and practitioners to evaluate the broader theoretical and historical factors that underpin COIN providing a critical reappraisal of counter insurgency thinking

Armed groups: Studies in National Security, Counterterrorism, and Counterinsurgency Jeffrey H. Norwitz, 2008 Discussion of armed groups which are considered to include classic insurgents terrorists guerrillas militias police agencies criminal organizations war lords privatized military organizations mercenaries pirates drug cartels apocalyptic religious extremists orchestrated rioters and mobs and tribal factions To study armed groups use of history political science anthropology sociology theology and economics are traditional areas of research The book also delves into matters of ethics technology intelligence education the law diplomacy military science and even mythology The book is divided into five sections History and armed groups Present context and environment Religion and inspiration thinking differently about armed groups the shape of things to come

Handbook of Terrorist and Insurgent Groups Scott N. Romaniuk, Animesh Roul, Pamela Fabe, János Besenyő, 2024-10-24 Handbook of Terrorist and Insurgent Groups A Global Survey of Threats Tactics and Characteristics examines the most current and significant terrorist and insurgent groups around the world The purpose is to create a descriptive mosaic of what is a pointedly global security challenge The volume brings together conceptual approaches to terrorism insurgency and cyberterrorism with substantive and empirical analyses of individual groups organisations and networks By doing so not only does the coverage highlight the past present and future orientations of the most prominent groups but it also examines and illustrates their key characteristics and how they operate including key leaders and ideologues Highlighting specific individual groups the chapters collectively present a robust and comprehensive outlook on the current geography of terrorism and insurgency groups operating in the world today This comprehensive volume brings the collective expertise and knowledge of more than 50 academics intelligence and security officials and professionals together all of whom are considered subject experts in their respective areas of research and practice The volume is based on both desk based and fieldwork conducted by experts in these areas incorporating analyses of secondary literature but also the use of primary data including first hand interviews on the various groups regions of operation their tactics and how their ideologies motivate their actions

International Law, Security and Ethics Aidan Hehir, Natasha Kuhrt, Andrew Mumford, 2014-02-04 This book examines the different ways in which the laws governing the use of force and the conduct of warfare have become subject to intense scrutiny and contestation since the initiation of the war on terror Since the end of the Cold War the nature of security challenges has changed radically and this change has been recognised by the UN governments and academics around the world The 911 attacks and the subsequent launch of the war on terror added a new dimension to this debate on the nature and utility of international law due to the demands from some quarters for a change in the laws governing self defence and humanitarian intervention This book analyses the nature of these debates and focuses on key issues that have led to the

unprecedented contemporary questioning of both the utility and composition of international law on the use of force as well as the practicability of using force including handling of prisoners and security risks It also identifies the sources of division and addresses the capacities of security policy and international law to adapt to the changed international environment This book will of much interest to students of international law war and conflict studies and IR and Security Studies in general

The British Approach to Counterinsurgency P. Dixon, 2012-10-19 This timely and critical volume questions the effectiveness of Britain's hearts and minds approach challenging conventional counterinsurgency thinking by drawing on the expertise of regional and thematic specialists

The Routledge Handbook of Insurgency and Counterinsurgency Paul B. Rich, Isabelle Duyvesteyn, 2012-03-15 This new handbook provides a wide ranging overview of the current state of academic analysis and debate on insurgency and counterinsurgency as well as an up to date survey of contemporary insurgent movements and counter insurgencies In recent years and more specifically since the insurgency in Iraq from 2003 academic interest in insurgency and counterinsurgency has substantially increased These topics have become dominant themes on the security agenda replacing peacekeeping humanitarian operations and terrorism as key concepts The aim of this volume is to showcase the rich thinking that is available in the area of insurgency and counterinsurgency studies and act as a further guide for study and research In order to contain this wide ranging topic within an accessible and informative framework the Editors have divided the text into three key parts Part I Theoretical and Analytical Issues Part II Insurgent Movements Part III Counterinsurgency Cases The Routledge Handbook of Insurgency and Counterinsurgency will be of great interest to all students of insurgency and small wars terrorism counter terrorism strategic studies security studies and IR in general as well as professional military colleges and policymakers

Globalisation And Insurgency Introduction

Globalisation And Insurgency Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Globalisation And Insurgency Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Globalisation And Insurgency : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Globalisation And Insurgency : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Globalisation And Insurgency Offers a diverse range of free eBooks across various genres. Globalisation And Insurgency Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Globalisation And Insurgency Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Globalisation And Insurgency, especially related to Globalisation And Insurgency, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Globalisation And Insurgency, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Globalisation And Insurgency books or magazines might include. Look for these in online stores or libraries. Remember that while Globalisation And Insurgency, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Globalisation And Insurgency eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Globalisation And Insurgency full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Globalisation And Insurgency eBooks, including some

popular titles.

FAQs About Globalisation And Insurgency Books

What is a Globalisation And Insurgency PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Globalisation And Insurgency PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Globalisation And Insurgency PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Globalisation And Insurgency PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Globalisation And Insurgency PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
